REQUEST FOR QUOTATIONS

Skyway-Stadium Corridor Lighting Revisions

FOR CAPITAL IMPROVEMENT TO U.S. BANK STADIUM
IN MINNEAPOLIS, MINNESOTA

May 18, 2018

A. Project Background and Objectives

In 2012, the State of Minnesota enacted 2012 Minnesota Laws, Chapter 299 (the "Act"), to establish the Minnesota Sports Facilities Authority ("Authority") and to provide for the construction, financing, and long-term use of a new stadium now known as U.S. Bank Stadium (the "Stadium") and related stadium infrastructure (the "Stadium Infrastructure") as a venue for professional football and a broad range of other civic, community, athletic, educational, cultural and commercial activities. As set forth in the Act, the Authority may make capital improvements to design, development and construction of the Stadium and the Stadium Infrastructure, and the certain capital improvements that that Authority is soliciting in this Request for Quotations ("RFQ") shall be referred to in this RFQ as the "Project". To that end, the Authority has prepared this RFQ for Skyway-Stadium Corridor Lighting Revisions project. Those who respond to this RFQ shall be referred to as "Proposers".

The Project is located at the Stadium [and other additional adjacent land that has been acquired by the Authority in Minneapolis, Minnesota]. The Specification Documents identifying and indicating the scope of the Project are also incorporated within this RFQ as **Exhibit 1**. The Specifications Documents meet the standards required for a National Football League ("NFL") franchise, as well as additional standards established by the Authority. The Project must be completed by July 9, 2018 (the "Required Completion Date").

The successful Proposer to the RFQ will be engaged in revising the lighting in the hallways off the skyway.

B. <u>Intent and Process of the Request for Quotations</u>

This RFQ is focused on the selection of a Proposer who will provide the best value to the Authority.

Proposers should have experience in similar projects to those that are the subject of this RFQ. It is the desire of the Authority to consider as part of its selection criteria, the commitment of the Proposer to exert good faith efforts to comply with the plan of the Authority to ensure equitable opportunities for Minority Owned Business Enterprises ("MBE") and Women Owned Business Enterprises ("WBE") to participate in the Project. The successful Proposer or Proposers must also demonstrate the ability to exert good faith efforts to comply with workforce goals and targeted zip code hiring goals, and work with organizations to develop effective MBE, WBE and workforce recruitment efforts during the Project. The Authority has developed an Equity Plan and each Proposer should provide a plan describing how they will encourage the participation and utilization of appropriate workforce, MBEs and WBEs in the

Proposers' performance of their services. MBEs and WBEs that are interested in acting as the Proposers for the Project are encouraged to respond to the RFQ.
