STADIUM USE AGREEMENT

THIS SECOND AMENDED AND RESTATED STADIUM USE AGREEMENT (this “**Agreement**”) is executed and delivered on the 19th day of February, 2016 and made effective as of February 19, 2016 (the “**Effective Date**”) by and between Minnesota Sports Facilities Authority, a public body and political subdivision of the State of Minnesota (the “**Authority**”), and Minnesota Vikings Football Stadium, LLC, a Delaware limited liability company (the “**StadCo**”). The Authority and StadCo may each be referred to herein as a “**Party**,” or collectively, the “**Parties**.”

RECITALS

A. Minnesota Vikings Football, LLC, a Delaware limited liability company (the “**Team**”) holds, owns, and controls a professional football franchise that is a member of the National Football League (“**NFL**”).

B. In 2012, the Minnesota legislature, finding that the expenditure of public money for the construction, financing, operation, and long-term use of a multi-purpose stadium and related infrastructure as a venue for an NFL team in Minnesota and a broad range of other civic, community, athletic, educational, cultural, and commercial activities serves a public purpose, enacted legislation (the Act) creating the Authority and authorizing the construction of a stadium and related stadium infrastructure in the City of Minneapolis, Minnesota (the “**City**”).

C. The Minnesota legislature provided for the public financing of a stadium and related stadium infrastructure, with certain private contributions and contributions by the Team, and for tax-exempt ownership of such stadium and related stadium infrastructure by the Authority.

D. On October 3, 2013, the Authority and the Team entered into that certain Stadium Use Agreement (the “**Original Agreement**”).

E. In connection with certain financing arrangements anticipated for the Stadium and Stadium Infrastructure, on October 3, 2013, the Team assigned the Original Agreement to StadCo pursuant to the Original Agreement Assignment, consistent with the terms of **Section 23.1(a)** hereof.

F. In order to incorporate certain technical corrections and supplement the Original Agreement, the Authority and StadCo entered into that certain Amended and Restated Stadium Use Agreement (the “**Amended and Restated Agreement**”) to amend and restate the Original Agreement and, in so doing, the Original Agreement was superseded in its entirety so that all of the terms and conditions contained in the Amended and Restated Agreement superseded and replaced the terms of the Original Agreement. Upon execution and delivery of the Amended and Restated Agreement the Original Agreement had no further force and effect. The Amended and Restated Agreement in no way impacts the effectiveness or validity of the Original Agreement Assignment. The Team joined in the execution of the Amended and Restated Agreement for the limited purposes of (i) providing its acknowledgment and agreement (A) to the amendment and

restatement of the Original Agreement, and (B) that it would be bound to its continuing obligations under the provisions of the Amended and Restated Agreement, and (ii) confirming and affirming that the Team continued to retain under the Amended and Restated Agreement the rights the Team retained under the Original Agreement pursuant to the Original Agreement Assignment, which assignment is not affected or otherwise changed by the terms of this Agreement.

G. From and after the date of the Amended and Restated Agreement on November 22, 2013, the Parties have executed and delivered three (3) amendments to the Amended and Restated Agreement, respectively dated February 10, 2014, August 22, 2014, and March 27, 2015. This Agreement contains further amendments to the Amended and Restated Agreement, each of which have been approved by the Parties for incorporation to this Agreement. The amendments described in this Recital are collectively referred to herein as the “**Amended and Restated Agreement Amendments.**”

H. In order to incorporate the Amended and Restated Agreement Amendments, the Authority and StadCo enter into this Agreement to amend and restate the Amended and Restated Agreement and, in so doing, the Amended and Restated Agreement is superseded in its entirety so that all of the terms and conditions contained in this Agreement shall supersede and replace the terms of the Amended and Restated Agreement. Upon execution and delivery of this Agreement, the Amended and Restated Agreement shall have no further force and effect. This Agreement shall in no way impact the effectiveness or validity of the Original Agreement Assignment. The Team is joining in the execution of this Agreement for the limited purposes of (i) providing its acknowledgment and agreement (A) to the amendment and restatement of the Amended and Restated Agreement, and (B) that it shall be bound to its continuing obligations under the provisions of this Agreement, and (ii) confirming and affirming that the Team continues to retain under this Agreement the rights the Team retained under the Original Agreement pursuant to the Original Agreement Assignment, which assignment is not affected or otherwise changed by the terms of this Agreement.

I. Pursuant to the Act, the Authority and the Team on October 3, 2013, entered into a long-term agreement concerning the use of the Stadium, which is referred to herein as the Football Playing Agreement, and such agreement is set forth in **Exhibit J**, pursuant to which the Team and the Authority made certain additional agreements and undertook certain additional covenants and obligations with respect to the Stadium under the Amended and Restated Agreement.

J. In furtherance of the purposes of the Act, the Authority and the Team entered into that certain Development Agreement dated October 3, 2013 (the “**Development Agreement**”), which (i) was assigned by the Team to StadCo, and (ii) was concurrently with the Original Agreement amended and restated on November 22, 2013, by the Authority and StadCo to be effective as of October 3, 2013 (after giving full effect to the Team assignment of the Development Agreement to StadCo), pursuant to which the Stadium and related Stadium Infrastructure to be owned by the Authority is to be constructed in the City. The Development Agreement has been since amended and restated as set forth therein.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing Recitals, which are hereby incorporated into this Agreement, and the mutual promises, undertakings and covenants hereinafter set forth, and intending to be legally bound hereby, the Authority and the Team covenant and agree as follows:

**ARTICLE 1.
DEFINITIONS; CONSTRUCTION OF TERMS**

SECTION 1.1. Definitions. Capitalized terms used in this Agreement shall have the meanings set forth in **Exhibit A**.

SECTION 1.2. Construction of Terms. As the context of this Agreement may require, terms in the singular shall include the plural (and vice versa) and the use of feminine, masculine or neuter genders shall include each other. Wherever the word “including” or any variation thereof is used herein, it shall mean “including, without limitation” and shall be construed as a term of illustration, not a term of limitation. Whenever the phrase “in consultation with the Team” or any phrase of similar meaning is used herein, it shall mean, at a minimum, that (i) the Team is given reasonable advance written notice of any in-person, telephonic or similar meetings at which the subject matter of the consultation will be discussed, (ii) the Team shall be allowed to participate in discussions regarding the subject matter of the consultation and submit proposals related thereto, and (iii) the Person obligated to consult with the Team shall in good faith consider the input of the Team. Whenever any reference is made to a Person hereunder, such reference shall include that Person’s successors and permitted assigns. Whenever the words “approve” or “approval” are used herein, they shall mean approval in a Person’s sole discretion.

**ARTICLE 2.
INITIAL TERM OF AGREEMENT; RENEWAL TERMS**

SECTION 2.1. Initial Term. This Agreement shall be effective upon the Effective Date; **provided, however**, (i) this Agreement must be executed and delivered with the Development Agreement in order for this Agreement to be effective, and (ii) the Initial Term (as defined below) of this Agreement shall commence on the date of Substantial Completion of the Stadium and Stadium Infrastructure (the “**Commencement Date**”). When the Commencement Date is established, the Parties shall execute and deliver an “Acknowledgment of Commencement Date” in the form attached to this Agreement as **Exhibit B**. The initial term of this Agreement shall end at the earlier of (a) the Team’s final Team Game of the 30th NFL Season played by the Team in the Stadium after the Commencement Date (it being understood that if the Team plays less than all of its Team Games in the Stadium during the first NFL Season after the Commencement Date, such use of the Stadium by the Team shall nonetheless constitute one (1) NFL Season), and (b) thirty (30) years after the Commencement Date (the “**Initial Term**”). At the end of any Term, unless renewed in accordance with **Section 2.2**, the Team shall have thirty (30) days thereafter to remove its property from the Stadium, Stadium Infrastructure, and Stadium Site.

SECTION 2.2. Renewal Terms. Provided that no material Team Event of Default shall have occurred and be continuing under this Agreement, the Team shall have the right to extend

the term of this Agreement for up to four (4) consecutive renewal periods of five (5) years each (if exercised, each five (5) year period being referred to as a “**Renewal Term**,” and the Initial Term and all Renewal Terms referred to together as the “**Term**”). To extend the term of this Agreement for a Renewal Term, the Team must give written notice to the Authority not later than one (1) year prior to the expiration of the Initial Term or the current Renewal Term, as the case may be (the “**Renewal Date(s)**”). This Agreement shall be renewed subject to all of the terms and conditions contained herein as in effect on the Renewal Date. With respect to any potential sources of funding from the State or any of its political subdivisions for a Renewal Term for the Capital Reserve Fund and Operating Expenses which are not presently provided for by the Act or other Applicable Law, the Authority will make good faith efforts, in coordination with the Team, to identify and advocate for such funding sources at least five (5) years prior to the expiration of the Initial Term or any applicable Renewal Term. If the Team fails to properly provide such notice on or before a Renewal Date, or if the Parties are unable to secure adequate sources of funding from one or more Governmental Authorities for such Renewal Term prior to the expiration of the Initial Term or Renewal Term, as the case may be, this Agreement shall expire, absolutely and without the need for notice from either Party to the other and thereafter the Team shall have no obligation to play any Team Game in the Stadium. The Authority acknowledges and agrees that, if adequate funding sources from the State or any of its political subdivisions for the Capital Reserve Fund and Operating Expenses are not committed, by Applicable Law or otherwise, for any Renewal Term at least three (3) years prior to the expiration of the Initial Term or any current Renewal Term, as the case may be, it will be reasonable, appropriate and commercially prudent for the Team to (i) explore options with third Persons regarding a new or different facility in which to play Team Games following expiration of the Initial Term or any Renewal Term, as the case may be, and (ii) enter into such agreements, contracts and understandings with such third Persons as are mutually acceptable to the Team and such third Persons.

ARTICLE 3.
STADIUM USE AND SCHEDULING

SECTION 3.1. Stadium Use Generally; Suitability for Use. The Authority, in consideration of the Use Fee (as defined in Section 4.1), the representations, warranties, covenants and agreements of the Team and such other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by the Authority, does hereby grant the Team the right to use and possession of and access to the Stadium, Stadium Infrastructure and Stadium Site, as applicable, and as legally described in Exhibit C-2, subject to the terms and conditions set forth in this Agreement. The property legally described in Exhibit C-1 is a preliminary legal description of the possible property to comprise the Stadium, Stadium Infrastructure and Stadium Site. The Parties hereby covenant to update Exhibit C-2 within one hundred eighty (180) days following the Commencement Date to reflect the final legal description of the Stadium, Stadium Infrastructure and Stadium Site; **provided, however**, the Parties may update Exhibit C-2 at any time and may file any updated Memorandums of Stadium Use Agreement to supplement or replace Exhibit I to this Agreement. The Parties acknowledge and agree that the Stadium and Stadium Infrastructure are to be a venue for professional football and a broad range of other civic, community, athletic, educational, cultural, and commercial activities; **however**, the Parties agree that (i) the Team is the primary user of the Stadium, and

(ii) the use of the Stadium, and the priority for use of the Stadium, shall be as set forth in the remainder of this **Article 3**. If the Stadium and Stadium Infrastructure are constructed in accordance with the Development Agreement Documents, upon issuance of a certificate of occupancy, the Team shall stipulate and agree, in the “Acknowledgment of Commencement Date” attached to this Agreement as **Exhibit B**, that the Stadium and Stadium Infrastructure are, as of the Commencement Date, fit for their intended purpose and suitable for use hereunder.

SECTION 3.2. Team’s Uses of and Access to the Stadium; Invitees.

(a) Permitted Uses. Subject to the terms and conditions of this Agreement, the Team shall have the exclusive right to the use and possession of and access to the Stadium, Stadium Infrastructure and Stadium Site to (i) engage in and conduct Team Stadium Events, (ii) use, possess and occupy the Team Year-Round Use Areas and Team Allocated Spaces, and (iii) use and possess the Stadium, Stadium Infrastructure and Stadium Site as granted herein. In conducting Team Stadium Events, the Team shall not conduct any activity reasonably likely to damage the Stadium, Stadium Infrastructure, or Stadium Site beyond ordinary and reasonable wear and tear. No part of the Stadium, Stadium Infrastructure or Stadium Site will be used by the Team in a manner that is unlawful. No portion of the Stadium, Stadium Infrastructure or Stadium Site will be used by the Team, or in connection with any Team Stadium Event, for any gun shop or other store whose primary business is the sale of guns or other weapons; for any adults-only use, such as the sale or display of adults-only books, periodicals, or tapes, adults-only motion pictures, and adult entertainment; for any pawn shop; or for any so-called head shop. The Team shall use the Stadium, Stadium Infrastructure, and Stadium Site in compliance with all Applicable Laws.

(b) Team Exclusive Rights. Except for the Super Bowl and the Pro Bowl (or other NFL designated event), the Team shall have the exclusive right to exhibit professional football games at the Stadium while this Agreement is in effect. University of Minnesota-Twin Cities football games, collegiate football games of any nature, Semi-Professional Football Games, high-school or youth football games, and other amateur football events shall not be considered to be professional football games within the meaning and for purposes of this **Section 3.2(b)**; **provided, however**, that notwithstanding the foregoing:

- (i) with respect to collegiate football games (other than University of Minnesota-Twin Cities collegiate football games) the Authority shall not schedule or otherwise allow any such collegiate football game to be held or otherwise played in the Stadium unless the Team has provided its Consent to such collegiate football game, such Consent to be limited solely to the timing (i.e., the date and time) of such collegiate football game that may impact a Team Game and changes, if any, to the Field (including the addition or deletion of markings on the Field and any changes to the playing surface), playing areas, and sidelines; and
- (ii) with respect to University of Minnesota-Twin Cities collegiate football games, the Authority shall not schedule or otherwise allow to be played at the Stadium such games unless the Authority has made such a decision in

consultation with the Team and the Team has provided its Consent to such game(s).

Notwithstanding anything to the contrary herein, all non-professional football games of any kind or nature shall be subject to **Section 3.4** and **Section 3.5**.

(c) **Team Access.** For each Team Stadium Event, the Team and its contract vendors and other agents shall have free and unfettered exclusive access to and use of the Stadium, Stadium Infrastructure, and Stadium Site (or such portion(s) of such areas required for each Team Stadium Event on the dates of Team Stadium Events), subject to the Authority's rights specified herein. The Team shall also have exclusive use of (subject to the Authority's rights and responsibilities in this Agreement) all areas of the Team Year-Round Use Areas and the Team Allocated Spaces on a year-round basis with no restriction on access. The Authority recognizes and agrees that access to and use of the Stadium and Field by Team personnel for purposes of practice is important to the Team, and the Authority agrees, at mutually agreed upon times and dates, to allow access to the Stadium and Field for purposes of (i) practice and preparation by players, coaches and other Team personnel during the NFL Season, and (ii) certain designated NFL activities (e.g., mini-camp and certain limited activities related to training camp) occurring at times other than during a NFL Season. Such access pursuant to the preceding sentence shall not be deemed a Team Event or Additional Team Event.

(d) **Invitees.** For the avoidance of doubt, the Team's rights under this Agreement shall in all cases include the right of the Team to invite Invitees to use and occupy the Stadium, Stadium Infrastructure, Stadium Site or any or all of the applicable portions thereof; **provided, however,** that in no event shall the Team's Invitees be deemed to have greater rights or licenses than the Team itself. In addition, the Authority agrees that the Team and its Invitees are granted any and all necessary or appropriate rights of ingress and egress to and from the Stadium, Stadium Infrastructure and Stadium Site for the use and occupancy thereof and all uses related thereto.

(e) **Covenant Regarding Tax-Exempt Status of Tax-Exempt Bonds.** The Team acknowledges that the Authority entered into that certain General Fund Appropriation Bond Proceeds Grant Agreement dated November 22, 2013 pursuant to which this Agreement must contain the agreement of the Authority and the Team to (i) comply with provisions of the Internal Revenue Code applicable to tax-exempt bonds, and (ii) cooperate with the State in the event of an Internal Revenue Service information data request, investigation or audit with respect to tax-exempt bonds. Consistent with this requirement, the Authority and StadCo have entered into that certain Agreement Regarding State Tax-Exempt Bonds which is set forth in its entirety as **Exhibit O** to this Agreement.

SECTION 3.3. Authority's Uses of and Access to the Stadium.

(a) **Permitted Uses.** Subject to the Team's exclusive and non-exclusive rights of occupancy and use, as applicable, granted in **Section 3.2** hereof, the Authority shall have the exclusive right to use and operate the Stadium, Stadium Infrastructure, and Stadium Site for any lawful purpose and to hold any Authority Event, which shall include any activities or events of any nature, including concerts, other musical performances, theatrical presentations, religious

gatherings, corporate events, business conferences, convention meetings, banquets and other functions, community festivals, cultural, athletic, educational, commercial and entertainment events and any other event or activity, whether similar or dissimilar to the foregoing, parking and other uses that may be ancillary or related to the operation and use of the Stadium, Stadium Infrastructure, and Stadium Site so long as such events do not or could not reasonably be expected to (i) constitute a breach of this Agreement, including the provisions relating to scheduling priority set forth in **Section 3.5**, (ii) conflict with conducting any Team Stadium Event, or (iii) adversely affect or alter the Stadium (including the Field), Stadium Infrastructure or Stadium Site for Team Stadium Events. Notwithstanding anything to the contrary in this **Section 3.3(a)**, no portion of the Stadium, Stadium Infrastructure or Stadium Site will be used by the Authority, or in connection with any Authority Event, for any gun shop or other store whose primary business is the sale of guns or other weapons; for any adults-only use, such as the sale or display of adults-only books, periodicals, or tapes, adults-only motion pictures, and adult entertainment; for any pawn shop; or for any so-called head shop. The Authority shall use the Stadium, Stadium Infrastructure, and Stadium Site in compliance with all Applicable Laws.

(b) **Authority Access.** The Authority and the Manager shall have reasonable access to all areas of the Stadium, Stadium Infrastructure, and Stadium Site during Team Stadium Events to accomplish the Authority's duties to own, operate and maintain the Stadium, Stadium Infrastructure, and Stadium Site. The Authority, Concessionaires, maintenance or other contractor(s), and Manager personnel whose presence is reasonably necessary during Team Stadium Events to accomplish the Authority's duties to own, operate and maintain the Stadium, Stadium Infrastructure, and Stadium Site shall require no admission pass or ticket for access to the Stadium, Stadium Infrastructure, and Stadium Site in connection with such duties during Team Stadium Events, but shall be subject to NFL Rules and, if applicable, MLS rules and regulations with respect to credentialing for Team Games and Team MLS Soccer Games. The Team will control and facilitate the credentialing that will be required for such Authority personnel or related operating and maintenance personnel for Team Stadium Events. The Authority shall not have credentialing authority for any Team Stadium Event.

SECTION 3.4. Team Game Use of the Stadium.

(a) **Exclusive Use for Team Games.** The Team shall have exclusive use and possession of the Stadium, except for the Authority's offices and other similar type space reasonably designated by the Authority as necessary to operate and maintain the Stadium, Stadium Infrastructure and Stadium Site, commencing no later than 12:01 a.m. on the date of each Team Game; **provided, however,** the Team shall share use and possession of the Stadium with the Authority during the period that is reasonably required for the Authority to conclude an Authority Event held on the prior day. No Authority Event will be scheduled or allowed to take place at the Stadium or Stadium Infrastructure or within the Stadium Site on the date of any Team Game, except with the prior written approval of the Team. The Authority does not relinquish the right to control the management and operation of the Stadium, Stadium Infrastructure and Stadium Site and does not relinquish the right to access, for the purposes of managing, maintaining, or operating the Stadium, all portions of the Stadium at times when the Team is using the Stadium.

(b) Activities Attendant to Team Games. During the times the Team is using the Stadium for its Team Games, including prior to and for up to four (4) hours after Team Games, the Team may stage activities attendant to the Team Game on the Stadium Site and on the Field, except the Team shall not stage any activity that (i) is detrimental to the health, safety and welfare of people at the Stadium Site or (ii) is detrimental to the Stadium Site or (iii) is a Competitive Event or (iv) is unlawful. The Team shall give the Authority reasonable written documentation for any activity attendant to the Team Game before staging such activity.

SECTION 3.5. Scheduling.

(a) Stadium Events Scheduling and Scheduling Policy. All Stadium Events shall be scheduled according to the scheduling policy set forth in this Agreement. Subject to the Authority's right to schedule certain Authority Events as set forth in **Section 3.5(b)(ii)**, this scheduling policy shall give first and absolute priority to Team Games, Possible NFL Game Days, Team MLS Soccer Games, and up to five (5) Team Events ("**Team Priority Events**") each year.

(b) Team Games and Team MLS Soccer Games.

- (i) Notification to Authority of NFL Schedule. As soon as reasonably practicable after the Team's then upcoming NFL Season schedule is set and made public by the NFL, the Team shall notify the Authority of the Team's then upcoming NFL Season schedule which then shall be deemed the schedule of the Team Games for that NFL Season, subject to change by the NFL and pursuant to **Section 3.5(f)**.
- (ii) Limitations on Scheduling Authority Events During NFL Season. The Authority shall not schedule Authority Events for any Possible NFL Game Day until after the NFL has set and made public the Team's schedule for the then upcoming NFL Season and then only on days during such NFL Season when the Team is not scheduled to play Team Games; **provided, however,** that the Authority may, notwithstanding the preceding scheduling limitation, schedule Authority Events on Possible NFL Game Days before the NFL Season schedule is set and made public by the NFL if the Authority complies with all of the following requirements: (A) such Authority Events must be scheduled prior to February 1 of the then upcoming NFL Season, (B) the Authority must preserve the availability of the Stadium and Stadium Infrastructure for possible Team Games on at least thirteen (13) Sundays and eight (8) Mondays during the regular season of each NFL Season; **provided, however,** in the event the NFL Season is expanded to include additional NFL football games, the number of Sundays and Mondays preserved under this clause (B) shall each be increased by a number equal to the number of additional NFL football games added to the NFL Season, (C) the Authority must not schedule an Authority Event on a Possible NFL Game Day during the first two (2) weeks and last two (2) weeks of the regular season of any NFL Season, (D) the Authority must not schedule Authority Events on consecutive

Sundays during the NFL Season, and (E) the Team shall have the absolute right to play a Team Game at the Stadium on the Thursday preceding the first weekend of regular season play during the NFL Season following a NFL Season in which the Team has won the Super Bowl. During each NFL Season, the Stadium will be reserved for potential NFL playoff games in accordance with NFL Rules and the Team shall have the exclusive right to play Team Games at the Stadium on all days on which the NFL schedules postseason games (including playoff and championship games) until such time as the Team has been eliminated as a possible participant in such game or games as the home team, or it has been finally determined by the NFL that such game or games are to be played elsewhere.

(iii) MLS Soccer. The Team shall give advance notice of its schedule of Team MLS Soccer Games as permitted by the MLS scheduling processes. Once a Team-Owned MLS Franchise has been secured by the Team, the Authority and the Team will establish a scheduling process for Team MLS Soccer Games, including appropriate deadlines for the scheduling of such events, in a separate agreement.

(c) Team Priority Events. The Authority and the Team will annually establish a process for scheduling of and access to the Stadium Site for Team Priority Events.

(d) Team Schedule Accommodations and Exclusions. The Team will make reasonable and necessary accommodations for other users of the Stadium, Stadium Infrastructure and Stadium Site consistent with the scheduling provisions of this Agreement; **provided, however,** the Team shall be under no obligation to make accommodation for other users of the Stadium, Stadium Infrastructure and Stadium Site if such use conflicts with the scheduled use of the Stadium, Stadium Infrastructure, and Stadium Site by the Team for Team Games, Team MLS Soccer Games and Team Priority Events. The Parties recognize and agree that pursuant to Minnesota Statutes section 473J.13, subdivision 3, the Authority will work to maximize access for public and amateur sports, community and civic events, and other public events in type and on terms consistent with those held at the Existing Stadium, subject to the scheduling provisions of this Agreement.

(e) Team Access to Stadium and Field for Team Games. The Authority and the Team will work together to provide the Team reasonable access to the Stadium and Field during each NFL Season for purposes of kicking, punting and other practice activities. Subject to the availability of the Stadium, the Parties agree that the foregoing access for practice purposes is generally anticipated to be Wednesday, Thursday or Friday prior to each NFL game during the NFL Season. In the event that this access conflicts with an Authority Event or the set-up for an Authority Event, the Authority and the Team shall work together in good faith to find a reasonable amount of time and space for the Team's practice activities. Notwithstanding the foregoing, the Team shall have full access to the Stadium and the Field on Team Game Days in accordance with **Section 3.4**.

(f) Rescheduling and Schedule Conflicts. The Authority recognizes the NFL's use of "flexible scheduling" and agrees that any Team Game may be rescheduled in accordance with the "flexible scheduling" rules, regulations and policies of the NFL in effect from time to time, which currently encompasses November, December and January of the NFL Season, the Team shall also have the absolute right to play a Team Game at the Stadium each Thursday, Saturday, and Monday, which shall be adjacent to a Sunday that has been scheduled for a Team Game if (i) such date is included in the NFL's then existing "flexible scheduling" period, and (ii) upon which day there is no Authority Event scheduled in the Stadium as of the prior February 1. In addition, the Team shall have the right to designate, and later change in its sole discretion upon not less than five (5) Business Days' notice to the Authority, the time of day at which any Team Game is to be played at the Stadium, so long as such rescheduled time does not prevent the Authority from hosting previously scheduled Authority Events. In the event of an emergency arising on, or immediately prior to, a Team Game, the Team and the Authority shall work together in good faith in making any decision to change the time or day that the Team Game is to be played. In addition to the use of "flexible scheduling" by the NFL, the Authority acknowledges that from time to time, the NFL may require the Team to postpone or reschedule a Team Game. To the extent it becomes necessary to reschedule a Team Game due to a request by the NFL, the Authority shall accommodate the revised Team Game schedule so long as it does not conflict with an Authority Event. If the revised Team Game schedule does conflict with an Authority Event properly scheduled in accordance with this Agreement, then the Authority shall not be required to reschedule the Authority Event; however, (i) the Authority shall make reasonable commercial efforts to reschedule the Authority Event, and (ii) if such Authority Event cannot be rescheduled, the Authority shall assist the Team in good faith in finding an alternative day or time for the Team Game that does not conflict with an Authority Event, and, if an alternative day or time cannot be agreed upon, an alternative site for the Team Game. Except as otherwise provided in this Agreement, assuming that the Authority has complied with its covenants regarding rescheduling Team Games, the Authority shall not be responsible to the Team for any Losses incurred in connection with rescheduling a Team Game, and the Team shall remain responsible for any other payment payable by the Team to the Authority under this Agreement.

(g) Non-Scheduled Additional Team Stadium Events. Any additional dates, other than those provided for above, which may be requested by the Team for Team Events (that are not Team Priority Events) and for Additional Team Events shall be considered by the Authority after taking into account scheduling priorities, scheduled or planned Authority Events, and the goal of maximization of public access to the Stadium.

(h) Team Non-Competition Understanding.

(i) Team acknowledges that the Team's right to schedule a Team Event and an Additional Team Event relates only to Team Events and Additional Team Events that are not Competitive Events, unless expressly agreed to in writing by the Authority. For the avoidance of doubt, nothing in this Agreement shall restrict or otherwise prevent the Team or its Affiliates from acting in the capacity of a promoter of any Competitive Event, in

which case such Competitive Event will be an Authority Event (and not a Team Event or Additional Team Event) hereunder.

- (ii) **“Competitive Events”** shall mean a commercial or public event, other than a Team Game (including half-time) or a Team MLS Soccer Game (including half-time), that the Team desires to organize or schedule at the Stadium (A) that is a revenue generating event for venues of a like size and nature as the Stadium; (B) that impacts the ability of the Authority to attract a similar event to the Stadium; or (C) that is an event for which admission or usage fees are charged; **provided, however,** that notwithstanding anything to the contrary in the foregoing, so long as there is no violation of (A) or (B) above, the Team may charge admission or usage fees for the following NFL-related events: (1) draft day events; (2) pre-game or post-game entertainment (subject to **Section 3.4(b)**) arranged in connection with Team Game (for which activities the Team may not charge a separate admission or usage fee); (3) charitable events in which all proceeds related to the event are donated to a qualified non-profit organization; (4) Football 101 clinics for fans; (5) Fantasy Football Day; or (6) any other NFL football-related event for or with season ticketholders, Team sponsors or licensees of Annual Suites offered on an exclusive basis to fewer than five thousand (5,000) attendees. If the Team conducts a Team Event under subpart (6) above for five thousand (5,000) or more attendees, the Team shall be allowed to conduct such Team Event only with the Consent of the Authority; **provided** that (y) the Team agrees to equally share with the Authority all revenue, net of Stadium-related event expenses incurred by the Team associated therewith, generated at such Team Event (e.g., concession revenues, but excluding revenues arising under sponsorship, license and other rights agreements with the Team), and (z) the Stadium-related event expenses associated with such Team Event are commercially reasonable; **provided, however,** that, notwithstanding the foregoing, the Team may hold one (1) Team Event annually for the Naming Rights Sponsor of the Stadium, which is (I) only for employees or shareholders of such Naming Rights Sponsor or (II) for which the Authority gives Consent, without regard to the number of attendees at such Team Event and without any obligation to share revenue with the Authority.

SECTION 3.6. Covenant to Play Team Games at Stadium. Subject to the provisions related to international games as set forth in **Section 3.7** and unless otherwise interfered with by any Untenantability Period, the Team agrees that, beginning on the Commencement Date and ending on the expiration of the Term, during each NFL Season, the Team will play all Team Games at the Stadium. If the Team initially begins using the Stadium after the start of an NFL Season, only the remainder of the Team Games of that NFL Season will be played at the Stadium, but such use shall nonetheless constitute a full NFL Season of use by the Team as provided in **Section 2.1**. It is understood and agreed that games played at a neutral site that are not part of the regular NFL Season are not Team Games and such games will not reduce the

number of Team Games played at the Stadium in any given season. The Team shall not be required to play Team Games at the Stadium during any Untenantability Period. During any period of a temporary taking under Section 31.5, (or such longer period as is reasonably necessary to allow the Team to make suitable alternate arrangements) the Team shall be entitled to make arrangements for an alternate site for Team Games.

SECTION 3.7. International Games.

(a) International Games Exception to Home NFL Games. Notwithstanding its covenant to play Team Games at the Stadium, the Team may play up to three (3) Team Games at a venue outside of the United States during the first fifteen (15) years of the Initial Term and play up to three (3) Team Games at a venue outside of the United States during the second fifteen (15) years of the Initial Term; **provided, however**, that if any Team Games are played at a venue outside the United States that would otherwise have been played at the Existing Stadium prior to the 2016 season, such game(s) would reduce the number of remaining games that could be played under this Section 3.7 during the first fifteen (15) years of the Initial Term. During a Renewal Term, if any, the Team may play one (1) Team Game at a venue outside of the United States during such Renewal Term. For the avoidance of doubt, nothing in this Agreement shall restrict the number of NFL games the Team may play outside of the United States when the Team is designated by the NFL as the visiting or away team for such game.

(b) No Cost or Reimbursement to the Authority. Any Team Games that are played outside of the United States subject to Section 3.7(a) above shall not require any reimbursement or payment to the Authority for any costs, expenses or lost revenues of any kind or nature associated with such game and shall not otherwise reduce any other payment payable by the Team to the Authority under this Agreement.

(c) Notice of International Games Schedule. The Team shall provide the Authority advance written notice of its intent to play a Team Game at a venue outside of the United States upon scheduling by the NFL, but not later than six (6) months before the start of the then upcoming NFL Season.

SECTION 3.8. Major League Soccer Rights. The Authority hereby grants the Team the exclusive right, for a period of five (5) years after the first Team Game is played in the Stadium, to establish an MLS franchise at the Stadium (the “**Exclusive Soccer Option**”). From the Effective Date until the expiration of the Exclusive Soccer Option period, neither the Authority nor any other Person (other than the Team and its owners) shall have the right to establish an MLS soccer franchise to play professional MLS soccer at the Stadium. If the Team exercises its Exclusive Soccer Option and establishes an MLS franchise at the Stadium, the Authority will not allow any third Person to play professional soccer at the Stadium during the time that the Team maintains such MLS soccer franchise at the Stadium without Team approval; **provided, however**, that notwithstanding anything to the contrary in the foregoing, the Authority may allow, subject to Section 3.4 and Section 3.5, amateur soccer matches, World Cup professional soccer matches, and international professional soccer matches to be played at the Stadium, or other matches that do not include domestic professional soccer teams. If, during the term of the Exclusive Soccer Option, any of the Team owners whose family owns at least three percent (3%) of the Team purchases a full or partial ownership in an MLS franchise based in the State

(referred to herein as a “**Team-Owned MLS Franchise**”), such Team-Owned MLS Franchise shall have the right to play in the Stadium under a use agreement with terms, as reasonably appropriate, that are comparable to those applicable to the Team (e.g., operating, scheduling priority, and revenue and expense terms) under this Agreement, which shall include rent based on market conditions and payment of any and all expenses equivalent to Team Event-Day Expenses and Operating Expense as provided by the Act. Any and all costs related to Capital Improvements required by the Team-Owned MLS Franchise shall be paid by the owners of the Team-Owned MLS Franchise, unless otherwise agreed to by the Authority.

SECTION 3.9. City Park Use Rights. The Authority intends to enter into a “Park Use Rights” agreement with the City that is intended generally to set forth the essential terms agreed upon by the City, the Authority and the Team with respect to an urban park located to the west of the Stadium and the Plaza (the “**Park Use Agreement**”). The Park Use Agreement shall set forth certain rights and obligations with respect to the development and use associated with such urban park. The urban park is anticipated to consist of an area generally located by reference to the following boundaries: the blocks bound by Fourth Street, Fifth Street, Park Avenue and Portland Avenue and the block bound by Fourth Street, Fifth Street, Portland Avenue and Fifth Avenue (the “**Urban Park**”). Notwithstanding anything to the contrary in this **Section 3.9**, and subject to the final terms of the Park Use Agreement, (i) the Team shall be a third party beneficiary of the Park Use Agreement, (ii) the Authority and the Team shall have certain “real estate interests” specified in the Park Use Agreement that run with the land, and (iii) the Authority’s and the Team’s rights in the Park Use Agreement and the Urban Park are essential terms of this Agreement. The Authority shall make reasonable commercial efforts to assure that the foregoing provisions are in the final terms of the Park Use Agreement. The term sheet terms for the Park Use Agreement are subject to the approval of the Team prior to approval by the Authority. The Park Use Agreement is subject to approval of the Team prior to execution and delivery of such document by the Authority.

SECTION 3.10. Viking Legacy Ship. The Authority and the Team intend to enter into that certain “Viking Legacy Ship Development, Construction and Operation Agreement” (the “**Viking Legacy Ship Agreement**”) pursuant to which the Authority and the Vikings have determined to cooperatively design and construct an improvement referred to as the “Viking Legacy Ship” to the Stadium Site on the southwest corner of the Plaza at the corner of 6th Street and Chicago Avenue (the “**Viking Legacy Ship**”). When executed and delivered by the Authority and the Team, the Viking Legacy Ship Agreement will be attached to this Agreement as **Exhibit R** and incorporated by reference herein. The Viking Legacy Ship Agreement will set forth certain rights and obligations of the Authority and the Team with respect to the development, construction, operation and maintenance, and capital repairs and improvements with respect to the Viking Legacy Ship.

ARTICLE 4.
USE FEE, PAYMENTS AND OTHER FINANCIAL MATTERS

SECTION 4.1. Use Fee. For its use of the Stadium, Stadium Infrastructure, and Stadium Site for Team Games and Team Events, and its use of the Team Year-Round Use Areas and Team Allocated Spaces, during the Initial Term and any Renewal Term, the Team shall be obligated to pay a use fee (the “**Use Fee**”), which shall be the sum of (a) the Operating Cost

Payment, (b) the Capital Cost Payment, (c) the Team Event-Day Expenses, and (d) all other sums and charges required to be paid to the Authority by the Team pursuant to the terms of this Agreement. For the avoidance of doubt, if the last months of the Initial Term, or any Renewal Term, do not include a Team Game, no Use Fee, rent or other expenses (except associated with an Additional Team Event or any Team Event-Day Expenses that may be incurred related to a Team Stadium Event) shall be due from the Team for that portion of the Initial Term or any Renewal Term that extends beyond the last Team Game of the last NFL Season played by the Team in the Stadium during the Initial Term or any Renewal Term. The Team-Owned MLS Franchise will, however, be required to pay for each Team MLS Soccer Game (i) a use fee in the amount of Twenty Thousand Dollars (\$20,000), increased by three percent (3%) each year after the first season, and (ii) all costs and expenses associated with such Team MLS Soccer Games, pursuant and subject to a written separate agreement by and between the Team-Owned MLS Franchise and the Authority.

SECTION 4.2. Operating Cost Payment.

(a) Payment and Annual Increase. As payment for its occupancy and use of the Stadium, Stadium Infrastructure and the Stadium Site, the Team shall be obligated to pay the Authority the sum of Eight Million Five Hundred Thousand Dollars (\$8,500,000) annually, increased by three percent (3%) each year during the Term, to defray the Operating Expenses of the Stadium, Stadium Infrastructure, and Stadium Site (“**Operating Cost Payment**”). The Operating Cost Payment required hereunder from the Team during each year of the Term is set forth on **Schedule 1**.

(b) Timing of Payments. Subject to **Section 4.4(a)**, the Team shall make the initial Operating Cost Payment (i) one-half (1/2) on or before May 15, 2016 (or May 15 of the first year in which the first Team Game is played at the Stadium), and (ii) the second half payment shall be paid in seven (7) equal installments on or before the following dates June 15th, July 15th, August 15th, September 15th, October 15th, November 15th and December 15th. Beginning in the following year and continuing through the remainder of the Initial Term and any Renewal Term, each annual Operating Cost Payment shall be paid in six (6) equal installments on or before the following dates: July 15th, August 15th, September 15th, October 15th, November 15th, and December 15th.

(c) Authority Deposit and Uses. The Operating Cost Payments are intended to defray the Authority’s responsibility for payment of Operating Expenses. The Authority, in its discretion, may deposit Operating Cost Payments into an operating cost reserve managed and controlled by the Authority, or into the Authority’s general account to be used to pay Operating Expenses of the Stadium consistent with the Authority’s approved budgets for operations of the Stadium or for any other use associated with the Stadium. Except as provided in **Section 26.2** and **Section 26.3**, the Team shall not have the right to control or limit the Authority’s use of the proceeds of Operating Cost Payments, or any amounts in any operating cost reserve or general account (or any investment earnings on any of the foregoing), or to seek a refund of all or any portion of the Operating Cost Payments on any grounds.

SECTION 4.3. Capital Cost Payment; Annual Increase. Subject to **Section 4.4(a)**, beginning on January 15, 2016 (or January 15 of the first year in which the first Team Game is

played at the Stadium) and thereafter on or before January 15 of each year during the remainder of the Initial Term and any Renewal Term, the Team shall pay the Authority the sum of One Million Five Hundred Thousand Dollars (\$1,500,000) annually, increased by three percent (3%) each year during the Term, to be held by the Authority in the Capital Reserve Fund solely for the purpose of providing a source of funding for Capital Enhancements for the Stadium and Stadium Infrastructure (the “**Capital Cost Payment**”). The Capital Cost Payment required hereunder from the Team during each year of the Term is set forth on Schedule 2. If the Initial Term or any Renewal Term would have ended at the end of an NFL Season, exclusive of post season NFL football games, then no Capital Cost Payment for the year of the next NFL Season shall be due in the event that no notice of renewal has been delivered by the Team for the Initial Term or Renewal Term, as applicable. Except as provided in Section 26.2 and Section 26.3, the Team shall not have the right to control or limit the Authority’s use of the proceeds of Capital Cost Payments, or any amounts in the Capital Reserve Fund or applicable account (or any investment earnings on any of the foregoing), or to seek a refund of all or any portion of the Capital Cost Payments on any grounds. Accordingly, for the avoidance of doubt, the Parties agree that the Capital Cost Payments by the Team made annually hereunder shall be treated as a payment for the use and occupancy of the Stadium, Stadium Infrastructure, and Stadium Site.

SECTION 4.4. Limitations on Payment of Operating Cost Payment and Capital Cost Payment.

(a) Precondition to, and Proration of Initial Operating Cost Payment and Capital Cost Payment. Prior to January 1, 2016, the Authority shall cause the construction manager for the Stadium and Stadium Infrastructure (the “**Construction Manager**”) to issue a report to the Team and Authority which confirms the Commencement Date and the date on which the Team shall commence use of the Stadium under this Agreement (the “**First Stadium Season**”). The Authority shall cause the Construction Manager to update such report on the first Business Day of each month thereafter, if necessary, for the purposes of determining the Commencement Date. If the Stadium will not be available for the Team’s use for all Team Games in the 2016-17 NFL Season, the initial Operating Cost Payment and initial Capital Cost Payment will be calculated and due as follows:

- (i) if the report by the Construction Manager states that the Team will not play any Team Games at the Stadium in the 2016-17 NFL Season, the initial Operating Cost Payment and initial Capital Cost Payment will be deferred by one (1) year, or until the year in which the Construction Manager anticipate completion of the Stadium and the Stadium Infrastructure and the occurrence of the First Stadium Season; or
- (ii) if the report provided by the Construction Manager anticipates that the Team will play some portion of its Team Games in the First Stadium Season at the Stadium but will have to play some other portion of that NFL Season’s Team Games at another location, the initial Operating Cost Payment and initial Capital Cost Payment will be prorated in an amount equal to a fraction, the numerator of which is the number of preseason and regular season Team Games played in the Stadium during the First Stadium Season and the denominator of which is the number of preseason

and regular season Team Games played during the First Stadium Season by the Team (regardless of the actual location of the Team Games). The Team shall make the prorated initial Operating Cost Payment and the prorated initial Capital Cost Payment in accordance with **Section 4.2(a)** and **Section 4.3**, respectively; **however** the date of the initial payments shall be delayed by an equivalent number of weeks that the report anticipates that the first Team Game being played in the First Stadium Season follows the first Team Game that would have been played in the Stadium if it had been operable for the entire NFL Season.

If the Team remits payments in accordance with a report by Construction Manager, and the Team's first Team Game in the Stadium occurs on a date different from the date projected, the Parties will adjust the Team's obligations in proportion to the actual number of Team Games played by the Team in the Stadium during such NFL Season and the resulting adjusted payment will, as applicable based upon whether the Team has underpaid or overpaid the prorated portion of the initial Operating Cost Payment and initial Capital Cost Payment in accordance with this **Section 4.4(a)**, be paid by (or to) the Team to (or by) the Authority within ten (10) Business Days after the first Team Game in the Stadium during the First Stadium Season.

(b) **Untenantability Period**. During any period following (i) the damage or destruction of the Stadium or the Stadium Infrastructure by fire or other casualty pursuant to **Article 28** or other Force Majeure event specified in **Article 29** pursuant to which a Team Game cannot reasonably be held or reasonably be foreseen to be held at the Stadium in accordance with NFL standards for exhibition of all NFL professional football games, as such standards may be determined by the NFL from time to time, or (ii) a temporary taking under **Section 31.5** (each an "**Untenantability Period**"), then the Team's Operating Cost Payment and Capital Cost Payment for each year in which the Untenantability Period exists will be prorated for such year in an amount equal to a fraction, the numerator of which is the number of preseason and regular season Team Games played in the Stadium during each such NFL Season in which the Untenantability Period exists and the denominator of which is the number of preseason and regular season Team Games scheduled to be played during each such NFL Season by the Team (regardless of the actual location of the Team Games). By way of clarification and not by way of limitation with respect to the rights and obligations of the Parties, for each NFL Season in which an Untenantability Period exists, (i) the Team shall, to the extent possible under Applicable Law, adjust downward the Operating Cost Payment and Capital Cost Payment for Team Games not played in the Stadium during the Untenantability Period in accordance with this **Section 4.4(b)** and (ii) the Authority shall, to the extent the Team has not adjusted downward the Operating Cost Payment and Capital Cost Payment as provided in clause (i) above, pay to the Team, in accordance with this **Section 4.4(b)** and within ten (10) Business Days after each Team Game not played at the Stadium because of an Untenantability Period, the prorated portion of the Operating Cost Payment and Capital Cost Payment paid by the Team to the Authority under this Agreement. The Team shall not be required to play Team Games at the Stadium during any Untenantability Period and, in furtherance of the foregoing, the Team shall have the exclusive right to make suitable alternate arrangements for, and exhibit and play, Team Games at a substitute location. With respect to any period of a temporary taking under **Section 31.5**, the Team shall be allowed to reasonably estimate the reasonable period of time required for

contractually committing to the suitable alternate arrangements, and shall not be in breach or violation of this Agreement if such contracted period exceeds the period of the temporary taking.

ARTICLE 5.
MANAGEMENT AND BUDGET; EXPENSES

SECTION 5.1. Authority Responsibility for Operations and Management. The Authority shall have sole responsibility for the operation, direction, maintenance, management and supervision of the Stadium, Stadium Infrastructure, Stadium Site, and its staff, subject to the terms of this Agreement. The Authority or its designees shall have the obligation to, and shall, provide, perform and take, or cause to be provided, performed or taken, such actions, either directly or through the Manager, as may be necessary or reasonably advisable to operate and maintain the Stadium and Stadium Infrastructure in a safe, clean, attractive, and first-class manner similar to and consistent with other comparable NFL facilities of similar design and age (the “**Expected Facility Standard**”) and in compliance with all Applicable Laws. The Team shall have the right to consult with the Authority and Manager in respect of Stadium and Stadium Infrastructure operations impacting the Team or Team Stadium Events, including with respect to Authority or Manager staff training and operating practices.

SECTION 5.2. Retention of Stadium Manager. The Authority and the Team will mutually agree on a third-party management company, individual or program manager and any successor or replacement manager (the “**Manager**”) to manage the Stadium and Stadium Infrastructure on behalf of the Authority. The Authority’s agreement with the Manager may provide for a fixed cost operating, management or employment agreement with operating cost protections under which the Manager may assume responsibility from the Authority for Stadium, Stadium Infrastructure and Stadium Site Operating Expenses, Capital Enhancements and shortfalls (but without relieving the Authority of its obligations under this Agreement), and the term of such agreement shall not initially extend beyond the Initial Term. The agreement with the Manager must require the Manager to prepare an initial and ongoing Operating Plan and Operating Budget for approval by the Authority, in consultation with the Team. The Manager must agree to manage the Stadium, Stadium Infrastructure and Stadium Site in accordance with this Agreement and the Authority approved Operating Plan and Operating Budget. The Team shall be a third party beneficiary of the Authority’s agreement with the Manager on terms agreed to by the Team and the Authority.

SECTION 5.3. Operating Plan. The Operating Plan will identify items such as the number and types of Stadium Events planned each year and shall not conflict with any provisions of this Agreement. The Operating Plan shall be updated by the Manager not less frequently than once each year. The Operating Plan shall accommodate the Team and Team-Owned MLS Franchise operating and schedule requirements and the Expected Facility Standard. Any material changes to the Operating Plan shall be approved by the Authority. Subject to **Section 5.6(f)**, if there are any Team-required amenities or NFL-Mandated Amenities which constitute material changes to the Operating Plan beyond the Expected Facility Standard, any such costs associated with those changes shall be at the Team’s sole expense, unless otherwise agreed to by the Parties.

SECTION 5.4. Annual Operating Budget. Based on the Operating Plan the Authority develops with the Manager pursuant to **Section 5.2**, each year the Manager shall prepare for approval by the Authority, in consultation with the Team, a budget (the “**Operating Budget**”) for the Authority with respect to the Stadium, Stadium Infrastructure and the Stadium Site, with such Operating Budget to provide for the operation and maintenance of such facilities in compliance with the Expected Facility Standard. Subject to **Section 5.6(f)**, if there are any Team required amenities or NFL-Mandated Amenities which constitute material changes beyond the Expected Facility Standard and requirements of this Agreement, any such costs associated with those changes shall be reflected in the Operating Budget and paid at the Team’s sole expense, unless otherwise agreed to by the Parties.

SECTION 5.5. Costs Payable by the Authority for Operations. The Authority shall be responsible for all Operating Expenses associated with the Stadium, Stadium Infrastructure and Stadium Site, except for Team Event-Day Expenses as provided in **Section 5.7**, Team Year-Round Use Areas and Team Allocated Spaces as provided for in **Section 14.1**, and any and all operating costs and expenses which are the responsibility of the Team under this Agreement. The costs which are the responsibility of the Authority, other than the extent to which they are a Team Event-Day Expense or responsibility of the Team as set forth herein, include:

- (i) Property taxes, if any (Stadium, Stadium Infrastructure, Stadium Site);
- (ii) Utilities including heat, water, chilled water, sewer, gas and electricity;
- (iii) Communications Services (subject to Section 16.7 below), but excluding (A) Team specialized communications systems, and (B) applications and content support staff, i.e., Technology Customer Support Personnel (excluding staff required to support Communications Infrastructure and Communications Systems), Team telephone, Team private Internet, and associated Team only communications systems;
- (iv) General cleaning services, including trash removal;
- (v) Preventative maintenance;
- (vi) Snow removal;
- (vii) Permits, licenses and other legal compliance;
- (viii) Converting the Stadium to and from Authority Events;
- (ix) All set-up costs of the Stadium and Stadium Infrastructure (including Field set-up and other set-up services as specified in Section 24.2(b), and retention of maintenance and ground crews), and maintenance and landscaping on the Stadium Site;
- (x) Authority/Stadium general staff;
- (xi) Stadium insurance as described in **Sections 30.1** and **30.3**;

- (xii) Costs and expenses set forth in **Section 5.15**;
- (xiii) Costs and expenses associated with Authority real property rights and Team rights to use all or a mutually-approved portion of the real property bordered by South 5th Street, South 6th Street, Chicago Avenue South and Park Avenue South, all in Minneapolis, Minnesota (the “**Hennepin County Medical Examiner Parcel**”), which such real property rights, if acquired, will be deemed part of the Stadium Infrastructure and Stadium Site. The Authority and Team acknowledge and agree that such costs will include all operating and maintenance costs associated with the Hennepin County Medical Examiner Parcel; and
- (xiv) Costs and expenses of the Authority as set forth in the Viking Legacy Ship Agreement.

Neither the Authority nor the Manager shall invoice or otherwise bill the Team, and the Team shall not be liable for any Operating Expenses of the Stadium, Stadium Infrastructure or Stadium Site; **provided, however**, the Parties acknowledge and agree that (1) the Authority or the Manager, as the case may be, shall invoice the Team, and the Team shall reimburse the Authority, for Team Event-Day Expenses paid by the Authority as provided in **Section 5.7** or as otherwise are the responsibility of the Team under this Agreement, and (2) the Team shall pay all operating costs and expenses (A) of the Team Year-Round Use Areas and Team Allocated Spaces consistent with **Section 14.1**, and (B) costs and expenses of the Team as set forth in the Viking Legacy Ship Agreement.

SECTION 5.6. Capital Enhancements.

(a) Authority Responsibility for Capital Funding Plan.

- (i) The Authority, in consultation with the Team and the Manager, shall prepare and develop a Capital Funding Plan annually to guide the future Capital Enhancements needs and priorities of the Stadium and Stadium Infrastructure. Except as otherwise provided in this **Section 5.6**, the Authority shall make all final determinations with respect to capital funding needs, priorities and expenditures for Capital Enhancements. The Authority shall be responsible for making, or for causing others to make, all Capital Enhancements, whether structural or non-structural, interior or exterior, ordinary or extraordinary, foreseen or unforeseen, in a prompt and timely manner for the Stadium, Stadium Infrastructure and the Stadium Site in order to maintain each at the Expected Facility Standard, all at the expense of, and paid for by, the Authority, subject to (i) the Team’s responsibilities for Capital Enhancements costs, as applicable, relating to the Team Allocated Spaces and Team Year-Round Use Areas, and Team technology enhancements and applications for the Team Year-Round Use Areas and the Team Allocated Spaces pursuant to **Section 5.6(e)**, (ii) the Team’s responsibilities for NFL-Mandated Amenities pursuant to **Section 5.6(f)**, (iii) the Team’s responsibilities for

Team revenue enhancing Capital Improvements pursuant to **Section 5.6(g)**, (iv) Capital Improvements for MLS pursuant to **Section 5.6(h)** and (v) such other allocations of the costs of Capital Enhancements to the Team expressly made in this Agreement. The Authority and the Manager shall only be obligated to perform Capital Enhancements to the extent necessary to maintain the Stadium at the Expected Facility Standard, or such higher standard as otherwise agreed to by the Authority.

- (ii) The Parties agree that for the first five (5) year period commencing upon the Commencement Date, the Authority will designate Seven Hundred Fifty Thousand Dollars (\$750,000) annually (the “**Annual Design Add Alternatives Allocation**”) (for a total of Three Million Seven Hundred Fifty Thousand Dollars (\$3,750,000)) of the Capital Funding Plan to fund previously unfunded Capital Improvements from the Team Design Add Alternates list set forth in **Exhibit I-2** of the Development Agreement. The Team acknowledges and agrees that the Authority’s yearly designation of the Annual Design Add Alternatives Allocation to the Capital Funding Plan for such unfunded Capital Improvements is not a Capital Improvement that is contemplated by the Authority’s obligation to operate and maintain the Stadium and Stadium Infrastructure at the Expected Facility Standard. As a consequence, the Annual Design Add Alternatives Allocation may reduce funds available under the Capital Funding Plan that would otherwise had been used to operate and maintain the Stadium and Stadium Infrastructure at the Expected Facility Standard and, as a result, the Authority’s obligations to operate and maintain the Stadium and Stadium Infrastructure at the Expected Facility Standard will be deferred during the period that it is demonstrated by either Party that the Stadium and Stadium Infrastructure do not meet the Expected Facility Standard as a result of a lack of funding due to the Annual Design Add Alternatives Allocation. Notwithstanding the foregoing, the Authority shall not be relieved of the obligation to comply with all Applicable Laws, particularly those which regulate health, safety and welfare of Persons that use or occupy the Stadium and Stadium Infrastructure. The Authority shall retain sole legal ownership of the property acquired or constructed with funds constituting a Capital Cost Payment.

(b) Capital Enhancement Plans. Once the Authority has approved a Capital Funding Plan as provided in this **Section 5.6**, the Authority or the Manager at the direction of the Authority shall select an architect or engineer to prepare any necessary Capital Enhancement plans. The architect’s or engineer’s fees and expenses and all other costs associated with preparing the Capital Enhancement plans shall be reasonable and necessary and paid out of the Capital Reserve Fund. Any review or approval by the Authority of Capital Enhancement plans, or other documentation, with respect to any Capital Enhancement is solely for the Authority’s benefit and without any representation or warranty to the Team with respect to the adequacy, correctness or efficiency thereof or their compliance with Applicable Laws or otherwise. The

Authority shall own the Capital Enhancement plans, including any as-built plans relating thereto, which shall be delivered to the Authority upon completion of the Capital Enhancement described therein.

(c) Construction of Capital Enhancements. The Authority and Manager shall have the exclusive right to select and enter into contracts with any and all contractors, subcontractors, suppliers, vendors, architects, engineers, construction managers, project managers, consultants or other entities or individuals with respect to the completion of all Capital Enhancements. The Manager shall use commercially reasonable efforts to ensure that the work performed by contractors and subcontractors is performed in a good, skilled and efficient manner and in compliance with Applicable Laws. The Team may not make or permit Capital Enhancements except as may be permitted under Section 5.6(d) and Section 5.6(i).

(d) Emergency Repairs. Subject to the terms of this Section 5.6, Emergency Repairs shall be authorized by the Manager. In making Emergency Repairs, the Manager shall comply with the requirements of all Applicable Laws. If the Manager fails to make an Emergency Repair for which it is otherwise responsible in a timely manner, the Team may elect to make such Emergency Repairs, in which case the Authority or the Manager shall reimburse the Team for all costs, for such Emergency Repair, incurred by the Team within thirty (30) days after submission of an invoice.

(e) Team Capital Enhancements/Improvement Costs for Team Spaces.

- (i) Except to the extent (A) necessary to meet the Expected Facility Standard, (B) provided for in any Capital Funding Plan adopted pursuant to Section 5.6(b) or (C) as otherwise agreed to by the Authority, the Team will be responsible for all costs of Capital Improvements (whether incurred by the Team or, with the prior agreement of the Team, incurred by the Authority) in connection with the Team Year-Round Use Areas; and
- (ii) Except to the extent (A) provided for in any Capital Funding Plan adopted pursuant to Section 5.6(b) or (B) as otherwise agreed to by the Authority, the Team will be responsible for all costs of Capital Enhancements, whether incurred by the Team or, with the prior agreement of the Team, incurred by the Authority, in connection with the Team Allocated Spaces.

The Team and the Authority acknowledge that, subject to the final Stadium design decisions, (1) with respect to the Team Year-Round Use Areas, the completed build-out shall be as provided in the Master Project Program (as defined in the Development Agreement), and (2) with respect to the Team Allocated Spaces (A) the Team Restaurant shall have a base level of finish to include utility hook-ups such as plumbing, gas, electrical, and mechanical and that any costs to build-out, equip and furnish the space will be at the Team's (or its designee's) sole cost and expense, and (B) all other Team Allocated Spaces shall have a base level of finish to include utility hook-ups such as plumbing, gas, electrical and mechanical and drywall hanging, taping, mudding and painting.

(f) NFL-Mandated Amenities. The Authority shall install or provide at the Stadium and pay for the capital cost of, or otherwise provide to the Team, (i) all Stadium amenities, improvements and equipment (including technologies developed or used in the future) that may be required by the NFL to be installed, modified, performed or provided pursuant to changes in NFL Rules or its broadcasting contracts from time to time during the Term and (ii) any such replacements or repairs to existing or future amenities, improvements or equipment referred to in clause (i) above required by the NFL pursuant to NFL Rules (including headsets and instant replay equipment) (“**NFL-Mandated Amenities**”); **provided** that (A) the Authority shall only be obligated to make a single, one-time payment (subject to the annual limit described below) in connection with a group of NFL-Mandated Amenities required by NFL Rules implemented for a related purpose and the Team may not spread out the costs of such related NFL-Mandated Amenities over a period of multiple years in order to obtain payments from the Authority in circumvention of the limits contained in this subparagraph (A), and (B) the Authority shall not be required to pay more than Fifty Thousand Dollars (\$50,000) annually, increased by three percent (3%) each year during the Term, for the installation or provision of NFL-Mandated Amenities (it being understood that the Team shall pay the costs of such NFL-Mandated Amenities in excess of the limits provided in this subparagraph (B)). The Team and the Authority shall coordinate and cooperate with each other to effect the timely provision of such NFL-Mandated Amenities in compliance with NFL Rules. Notwithstanding anything to the contrary set forth in this Agreement, except as expressly set forth in this **Section 5.6(f)**, the Authority shall have no responsibility or liability whatsoever for the cost of Stadium amenities, improvements, equipment, replacements, repairs or like items required solely as a result of changes, amendments, supplements or modifications to any NFL Rules after the Effective Date; **provided, however,** that nothing in this sentence shall be deemed to affect the obligations of the Authority that the Authority would otherwise be required to perform under any other provision of this Agreement if such change, amendment, supplement or modification to such NFL Rules had not occurred, or as otherwise agreed to be provided as part of the Capital Funding Plan.

(g) Team Revenue Enhancing Capital Improvements. All costs of any Capital Improvement proposed by the Team which is intended primarily to provide revenue enhancements to the Team, including any architect and engineer’s fees and costs, and the cost of retrofitting of the Stadium and Stadium Infrastructure or required modifications to proposed Capital Improvements otherwise to be undertaken by the Authority, shall be borne by the Team to the extent either such Capital Improvement and the cost thereof are not included by the Authority in a Capital Funding Plan or the Authority has not otherwise agreed to pay the costs of any such Capital Improvement. Any such Capital Improvements will be coordinated with the Authority and not negatively impact any Authority Events. Such Capital Improvements may include technology enhancements, software and services development.

(h) Capital Improvements for Major League Soccer. Capital Improvements required by a Team-Owned MLS Franchise are the obligation of the owners of the Team-Owned MLS Franchise Team, unless otherwise agreed to by the Authority, and as referenced in **Section 5.6.**

(i) Performance of Capital Improvements by the Team. Any alteration or Capital Improvement made by or for the Team shall be permitted only in or to the Team Year-Round Use Areas or Team Allocated Spaces, and shall be made only with the Consent of the Authority,

and shall be completed (a) in a good, skilled, efficient, and prompt manner, using materials and equipment at least substantially equal in quality and class to the then-standards for the Stadium established by the Authority, (b) by an experienced, reputable contractor, (c) pursuant to contract terms acceptable to the Authority, including indemnification by the Team for any damage or loss suffered by the Authority due to the improvement, and (d) in compliance with Applicable Laws and any insurance requirements. The Team shall maintain copies of “as built” drawing relating to any alterations or Capital Improvements (or, as applicable, final working drawings thereof, if any) and copies of contracts, invoices, evidence of payment and all other records of any alteration or Capital Improvement and shall, within thirty (30) days after request by the Authority, furnish the Authority with digital copies of such records; **provided, however**, that all plans, as-built drawings and final working drawings shall be the property of the Authority and copies thereof shall be provided to the Authority, with or without request, upon completion of the work reflected therein. Prior to the commencement of any work, the Team shall obtain and furnish copies to the Authority of all necessary governmental permits and certificates for the commencement and performance of any such alteration or Capital Improvements, together with evidence of workers’ compensation insurance of its contractors in statutory limits, “all risk” or “special form” builder’s risk property insurance and general liability insurance, with a completed operation endorsement, for any occurrence in or about the Stadium (or such other insurance which is then commercially available to cover such risks), under which the Authority shall be named as additional insured and loss payee, in such limits as the Authority may reasonably require, with insurers reasonably satisfactory to the Authority. The Authority shall be furnished with evidence that all required insurance is in effect at or before the commencement of any alteration or Capital Improvement and, on request, at reasonable intervals thereafter during continuation of such work. The Team shall require any such contractor to provide labor and material performance bonds in one hundred percent (100%) of the contract amount for any such Capital Improvement cost exceeding fifty thousand dollars (\$50,000), or such other lower amount as required by Applicable Law.

(j) Notice of Conditions. If either the Authority or the Team knows of or discovers any Applicable Laws necessitating performance of Capital Enhancements, or any condition or defect in, damage to, or alteration of the physical structure, fixtures, appurtenances, machinery, equipment, systems, surfaces or any other capital component of the Stadium or Stadium Infrastructure necessitating performance of Capital Enhancements or which, in such Party’s reasonable opinion, makes such Capital Enhancements necessary or advisable, such Party shall promptly notify the other of such matter.

(k) Viking Legacy Ship Capital Enhancements. Capital Enhancements for the Viking Legacy Ship shall be the responsibility of either the Authority or the Team as set forth in the Viking Legacy Ship Agreement.

SECTION 5.7. Team Stadium Event-Day Expenses. With respect to each Team Stadium Event, the Team shall pay directly, or reimburse the Authority for, the following: (i) direct Team Stadium Event expenses and (ii) Incremental Operating Expenses incurred in the operation of the Stadium, Stadium Infrastructure and Stadium Site (collectively, (i) and (ii) are the “**Team Event-Day Expenses**”). For purposes of illustration only, Team Event-Day Expenses shall include:

EXECUTION COPY

- (i) incremental utility expenses incurred at the Stadium, Stadium Infrastructure and Stadium Site above the normalized average daily utility expenses on a day in which (A) no Stadium Event is held or (B) a Stadium Event is held that does not incur any measurable utility cost; **provided**, that the Authority and the Team shall agree upon adjustments which will reduce incremental utility expenses paid by the Team hereunder for charges incurred and payable by third Person(s) using utility services at the Stadium Site, as applicable. Utility expenses include: heat, water, chilled water, sewer, gas, Field flood lights, and electricity. The normalized average daily utility expenses shall be determined on a periodic basis (at least once per calendar year) by agreement of the Authority and the Team. The Authority and the Team shall reasonably cooperate to determine estimates of such incremental utility expenses, and reconcile such estimates with determined actual usage, for the first year of the Term;
- (ii) broadband Communications Services pursuant to **Section 16.7**;
- (iii) ticket office staffing, ticket sellers, and ticket takers;
- (iv) security and other services, if any, provided by third-Persons, including the City, within the Stadium, Stadium Infrastructure and Stadium Site;
- (v) ushering expenses;
- (vi) public address system announcers and Team-only communications devices;
- (vii) restroom attendants;
- (viii) parking or traffic control personnel within the Stadium Site;
- (ix) any other third party Team Stadium Event day staff approved or provisioned by the Team; and any Authority staff to the extent requested and approved by the Team in connection with a Team Stadium Event (it being understood and agreed that (A) if the Team makes such a request of the Authority, the cost of such staff will be borne by the Team, and (B) if the Team does not request or approve additional Authority staff (unless otherwise specifically required under this Agreement), the Authority may have additional staff present that it deems necessary or reasonably required in connection with such Team Stadium Event at the sole cost and expense of the Authority);
- (x) clean-up and trash removal costs during and after each Team Stadium Event;
- (xi) Team Event day activities/entertainment; and

(xii) tents and enclosures on the Stadium Site.

SECTION 5.8. No Incremental Costs of Retractable Feature. The Parties agree that there will be no additional charges to the Team for Operating Expenses or post-construction Capital Repairs related to the Retractable Feature.

SECTION 5.9. City Services for Team Stadium Events. The Authority shall enter into an agreement with the City regarding traffic control for areas not within the Stadium Site. Neither the Authority nor the Team will be responsible for any charges associated with such traffic control agreement with the City. It is the understanding of the Parties that the City will provide certain municipal services outside of the Stadium Site in connection with Team Stadium Events, including police and security, fire prevention, emergency medical, street cleaning/trash removal and other similar services at no additional charge to the Parties.

SECTION 5.10. Real Estate or Personal Property Taxes. The Act provides that the Stadium and the Stadium Site are exempt from ad valorem taxation by the State or any political subdivision thereof, subject to certain exceptions and qualifications as set forth in Minnesota Statutes section 473J.19. The Authority shall file all applications and seek such determinations as are necessary to reflect such tax exemption in the records of the relevant taxing authorities; **provided**, that if the Authority does not timely file and pursue such applications for exemption, the Team shall provide written notice to the Authority of the deficiency, and the Authority shall have thirty (30) days to cure its failure to so act. If the Authority fails to so act, the Team, at the expense of the Authority, shall have the right (but not the obligation), in its own name or in the name of the Authority, to file such applications or seek such determinations with respect to real or personal property taxes. The Authority agrees to timely sign all necessary instruments in connection with such application or determinations. To the extent a particular use by the Team (other than playing Team Games) results in real or personal property taxes, the Team shall be responsible for remitting such taxes, or contesting the remission of same, and the Authority shall have no responsibility for paying real or personal property taxes occasioned by the Team's use of the Stadium. The Team shall bear the responsibility for, and all expenses related to, filing and prosecuting any tax protests and litigating any disputes related to tax exemption. Except with respect to the Team Restaurant, the Authority, at its cost, will cooperate with the Team in filing tax protests and protesting taxes, including appearing as amicus curiae, but will not have any liability for any costs incurred by the Team or for any taxes, interest or charges required to be paid. To the extent the Stadium is subject to special assessments levied by a political subdivision for a local improvement in amounts proportionate to and not exceeding the special benefit received by the properties from the improvement pursuant to Minnesota Statutes section 473J.19, then the Authority shall pay such special assessments (other than with respect to the Team Restaurant), without charge to the Team.

SECTION 5.11. Suite Tax. To the extent required by Minnesota Statutes section 473J.14, the Authority may impose and maintain a Suite tax, and the Team shall account for and remit such tax pursuant to the terms of any resolution promulgated by the Authority pursuant to Minnesota Statutes section 473J.14. Any financial information provided pursuant to this **Section 5.11** is confidential information and shall, as provided in Minnesota Statutes section 473J.15, subdivision 9, be nonpublic data pursuant to the Act and as defined in the Data Practices Act. The provisions of this **Section 5.11** may be enforced by the Team against the

Authority by such equitable remedies, including those remedies provided for in Article 7, as the Team may elect and by such additional remedies as may be afforded to it under the Data Practices Act or other Applicable Law.

SECTION 5.12. Tax Compliance. The Team shall be responsible for collecting, accounting for, and remitting any sales taxes, admissions and amusement taxes, or other taxes assessed on ticket sales, merchandise sales, concession sales, Advertising, or other operations and activities conducted by the Team at the Stadium.

SECTION 5.13. Team's Ownership of Certain Property and Rights to Depreciation.

(a) Team's Stadium Property. The Parties acknowledge and agree that (i) portions of the monies paid by the Team under the Development Agreement (including the Team Contribution (as defined under the Development Agreement)) and payments under Section 5.6(e), Section 5.6(f), Section 5.6(g), and Section 5.6(h) of this Agreement shall be used to construct or provide (or cause to be constructed or provided) certain specific improvements, fixtures, furnishings, equipment and other Internal Revenue Code Section 1245 personal property of a nature described, without limitation, on Exhibit D-1 to be placed in or upon the Stadium (including Team Year-Round Use Areas and Team Allocated Spaces) and related property (collectively, the "**Team's Stadium Property**"), and (ii) the Team shall retain the sole legal and beneficial ownership of the Team's Stadium Property to the extent that (A) the capital cost of such Team's Stadium Property is not included in the initial construction of the Stadium or Stadium Infrastructure or in any Capital Funding Plan, (B) such capital cost is paid for by or otherwise a capital cost for which the Team is responsible hereunder, and (C) such Team's Stadium Property is not permanently affixed to the Stadium or Stadium Infrastructure. The Team will have the right to remove the Team's Stadium Property which is legally and beneficially owned by the Team at its discretion, subject to the Team's responsibility to pay for the reasonable costs of removal and base-level repairs, if any, resulting from such removal. By way of clarification, any artwork (including, without limitation, painting, sculpture, printmaking, photography, other visual media, and multi-media and interactive installations) that is donated to or purchased or acquired by the Team for use in the Stadium or any part of the Stadium Site shall for all purposes (i) be deemed Team's Stadium Property notwithstanding that such artwork is affixed to portions of the Stadium Site, and (ii) not be deemed or otherwise classified as (A) fixtures, or (B) permanently affixed to any part of the Stadium Site, including Stadium or Stadium Infrastructure; **provided, however**, that for purposes of this Section 5.13(a) the Team shall be able to install or remove such artwork that is Team's Stadium Property upon reasonable notice to the Authority and subject to any specific conditions and procedures for installation and removal mutually agreed upon by the Team and the Authority, which, once adopted by the Authority and Team, shall be affixed to this Agreement as Exhibit P.

(b) Team's Stadium Property Schedule. For purposes of identifying the Team's Stadium Property and the Team's Beneficial Rights (as defined below) therein, the Team shall prepare a schedule for the Authority's review and Consent identifying the items constituting the Team's Stadium Property and allocating the Team's investment among the items forming the Team's Stadium Property as the Team shall elect (such schedule and allocation the "**Team's Stadium Property Schedule**"). The Authority will have thirty (30) days after receipt to review and Consent to the Team's Stadium Property Schedule, or to notify the Team in writing of any

objections. If the Authority does not deliver to the Team a written objection and the basis thereof to the Team's Stadium Property Schedule within thirty (30) days of receipt of such Team's Stadium Property Schedule, then the Team's Stadium Property Schedule shall be deemed automatically Consented to by the Authority and shall be final and binding on the Parties absent manifest error. If the Authority delivers to the Team a written objection and the basis thereof to the Team's Stadium Property Schedule within thirty (30) days of receipt by the Authority, then the Parties shall negotiate in good faith to resolve the disputes and, if the Parties are unable to resolve the disputes, either Party may seek any available remedy from a court of competent jurisdiction as set forth in **Section 32.11**. The final and binding Team's Stadium Property Schedule shall be affixed to this Agreement as **Exhibit D-2**.

(c) Team's Right to Depreciation. The Parties acknowledge and agree that (i) the Team shall have the sole depreciable interest for income tax purposes in all of the Team's Stadium Property (whether or not such Team's Stadium Property is owned legally and beneficially by the Team), and (ii) for all income tax purposes, neither the Authority nor any other Person shall have the right to take depreciation deductions with respect to the Team's Stadium Property or claim any other right to tax benefits arising from the Team's Stadium Property, such depreciation deductions and tax benefits (the "**Team's Beneficial Rights**") being exclusively reserved to the Team unless assigned by the Team, in whole or in part, to one or more third Persons (including Affiliates). The Team shall have (A) a right, title and interest in the leasehold interest, license, or other interest of the Team created by and arising from this Agreement and (B) a depreciable interest for tax purposes in, though no legal ownership of, all leasehold improvements paid for or otherwise funded by the Team. Neither the Team's ownership of, nor the Team's Beneficial Rights in, the Team's Stadium Property shall in any way affect, limit, modify or change in any way the rights, obligations and responsibilities of the Parties, as more particularly set forth in the Agreement; **however**, the Authority covenants and agrees to cooperate with the Team in the allocation of depreciable assets for the benefit of the Team with respect to the Team's Stadium Property, including in connection with the Team's Stadium Property Schedule, and the leasehold improvements to the Stadium and Stadium Infrastructure paid for or otherwise funded by the Team.

SECTION 5.14. Procurement of Material Operational Agreements.

(a) Team Right to Participate in Authority Procurement Process. In addition to the rights set forth in **Section 16.6** and **Section 16.7**, the Team has the right to participate in the Authority's procurement process for all material operational agreements that the Authority may enter into with respect to the Stadium Site which will result in material financial charges by or through the Authority to the Team. By way of example and clarification, such material agreements are those that will result in material charges to the Team for Team Stadium Events such as, without limitation, Stadium Site clean-up and other like material Team Event-Day Expenses. The participation of the Team shall include the planning for, requests for proposals with respect to, drafting of and negotiation of, and Consent to the Authority's award of such operational agreements. If the Team participates in the Authority's procurement process with respect to any material contract vendor as described above, the Team's right to designate such vendor as a sponsor is restricted pursuant to **Section 19.4**.

(b) Team Right to Separately Procure. The Team may directly select and enter into such contracts with vendors for services that would otherwise be provided under a contract with the Authority to the extent that it is commercially reasonable to procure such services under separate contracts. If the Team does so directly select and enters into a contract with such a vendor, the Team will not have the right to participate in any Authority procurement process for such services. Any and all costs associated with procuring or providing those services directly selected by the Team shall be the sole responsibility of the Team.

SECTION 5.15. Portable Chiller and Pre-Cooling Expenses.

(a) Maintenance of the HVAC Operating Standard. The Authority acknowledges that the design of the Heating, Ventilation and Air Conditioning system (the “**HVAC System**”) for regulating the temperature in the Stadium requires that chilled water delivered to the Stadium be chilled at or below 40 degrees Fahrenheit (the “**Required Water Temperature**”) for the HVAC System to maintain a temperature of 75 degrees Fahrenheit plus or minus (+/-) 5 degrees Fahrenheit (the “**HVAC Operating Standard**”). During Team Stadium Events when the Operable Feature (as that term is defined in the Development Agreement) is closed, the Authority will maintain the HVAC Operating Standard throughout the Stadium. During Team Stadium Events when the Operable Feature (as that term is defined in the Development Agreement) is opened at the direction of the Team, the HVAC Operating Standard will not apply within the unconditioned open spaces of the Stadium; **provided, however**, that the Authority will maintain the HVAC Operating Standard within all conditioned spaces that are closed to the open Stadium seating bowl (this includes all interiors spaces that are separated from the open spaces of the Stadium seating bowl by doors or windows when those doors or windows are closed to the open areas of the Stadium seating bowl). To ensure that the HVAC Operating Standard can be maintained and that chilled water will be delivered to the Stadium at the Required Water Temperature for Team Stadium Events, the Authority will (i) cause the chilled water supply vendor to install a manifold or other necessary equipment that will allow portable chilling units (“**Portable Chilling Units**”) to be attached to the chilled water supply line or other appropriate location within the HVAC System, (ii) contract for the supply and operation of such Portable Chilling Units pursuant to this **Section 5.15**, and (iii) pre-cool the Stadium as necessary.

(b) Availability of Portable Chilling Units. The Authority will ensure that Portable Chilling Units will be available, serviceable, and used for all Team Stadium Events when the HVAC Operating Standard cannot be maintained in the applicable areas described in **Section 5.15(a)** above by one or both of (x) normal operation of the HVAC System, or (y) pre-cooling of the Seating Bowl. In addition to the foregoing, and to ensure the availability of serviceable Portable Chilling Units for Team Stadium Events as required above, the Authority will have in place at all times an agreement with a third party that guarantees the availability for Team Stadium Events that number of Portable Chilling Units as are required to ensure that chilled water delivered to the Stadium is at or below the Required Water Temperature to achieve and maintain the HVAC Operating Standard.

(c) Expenses Related to Portable Chilling Units and Pre-Cooling. The Authority hereby acknowledges and agrees that the costs, expenses or other charges incurred by the Authority that arise from, are incident to, or are in connection with (i) the Portable Chilling Units as described in **Section 5.15(a)** above (“**Portable Chilling Units Expense**”), and (ii) pre-cooling

of the Stadium to maintain the HVAC Operating Standard (“**Pre-Cooling Expense**”) (x) will not constitute a Team Event-Day Expense, Capital Enhancement, direct Team Stadium Event expense, Incremental Operating Expense, or any other cost, expense or other charge that is for the account of or otherwise payable by StadCo or the Team, and (y) will be the obligation of and paid solely by the Authority, and neither StadCo nor the Team shall have any obligations to the Authority or any other Person for such Portable Chilling Units Expense and Pre-Cooling Expense, including any costs, expenses or other charges.

(d) Connection for Portable Chilling Units. To ensure that chilled water will be delivered to the Stadium at the Required Water Temperature for Team Stadium Events, the Authority will cause the chilled water supply vendor to install a manifold or other necessary equipment that will allow Portable Chilling Units to be attached to the chilled water supply line or other appropriate location within the HVAC System and to provide additional cooling capacity to maintain the incoming chilled water at the Required Water Temperature.

**ARTICLE 6.
STADIUM BUILDER’S LICENSES**

The Authority owns and shall retain the exclusive right to sell stadium builder’s licenses (“**SBLs**”) in the Stadium and shall sell the SBLs solely as set forth in the Development Agreement. This Agreement does not authorize SBLs and no SBLs, and no SBL program, rights, or obligations shall be authorized, initiated, or covenanted under this Agreement.

**ARTICLE 7.
INJUNCTIVE RELIEF AND SPECIFIC PERFORMANCE; REQUIRED AUTHORITY
EXCULPATORY PROVISION**

SECTION 7.1. Injunctive Relief; Specific Performance. The Parties acknowledge, stipulate and agree that (i) certain legislation was enacted, certain taxes have been imposed and certain bonds will be issued to permit construction of the Stadium and Stadium Infrastructure, (ii) the State and the Team will undertake significant monetary obligations in connection with financing obligations to permit construction of the Stadium and Stadium Infrastructure, (iii) the public economic, civic and social benefits from the Team playing Team Games and holding other Team Stadium Events at the Stadium are unique, extraordinary and immeasurable, (iv) the subject matter of this Agreement is unique and the circumstances giving rise to the construction of the Stadium and Stadium Infrastructure are particular, unique and extraordinary, (v) the rights, obligations, covenants, agreements, and other undertakings set forth in this Agreement constitute specific and material inducements for each of the Parties, respectively, to enter into this Agreement and to undertake and perform such other obligations related to the operation and use of the Stadium and Stadium Infrastructure, and (vi) each of the Parties, respectively, would suffer immediate, unique and irreparable harm for which there may be no adequate remedy at law in the event that any of the material provisions of this Agreement were not performed in accordance with their specific terms or are otherwise breached. Accordingly, each of the Parties acknowledges, agrees and stipulates that, in view of the circumstances set forth above, which are not exhaustive as to the interests at risk with respect to the respective performance of the Parties, each Party shall be entitled to seek, without the necessity of posting bond or other security in excess of Ten Thousand Dollars (\$10,000), to obtain specific performance and any other

temporary, preliminary or permanent injunctive relief necessary to redress or address any breach or threatened or imminent breach of this Agreement. The Parties hereby agree and stipulate that the rights of the Authority to injunctive relief in the event of a breach of **Section 3.6** hereof or the Football Playing and Use Agreement shall not constitute a “claim” pursuant to Section 101(5) of the United States Bankruptcy Code and shall not be subject to discharge or restraint of any nature in any bankruptcy proceeding involving the Team.

SECTION 7.2. Required Exculpatory Provisions. The Parties agree that any contract between the Team and a third Person (other than the NFL or its Affiliates) relating to the Stadium, Stadium Infrastructure and Stadium Site, such as, without limitation, Advertising contracts, Naming Rights Agreements, Entitlement Rights Agreements and Suite, Club Seat and Loge Box license agreements, shall contain a provision, such as the following, exculpating the Authority, the City, the State and the Team from liability under such contract:

[Sponsor Name] acknowledges that the Team’s interest in the Stadium, Stadium Infrastructure and Stadium Site arises from its interest as a user under the Stadium Use Agreement entered into with the Authority, which is the fee owner of the Stadium, Stadium Infrastructure and Stadium Site and that any possessory or other rights with respect to the Stadium, Stadium Infrastructure and Stadium Site granted to [Sponsor Name] by this Agreement terminate upon the expiration or termination of the Stadium Use Agreement. [Sponsor Name] acknowledges that this Agreement imposes no contractual obligations upon the State of Minnesota, the Authority, or the City (individually, a “**Governmental Body**” and collectively, the “**Governmental Bodies**”), and will do so only if a Governmental Body expressly assumes in writing the obligations of the Team under this [Agreement]. If a default or breach under this [Agreement] occurs, of any kind or nature whatsoever, [Sponsor Name] agrees that it will not look to any of the Governmental Bodies, and will look solely to the Team (or its successors or assigns), at the time of the default or breach for remedy or relief; and that no member, officer, employee, agent, independent contractor, or consultant of the Governmental Bodies will be liable to [Sponsor Name], or any successor in interest to [Sponsor Name], if any default or breach by the applicable Governmental Body under the Stadium Use Agreement, or of any other obligation under the terms of this [Agreement]. The Team is not and will not act as an agent of any Governmental Body, or in any manner contract for or bind any such Governmental Body. Upon the termination of the Stadium Use Agreement, this [Agreement] may, at the option of the Authority upon written notice to [Sponsor Name], also be terminated without any right of claim against the Authority, its appointed officials, commissioners, directors, officers, agents, employees, independent contractors, or consultants. In addition to the foregoing, [Sponsor Name] acknowledges that this [Agreement] imposes no contractual obligations upon the Team and, in the event of a breach or default under this [Agreement], of any kind or nature whatsoever, [Sponsor Name] agrees

that it will not look to the Team and will look solely to StadCo (or its successors or assigns), at the time of the default or breach for remedy or relief. No member, officer, employee, agent, independent contractor, or consultant of the Team will be liable to [Sponsor Name], or any successor-in-interest to [Sponsor Name], in the event of any such default or breach.

**ARTICLE 8.
REVENUE GENERALLY**

SECTION 8.1. Allocated Revenue. The Authority and the Team acknowledge and agree that all anticipated or potential sources of revenue related to the Stadium and Stadium Infrastructure shall be allocated to the Authority and the Team pursuant to the provisions of this Agreement.

SECTION 8.2. Unallocated Revenue. The Authority and the Team acknowledge and agree that to the extent that a source of revenue is not allocated under the terms of this Agreement, such revenue shall be allocated either (i) to the Team, if such revenue (A) is derived from a right held by the Team under this Agreement or from Team Stadium Events or (B) is derived from Future Marketing Rights of the Team, or (ii) to the Authority, if such revenue (A) is derived from a right held by the Authority under this Agreement or from Authority Events or (B) is derived from Future Marketing Rights of the Authority.

SECTION 8.3. MLS Event Revenue. In the event the Team is awarded an MLS soccer franchise to operate a Team-Owned MLS Franchise, the Parties understand that the Team will work with MLS and Soccer United Marketing, or each of their successors, to bring events to the Stadium for consideration by the Authority that are proposed to be hosted in the Stadium as a direct result of the Team-Owned MLS Franchise operating as an MLS franchise and that are specifically tied to MLS, Soccer United Marketing, or each of their successors, as the provider of the event. If the Authority agrees to host such an event or events, the Team and the Authority will share equally all of the revenues and expenses related to such event or events. For clarity, nothing in this **Section 8.3** will be deemed to require the Team-Owned MLS Franchise to be a participant in such event or events as a condition to sharing equally with the Authority all of the revenues and expenses related to such event or events.

**ARTICLE 9.
TICKET REVENUE**

SECTION 9.1. Team Exclusive Control. Subject to the Team's compliance with **Section 3.3(b)**, the Team shall have the exclusive control of all admission passes and tickets to Team Stadium Events and shall have the right to receive and retain all revenues from admission passes and tickets with respect to Team Stadium Events (such admission passes and tickets to Team Stadium Events, do not include SBLs). Subject to **Section 9.4** and **Section 10.1(b)**, the Team shall determine in its sole discretion the prices for admission passes and tickets to Team Stadium Events, the manner in which such admission passes and tickets are to be sold or resold, the assignment, allocation and distribution of such admission passes and tickets, and the terms and conditions of such admission passes and tickets. The Team shall bear all expenses of marketing, selling and distributing admission passes and tickets to all Team Stadium Events.

SECTION 9.2. Authority Events Tickets. The Authority shall have exclusive control of all admission passes and tickets for Authority Events and shall have the right to receive and retain all revenues from such admission passes and tickets with respect to Authority Events. Subject to Section 10.2(a) and Section 10.6, the Authority shall determine in its sole discretion the prices for admission passes and tickets to Authority Events, the manner in which such admission passes and tickets are to be sold or resold, the assignment, allocation and distribution of such admission passes and tickets, and the terms and conditions of such admission passes and tickets. The Authority shall bear all expenses of marketing, selling and distributing passes and tickets to all Authority Events.

SECTION 9.3. Ticketing/Box Office. A portion of the ticketing/box office space at the Stadium and Stadium Infrastructure will be available to the Team on a year-round basis (and will be defined as Team Year-Round Use Area) for the sale of tickets related to Team Stadium Events. All costs related to equipping the Team portion of the box office not included in the Master Project Budget related to the Team Year-Round Use Area shall be the responsibility of the Team as set forth in Section 5.6(e). The Team will be responsible for all costs associated with the selling of tickets for Team Stadium Events and other activities related to the Team's use of the box office. A portion of the box office will be available to the Authority on a year-around basis for the sale of tickets related to Authority Events. All costs related to equipping the Authority portion of the box office not included in the Master Project Budget shall be the responsibility of the Authority. The Authority will be responsible for all costs associated with the selling of tickets for Authority Events and other activities related to the Authority's, or its designee's, use of the box office.

SECTION 9.4. Affordable Tickets. During the Term, the Team will make available to the public an aggregate of not fewer than three thousand two hundred-fifty (3,250) non-season ticket Team Game tickets for each preseason and regular season Team Game at the Stadium (the "**Affordable Tickets**"). The Affordable Tickets will (i) be in non-SBL locations of the Stadium to be determined by the Team from year-to-year, and (ii) cost no more than eighty percent (80%) of the average price for a single individual Team Game ticket in the lowest-priced permanent seating section in the Stadium (excluding Affordable Tickets, obstructed view, standing room only, and discounted group ticketing programs) offered for sale by the Team for such Team Game. The Parties agree that this Section 9.4 and any other terms set forth on Exhibit E, shall be the ticket plan providing affordable access to the preseason and regular season Team Games as required by Section 473J.15, subdivision 13 of the Act. The Authority and the Team agree that the Parties will establish a comparable affordable ticket program for any Team MLS Soccer Games.

SECTION 9.5. Ticket Taxes. The Authority acknowledges that as of the Effective Date the Act currently provides that there shall be no new or additional local sales or use tax imposed on sales at the Stadium Site unless the tax is applicable throughout the taxing jurisdiction, and that, except for a tax imposed under Minnesota Statutes section 16A.727, no new or additional local tax shall be imposed on sales of tickets and admissions to Team Stadium Events at the Stadium, notwithstanding any law or ordinance, unless the tax is applicable throughout the taxing jurisdiction. The admissions and amusements tax currently imposed by the City pursuant to Applicable Laws 1969, chapter 1092, and the tax currently imposed under the special law, as

such terms are defined in Minnesota Statutes section 297A.994, subdivision 2 may apply to admissions for Team Stadium Events, as provided in Minnesota Statutes section 473J.15, subdivision 15, at the Stadium.

ARTICLE 10.
SUITES, CLUB SEATS AND LOGE BOXES

SECTION 10.1. Team Stadium Event Annual Suites.

(a) Annual Suites. Subject to the provisions of **Section 10.1(b)** and **Section 10.3**, the Team shall have the exclusive right to license all Suites, which right shall include the exclusive right to license Suites (other than the Authority Suites and the Team Suites) on an annual or multi-year basis pursuant to a Suite license agreement (the “**Annual Suites**”), and to control the pricing, marketing and allocation of, and bear all costs associated with the licensing of the Annual Suites for all Team Stadium Events. Unless otherwise agreed to by the Parties, any Suite contract or other agreement between the Team and a third Person (other than the NFL or its Affiliates) relating to the Suites shall contain certain provisions as set forth in the General Authority Guidelines for Terms and Conditions of Use of Suites, Club Seats and Loge Seats attached hereto as **Exhibit F**. The Team shall have the right to all revenue related to the sale of licenses to Annual Suites.

(b) Authority Suites. From and after the Commencement Date, (i) the Authority shall have sole ownership of two (2) suites for its exclusive use and possession for any legal purpose during the Term (the “**Authority Suites**”), and (ii) the Team agrees to provide to the Authority during the Term, without any charge, license, use or other fee of any kind, a number of tickets to all Team Stadium Events that are open to the public, including NFL/MLS playoff and championship Team Games corresponding to the number of seats in each such Authority Suite, plus the number of “standing room only” tickets customarily allocated by the Team to other holders of comparably-sized Suites (it being understood that each Authority Suite will have sixteen (16) seats). The Authority Suites shall be adjacent to each other and located on the Main Concourse in the farthest northeast corner of the Stadium (which Suites, as of the date hereof, are Suite Nos. 11 and 12 in the plans of the Stadium architect). The Authority shall be responsible (A) to pay with respect to the Authority Suites all costs related to food and beverage service and (B) for the conduct of the Persons it invites to its Authority Suites for Stadium Events. The Parties agree that the Authority Suites constitute the only Suites that will be retained by any Governmental Authority.

(c) Team Suites. The Team Suites are Team Year-Round Use Areas and shall be subject to the rights and obligations set forth in **Article 14**. The Team shall be responsible (i) to pay with respect to the Team Suites all costs related to food and beverage service and (ii) as between the Authority and the Team, for the conduct of the Persons it invites to its Team Suites for Stadium Events.

SECTION 10.2. Qualified Authority Event Annual Suites.

(a) Authority Ticket Sales and Provision of Tickets to Team.

- (i) With respect to Qualified Authority Events, Annual Suite licensees shall have the option to purchase the number of tickets (for seating within the Suite) equal to the maximum number of persons permitted to occupy the applicable Suite to Qualified Authority Events, subject to **Section 10.2(c)** below. An Annual Suite may be used for any Qualified Authority Event so long as at least fifty percent (50%) of the fixed seats associated with such Suite are purchased by the Annual Suite licensee. If the Annual Suite licensee does not purchase at least fifty percent (50%) of the fixed seats associated with its Suite, then the Suite in question shall be unoccupied and remain “dark” for the Authority Event in question. The price for the Annual Suite tickets shall be determined by the Authority Event promoter, but in no event shall the price of such tickets cost more than the highest ticket price of all generally available lower bowl tickets (excluding VIP tickets, special access tickets, and other similar premium priced tickets, but not Club Seats).
- (ii) The Authority will purchase for or otherwise provide to the Team during the Term, without any charge, license, use or other fee of any kind, a number of tickets to all Qualified Authority Events corresponding to the number of fixed seats in the Team Owners’ Suite and the Marketing Suite plus the number of “standing room only” tickets customarily allocated by the Authority to other holders of comparably-sized Suites for all Qualified Authority Events except (A) the Super Bowl, (B) NCAA Basketball Final Four, and (C) major national political conventions.

(b) Obstructed Views. With respect to any Qualified Authority Event, if one or more seats in an Annual Suite has an obstructed view, then the Authority shall use commercially reasonable efforts to make available for purchase by Annual Suite licensees tickets to the Authority Event in question for seats in prime seating locations in a number equal to the number of seats in the Suite that have an obstructed view, subject to the occupancy conditions set forth in **Section 10.2(a)**.

(c) Blackout Events – Annual Suites and Naming Rights Suites. Subject to the provisions of this **Section 10.2(c)**, licensees of certain Suites shall not have the right to occupy such Suites with respect to certain Authority Events, as follows:

- (i) Annual Suites shall not have the right to occupy such Suites for the following Authority Events: (A) the Super Bowl, (B) the NCAA Basketball Final Four, (C) NCAA basketball preliminary rounds and non-basketball NCAA championships, (D) a major national political convention, and (E) not more than two (2) promoter Qualified Authority Events held annually (on a calendar year basis).

- (ii) Naming Rights Suites shall not have the right to occupy such Suites for the following Authority Events: (A) the Super Bowl, (B) the NCAA Basketball Final Four, and (C) a major national political convention.

Each of the foregoing events described in (i) and (ii) immediately above, which removes the right to occupy with respect to the Annual Suite Licensees and the Naming Right Suite Licensees is a “**Blackout Event**,” and collectively are the “**Blackout Events**.” The Authority shall be entitled to occupy and sell tickets to occupy Annual Suites and, where applicable in accordance herewith, Naming Rights Suites during Blackout Events and shall have the right to all revenue related to such sales.

With respect to all Authority Events which may become a Blackout Event, the Authority may accept the Blackout Requirement if (i) the Authority has an inability to host such Authority Event due to a failure to satisfy the Blackout Requirement, and (ii) the Authority uses commercially reasonable efforts to prevent a Blackout Requirement. The Authority shall advise and collaborate with the Team with respect to Authority Events which may require a Blackout Requirement prior to application, as applicable, or during negotiations for the potential Authority Event. If the Blackout Requirement cannot be prevented, the Authority will use commercially reasonable efforts to limit the Blackout Requirement to a minimum number of Annual Suites. If the Blackout Requirement requires less than all Annual Suites, then the Authority shall make commercially reasonable efforts to limit the Annual Suites that are available to and filled by the Authority or the promoter to satisfy the Blackout Requirement in the following order: *first*, Event-Day Suites and Unlicensed Annual Suites, *second*, Upper Suite Level Suites, *third*, Main Concourse Level Suites, *fourth*, Event Level Suites and *fifth*, Executive Level Suites (it being understood that the foregoing Suite level descriptions are based upon verbiage in drawings prepared by the architect for the Stadium pursuant to the Development Agreement Documents).

With respect to Qualified Authority Events, the Authority agrees to allow Club Seat and Loge Box seat licensees with an annual license for Team Stadium Events the right of first refusal to purchase tickets for such Qualified Authority Event for their Club Seat or Loge Box seat, or alternative prime seating location if the licensee's Club Seat or Loge Box seat is obstructed or it is not practical to utilize such seat due to the nature of the event; **provided, however**, that the Authority will provide reasonable time limits and other terms and conditions for exercising such right of first refusal to the extent reasonable and necessary to permit the Authority to market tickets and further, that this right of first refusal shall not extend to the events listed in **Section 10.2(c)(i)**. In the event a Club Seat or Loge Box seat licensee does not exercise its right of first refusal under this **Section 10.6**, the Authority shall make such remaining tickets available to the Team's other season ticket holders prior to sale or distribution of the remaining tickets to any third Person (subject to the reasonable time limits and other terms and conditions described above).

Any such use of the Stadium Name, the Plaza Name, and the Entitlement Rights Name(s) shall be in accordance with the requirements of any of the Naming Rights Agreements and Entitlement Rights Agreements that have requirements for stylized licensed presentation or form in the use of the Stadium Name, the Plaza Name, the Entitlement Rights Name(s), and the associated Marks applying thereto. The Team shall deliver written notice of such requirements to the Authority. In all cases, any use described above shall be consistent with such standards, and any departure from such standards is subject to the prior approval of the Team or its Affiliates.
- (ii) Any use of Team Indicia by the Authority must be approved in advance, in writing by the Team and must be consistent with NFL Rules, as may be amended from time to time, which rules currently permit only limited uses outside of the Team's home marketing area as defined under NFL Rules (e.g. uses on the Authority's website promoting the Stadium) such as depictions of the Stadium which include ancillary and incidental uses of Team Indicia (e.g., a photograph of the inside of the Stadium including Team logo as depicted on the Field) which are (A) de minimis in nature and (B) not associated with any third party brand, product or service.

The Authority shall defend and indemnify the Team with respect to any third Person claim arising from the Authority's merchandising activities as described herein. The foregoing right to merchandise does not restrict the Authority's right to use the Stadium Name (provided the Stadium Name does not contain any Team Indicia) in connection with merchandise associated with an Authority Event.

(c) Directional Signage. In addition, the Authority shall include (or cause to be included) the Stadium Name and the Plaza Name on all directional or other Signage that refers to or identifies the Stadium or the Plaza, as applicable. The foregoing shall also require that mutually agreed upon maps and other directional Signage of the Stadium and the Plaza will include the location of specified Entitlement Rights Name(s) areas.

Other than a Stadium Name or a Plaza Name that is/are preapproved in the last provision of this Section 11.5, prior to the Team's grant of Naming Rights, the Authority shall receive written notice of such planned name from the Team. Upon receipt of a non-preapproved Naming Rights, if any, the Authority shall have fourteen (14) days to send a notice of disapproval of any particular Stadium Name or Plaza Name to the Team due to the name prohibitions described above in this Section 11.5. If the Authority does not send such a notice of disapproval within fourteen (14) days of receipt of a Stadium Name or Plaza Name, as applicable, such Stadium Name or Plaza Name shall be deemed automatically and irrevocably approved. If the Authority sends a notice of disapproval, the Team and the Authority shall discuss in good faith, and attempt to resolve, any disagreement under this Section 11.5 related to the proposed name. If the disagreement cannot be resolved by the Parties, the Team may select a different name (and the approval procedures above shall apply) or the Team may submit the dispute to a court of competent jurisdiction pursuant to Section 32.11. Notwithstanding anything to the contrary in this Section 11.5, the Authority agrees that, with respect to the grant of Naming Rights by the Team, each of the corporate names (and any assumed or trade names or "doing business as" names which contain some portion of the

corporate name) of the Twin Cities Companies (1) is pre-approved by the Authority as an acceptable Stadium Name or Plaza Name, (2) is deemed to not contravene any of the restrictions in this **Section 11.5**, and (3) is not subject to the fourteen (14) day Authority approval period described above.

In the event that any of the Stadium Name, Plaza Name, or Entitlement Rights Name(s) given to the Stadium, the Plaza or other parts of the Stadium Infrastructure or the Stadium Site pursuant to a Naming Rights Agreement or an Entitlement Rights Agreement is changed by the Team or its Affiliates, and the Authority is by the terms of this Agreement required to use such Stadium Name, Plaza Name or Entitlement Rights Name(s), upon written notice by the Team that the Authority must change its usage and publication of the applicable name, the Authority shall promptly make such change and the Team shall reimburse the Authority, within thirty (30) days after the receipt by the Team of a detailed invoice from the Authority together with reasonable supporting documentation of such expenses, for any and all reasonable and necessary third Person costs incurred by the Authority in connection with such name change, including the third Person costs incurred by the Authority to replace letterhead, envelopes, mailing labels, business cards, advertising and promotional materials, web sites, and telephone listings and other advertising, as well as all Signage changes and building design changes, unless such costs are included in the Capital Funding Plan.

SECTION 11.7. Name Change Transition. If any of the Stadium Name, Plaza Name, or Entitlement Rights Name(s) are changed as described in **Section 11.4(b)** or **Section 11.6**, following a reasonable transition period after such changes are made, the Authority will use each such new name as applicable and as contemplated herein. The Authority shall require any Person to whom it has granted rights or licenses with respect to the foregoing to do the same.

ARTICLE 12.

CONCESSIONS AND OTHER FOOD BEVERAGE SERVICES

SECTION 12.1. Authority and Team Selection of Concessionaire. The Authority and the Team will mutually agree on the selection of a vendor or vendors to provide all forms of Concession(s) (as defined below) services for substantially all of the areas at the Stadium Site (the “**Concessionaire**” or “**Concessionaires**”). Each selection of a Concessionaire shall be evidenced by a written agreement between the Authority and Concessionaire that is approved by the Team (the “**Concession Agreement**” or in the aggregate the “**Concession Agreements**”). Concession Agreements shall, individually or in the aggregate, at a minimum, cover premium food and beverage operations, general concessions, catering and concessions for Suites, Club Seats, Loge Boxes and other areas where food and beverage service may be provided, including in those areas outside the Stadium designated by the Authority and the Team (the “**Concessions**”); **provided, however**, the Authority shall not be deemed or required to have granted Concession rights with respect to any portion of the Stadium Site with regard to which it does not have the authority to grant such rights. Unless requested in writing by the Team, (i) the Concessionaire or Concessionaires engaged to provide such services at the Stadium Site shall not be engaged by the Authority for merchandising activities on behalf of the Team; as set forth in **Section 13.1**, and (ii) the Team will engage its own merchandising vendor for Team Stadium Events.

SECTION 12.2. Concessions Revenue Allocation. The Team shall receive directly from the Concessionaires all revenues from the sale of Concessions at the Stadium Site in connection with Team Stadium Events, less any sales or excise taxes and compensation to be paid to the Concessionaire as set forth in each Concession Agreement. The Team shall also have the exclusive right to contract for and receive all revenues derived in connection with the grant of placement and branded products (e.g., pouring rights), including grants of product exclusivity and/or supplier designation(s) (e.g., “official hot-dog,” “official soft drink”), to third party vendors and suppliers for the Stadium, Stadium Infrastructure and the Stadium Site related to Concessions; **provided, however**, that such branded products, vendors and suppliers (i) shall not be of a quality that is materially lower than comparable products or providers, (ii) shall be priced at a price that is not materially higher than comparable products or providers and shall not have a material detrimental effect on Authority Event revenues, (iii) shall not have a material detrimental effect on the Authority’s Operating Expenses of the Stadium, (iv) shall not have a material detrimental effect on the health and safety of the public, and (v) shall not violate Applicable Law. Notwithstanding the forgoing, the Authority shall have the right to contract for and receive all revenues derived in connection with the grant of placement and branded products to third party vendors and suppliers for the Stadium, Stadium Infrastructure and the Stadium Site related to Concessions for the following Authority Events: (A) the Super Bowl, (B) the NCAA Basketball Final Four, (C) NCAA basketball preliminary rounds arising from a submitted application for the NCAA Basketball Final Four, (D) College football Bowl national Championship game, (E) non-basketball and non-football NCAA national championships (no more than one (1) such event every two (2) years without Consent of the Team), and (F) a major national political convention if (i) the Authority has an inability to host such Authority Event due to a failure to satisfy the Brand Requirement, and (ii) the Authority uses commercially reasonable efforts to prevent a Brand Requirement. The Authority shall advise and collaborate with the Team with respect to Authority Events which may require a Brand Requirement prior to application, as applicable, or during negotiations for the potential Authority Event. With respect to permanent Concession areas that are designated branded stands (i.e., permanent physical Concession areas that are “built-out” as part of the Stadium Infrastructure and associated with a specific Person (e.g., Famous Dave’s)) rather than a specific product type stand (e.g., barbecue), such determinations will be made by the mutual agreement of the Authority and the Team, in consultation with the Concessionaire(s), after considering general issues related to profitability, and shall not materially and adversely affect (x) the Operating Expenses of the Authority, or (y) in the case of permanent branded stands, Concessions revenues available to the Authority at Authority Events. The Team shall have access at reasonable times to all Authority records pertaining to Concession related receipts and associated transactions, and shall also have the right to request of and be granted the right by the Authority to audit, at the cost of the Team or the Concessionaire as determined in accordance with the Concession Agreement, and receive the written results of such audit, the books and records of the Concessionaire. The Team shall also have the right to receive monies related to Team Stadium Events that arise from any such audit, including interest, directly from the Concessionaire. For all Stadium Events, the Team and the Authority shall utilize only those Concessionaires agreed upon by the Authority and the Team.

SECTION 12.3. Prohibition on Subcontracting. All Concession Agreement(s) and Concession related agreements shall not be exclusive so as to preclude specialized catering for entertainers, athletes or events featuring specific food as part of the Stadium Event or a separate

restaurant operation, or independent operation of the Team Restaurant. Concession Agreements shall not permit the Concessionaires to sub-contract for food services, including branded stations, without the express prior written approval of the Authority and the Team.

SECTION 12.4. Management of Concessionaire During Events/Concessionaire General Manager.

(a) Management of Concessionaire During Events. The Authority shall have the responsibility and the right to manage the Concession operations at the Stadium during all Stadium Events; **provided, however,** the Authority shall work cooperatively and collaboratively with the Team, and cause the Concessionaire to do the same so that representatives of the Team may provide on-site advice, counsel and requests at Team Stadium Events which relate to compliance with this Agreement and the Concession Agreement. The Team, however, shall not have the right to issue binding directives to the Concessionaire or its representatives (which directives shall be made by representatives of the Authority). The Authority shall manage the Concessions in accordance with the requirements of this Agreement and the Concession Agreement. The Authority shall manage such that the Concessionaire shall at all times conform to the standards of performance required by the Concession Agreement.

(b) Concessionaire General Manager. The Authority and the Team shall jointly select the general manager of each Concessionaire, and any and all replacements of such general manager(s). If at any time the Team finds that the concessionaire's general manager or the general manager's assistant is unsatisfactory, and such causes and reasons are reported in writing by the Team to the Authority, and the Team and the Authority jointly agree, then the Authority shall promptly, in any event within ten (10) Business Days, unless specifically extended in writing by the Team, notify the Concessionaire in writing that the general manager and/or general manager's assistant, as applicable, must be replaced. Any replacement of the general manager shall be a joint decision of the Authority and the Team. In the event of a change of a general manager that is not pre-approved, and the Concessionaire is required to pay to the Authority a management change fee, and such management change fee shall be equally shared by the Team and the Authority.

SECTION 12.5. Determination of Quality, Menu, Pricing, Portion Sizes and Brands. The Team shall determine the quality, menu, pricing, brands of products and manner of service of all Concessions to be sold at the Stadium Site for Team Stadium Events, and shall have the additional rights set forth in **Section 12.2** with respect to all Stadium Events and the Stadium Site. The Team will work cooperatively and collaboratively with the Authority and the Concessionaire regarding the quality, menu offering, pricing, portion sizes and other matters affecting Concessions to be offered at Team Stadium Events; **provided, however,** that the Team shall have final decision making authority with respect to such matters for Team Stadium Events and the Authority shall have final decision making authority with respect to such matters for Authority Events. The Concession Agreements shall not prohibit sampling on the Stadium Site by sponsors or licensees of the Authority or the Team and its Affiliates.

SECTION 12.6. Authority and Team Consultation Regarding Food, Beverage and Other Concession Matters. The Authority and the Team shall work cooperatively to collaborate with respect to all matters related to services provided by the Concessionaire(s), including (i) all

Concessions, without limitation, the premium food and beverage, general concessions and catering services to be provided and items to be sold in each sales location within the Stadium Site, and (ii) the minimum number of vendor personnel who will work in each of the Concessionaire facilities and/or level of the Stadium Site, including determining the length of time vendors will be required to continue to sell products in the stands during a Stadium Event. Subject to the provisions of this **Article 12**, each Concession Agreement shall require the Concessionaire to obtain the approval (i) of the Team with respect to the items to be sold, and personnel levels and selling periods, in the Stadium Site consistent with the provisions of this Agreement for Team Stadium Events, and (ii) of the Authority with respect to the items to be sold and personnel levels and selling periods, in the Stadium Site with respect to Authority Events. It shall be the responsibility of the Concessionaire to coordinate with the Team and the Authority with respect to any such approvals.

SECTION 12.7. Purchases by the Authority and the Team.

(a) Authority and Team Purchases. Each Concession Agreement shall provide that the Concessionaire shall provide the Authority (consistent with Authority policy), the Team, the Manager, or other third Persons utilizing the facilities with services for the benefit of, respectively, the Authority or the Team and their Affiliates, employees or other guests of such Persons, which shall be billed to the Person utilizing such facilities and services on a cost or cost-plus basis, as determined by the Concession Agreement. The foregoing includes, by way of example, services provided to the Authority, the Team, the owner(s) of the Team, the Team Owners' Suite, Marketing Suite, Authority Suites (consistent with Authority policy), press boxes, employee and press dining rooms and other allocated spaces, and official functions of the Authority and the Team.

(b) Employee and Press Dining Room(s). Each Concession Agreement shall provide that the Concessionaire shall operate and provide food and beverages, catering, and other Concessions requested, to members of the media, employees of the Authority (consistent with Authority policy) and the Team, and their Affiliates, and other business associates in one or more dining rooms designated for such use. Each Concessionaire shall agree that it shall charge all business use "on account" by the Authority, the Team and their Affiliates. Charges for the food, beverages, and other Concessions shall be provided on a cost or cost-plus basis, as determined by the Concession Agreement.

SECTION 12.8. Limitation on Lump Sum Payments. Neither the Authority nor the Team shall accept directly or indirectly from any Concessionaire, without mutual agreement of the other Party, any lump-sum payments of anticipated Concession revenues or other monies or items of value that would materially and adversely affect the revenues received from the Concessionaires by the other party if such consideration had not been received. The foregoing shall not apply to required capital improvements required to be paid by the Concessionaire under the applicable Concession Agreement. The Authority and Team further acknowledge and agree that the foregoing shall not apply to the Team Funded Capital Investment Allowance set forth in **Article 4** of the **Concession Agreement**.

SECTION 12.9. Sale of Alcohol Beverages.

(a) Alcohol Beverage Policy. The Team shall have the right to designate at which Team Stadium Events, and periods before and during such Team Stadium Events, alcohol beverages will be offered for sale within the Stadium, Stadium Infrastructure and the Stadium Site. Such Team designations shall be in accordance with Applicable Law. The Team shall also reasonably consider the appropriateness of offering alcohol beverages at the particular Team Stadium Event (for example, events for high school students and religious convocations). The Team has entered into this Agreement with the expectation that the Authority shall be permitted and required to serve and sell alcohol beverages at the Team Stadium Events, in accordance with the policies currently in place at the Existing Stadium with respect to such matters as the periods during which alcohol beverages may be offered for sale, the types of alcohol beverages which may be offered for sale and the number of alcohol beverages which may be offered for sale to an individual customer.

(b) Licensing Requirement. The Authority shall at all times during the Term own and maintain all privileges, licenses and permits in accordance with Applicable Law for the sale and consumption of intoxicating or alcohol beverages on or in the Stadium Site, including the Stadium and the Stadium Infrastructure.

(c) Restrictions Imposed on Alcohol Offering. If the Authority is restricted from offering alcohol beverages for sale at the Stadium Site during the Term contrary to the Team's reasonable expectations as a result of the policies and procedures established by the Authority (but other than as a result of the fault of the Team), and the Team demonstrates a material financial detriment as a direct result thereof, the Authority shall negotiate in good faith an equitable settlement of any revenue loss.

(d) Compliance with Minnesota Alcohol Statutes. The Authority shall comply with the provisions of Minnesota Statutes section 340A.909, and any similar statutes adopted and in effect from time to time in the State of Minnesota.

(e) Proceedings Regarding Licenses and/or Permits for the Sale of Alcohol Beverages. The Authority shall advise the Team in writing of any pending or threatened actions against the Authority or any Concessionaire which could result in the suspension or revocation of any privilege, license or permit necessary to the service of alcohol beverages at the Stadium Site. In the event of the suspension or revocation of any such privilege, license or permit, and if such suspension or revocation shall not be stayed or appealed in a manner that will permit the Authority to continue to serve alcohol beverages, the Authority shall be obligated to secure a subcontractor, at its sole cost and expense (without financial or other effect on or to the Team), authorized to sell alcohol beverages. Upon restoration of the Authority's privileges, licenses and/or permits so that it can serve alcohol beverages, the Authority shall resume the sale of alcohol beverages, and the services of the subcontractors shall be terminated. If the Authority fails to obtain a subcontractor as provided above, it shall be a default of a material obligation by the Authority under this Agreement.

SECTION 12.10. Team Intended Third Party Beneficiary Status. The Authority acknowledges that the quality of the food and beverage service at the Stadium Site is critical in

the success of Team Stadium Events and therefore, the Team shall at all times be a direct and intended third party beneficiary of each Concession Agreement, and will be granted the right to enforce the provisions of each Concession Agreement which provide products and/or services to the Team and Team Stadium Events. Such third party beneficiary rights shall include, without limitation (i) audit rights with respect to commissions, (ii) point of sale and other service delivery systems and equipment, (iii) subject to the Team's rights as set forth in **Section 12.2**, determination of menus, pricing, quality, product offerings, procurement, Advertising, alcohol beverages to be offered and sold (including the time periods of such offer and sale) for Team Stadium Events, (iv) approval of and participation in training of Concessionaire personnel to achieve the required service level for multipurpose NFL stadiums and Team Stadium Events, (v) prohibition and removal of liens, and (vi) general standards of conduct required of Concessionaire under this Agreement. In addition to the foregoing, it is acknowledged and agreed that Licensor and Concessionaire shall make commercially reasonable efforts to coordinate and cooperate with the Team in the timing, delivery and provision of services for Team Stadium Events, including coordination with representatives to resolve operational and other issues which arise in connection with the services.

SECTION 12.11. Concessionaire Default – Team Rights. In the event that a Concessionaire is in breach and/or default under its agreement with the Authority, and the Concessionaire has not remedied the default within a reasonable period of time, the Authority will cooperate with the Team in exercising remedies, including termination of the Concession Agreement and finding a suitable replacement Concessionaire within a commercially reasonable period of time. All replacement Concession Agreements or extensions or amendments of existing Concession Agreement and Concession-related agreements shall require the approval of the Team.

**ARTICLE 13.
MERCHANDISE**

SECTION 13.1. Team Merchandising Revenue. The Team or its licensee (to be selected and compensated solely by the Team) shall have the exclusive right at (i) Team Stadium Events to sell Merchandise by roving hawkers, freestanding kiosks, moving or stationary booths, display racks, and other such selling methods at locations on the Stadium Site, and (ii) all Stadium Events to operate the Team Store and to sell Merchandise and other items, and offer such services, as customarily offered by a Team Store. The Authority shall provide, as agreed to by the Authority and the Team during the design of the Stadium, space at the Stadium and within the Stadium Infrastructure dedicated to the sale of Merchandise by the Team or its licensee and for storage of the Team's or its licensee's Merchandise, moveable kiosks, booths, display racks, and other selling equipment, without any charge. The Team shall pay (i) the capital cost of any freestanding kiosks, booths, display racks, and other such selling equipment that the Team or its licensee requires that are not included in the facilities or equipment included in the Stadium or Stadium Infrastructure and (ii) the direct operating costs incurred by the Team, such as staffing costs, in selling Merchandise of the Team or its licensee. All revenues from the sale of Merchandise by the Team or its licensees shall, as between the Authority and the Team, belong solely to the Team. All (i) non-Team Store Team merchandising locations shall have the right to maintain business hours for a reasonable time before, during, and for a reasonable time after all

Team Stadium Events, and (ii) all Team Stores shall have the right to maintain business hours for a reasonable time before, during, and for a reasonable time after all Team Stadium Events; **provided, however**, that the hours of operation of the Team Stores designated as part of the Team Allocated Spaces that are accessible from outside the Stadium shall be established solely by the Team without restriction. The Team Store shall be allowed to be open during Authority Events to sell its regular inventory (and not inventory which is acquired for sale solely for such Authority Event).

SECTION 13.2. Authority Merchandising Rights. The Authority or its licensee (to be selected and compensated solely by the Authority) shall have the right at Authority Events to sell Merchandise by roving hawkers, freestanding kiosks, moving or stationary booths, display racks, and other such selling methods at locations on the Stadium Site, except that the Authority shall not have the right to (i) occupy or utilize the Team Allocated Spaces, and (ii) sell professional football-branded Merchandise or, at any time that the Team or its owner(s) have established an MLS soccer team at the Stadium pursuant to **Section 3.8**, sell MLS branded-Merchandise, except with the approval of the Team.

If it is determined by the Team and the Authority that a single Merchandise vendor shall be utilized for all Stadium Events, the vendor shall be selected by the mutual agreement of the Team and the Authority, with the requirement that the Team provide written approval of any such selection (and of any successor).

SECTION 14.4. Team Locker Room Use by Authority. The Team shall allow the Authority to use and possess the Team locker room and associated space for the Super Bowl, NCAA Basketball Tournament, and other Authority Events approved by the Team. The Authority shall be responsible for any related maintenance, repair and cleaning of these spaces for, or resulting from, said use.

SECTION 14.5. Chairman's Lounge. The Chairman's Lounge (which may also be referred to as the "Founder's Lounge" or the "Valhalla Founder's Lounge") (the "**Chairman's Lounge**") is a Team Privately Financed Enhancement (as defined in the Development Agreement) and is designated as a Team Year-Round Use Area. The Chairman's Lounge is not available for Stadium Event sales and will not be included as a saleable space in any ticket manifest.

(a) Team Use of Chairman's Lounge – Stadium Events. The Chairman's Lounge may not be used for a Competitive Event or a Chairman's Lounge Competitive Event; **provided, however**, the Team shall have exclusive use at all times of the Chairman's Lounge, and such space may be used by the Team for (i) internal Team operations and meetings and (ii) marketing, including sales presentations and business development, in each case of (i) and (ii) above on non-Event days and during Team Stadium Events and Authority Events.

(c) Use of Concessionaire. The Team will utilize the Concessionaire for food and beverage services in the Chairman's Lounge during Stadium Events, but the Team is not required to utilize the Concessionaire at any other time. By way of clarification, the Team is not required to use the Concessionaire for internal Team operations and meetings or marketing, including sales presentations and business development. If the Team elects to not utilize the Concessionaire as allowed under this Section, the Team will be responsible for any and all costs associated with providing the food and beverage services through a Person other than the Concessionaire.

(d) Authority Use of Chairman's Lounge. The Authority may use the Chairman's Lounge (i) for Blackout Events set forth in **Section 10.2(c)(i)** (Blackout Events – Annual Suites and Naming Rights Suites), pursuant to the provisions set forth in such **Section 10.2(c)(i)**, or (ii) at other times with the Consent of the Team. If the Authority uses the Chairman's Lounge, the Authority will be responsible for (x) obtaining and paying for any additional insurance coverage, beyond that maintained by the Authority for Team Year-Round Use Areas, if any, (y) defending and indemnifying the Team and its Affiliates for any acts or omission arising from, in connection with, or incident to the Authority's use of the Chairman's Lounge, (z) all Concession and other charges by vendors attributable to such Authority use, including food and beverage service and any merchandise, (aa) janitorial cleaning and restoration of the lounge to its pre-use condition, and (bb) repair or replace for any damage to the Chairman's Lounge attributable to the use by the Authority.

The Team Stores will have the right to conduct retail operations consistent with **Article 13** (Merchandise), including hours of operation, Stadium Events to which operations apply, and the merchandise inventory that may be sold in connection with certain Stadium Events. The Team Stores locations are set forth on **Exhibit M** for the upper concourse level, main concourse level, the south lower club level, and as part of the Hall of Fame (as determined by the Team in accordance with **Section 14.8**).

(b) Team Store Blackout Events. The Team Store location shown on **Exhibit M-3** (South Lower Club Level) will not be available for use by the Authority or the Team during the Authority Events defined in **Section 10.2(c)(i)** (Blackout Events), excluding **Section 10.2(c)(i)(E)** (promoter Qualified Authority Events). As it pertains to the Team Store shown on **Exhibit M-3**, such space shall be Team Year-Round Use Area unless the Team installs a separate door directly from the space to the exterior of the Stadium, at which point, it will be designated as Team Allocated Space; **provided, however**, that any interior door from a Team Store may only be open during Team Stadium Events, unless otherwise agreed to by the Authority.

SECTION 14.7. Storage Spaces – Year Round and Seasonal Storage Areas.

(a) Year Round Exclusive Storage Space – Cheerleader Storage Area. **Exhibit N-7D** depicts the Cheerleader Storage Area that has been designated as a Team Year-Round Use Area and, as such, the Team will have exclusive use of the Cheerleader Storage Area on a year round basis and such storage area shall not be available for use by the Authority. The Cheerleader Storage Area is one of several Team storage areas within the Stadium set forth in **Exhibit N**.

(b) Seasonal Storage Areas – East Event Level. The East Event Level of the Stadium depicted on **Exhibit O** sets forth three (3) Team Seasonal Storage Areas that are available for the exclusive use of the Team during the NFL Season, and for a two (2) week period prior to and immediately following the NFL Season. During the NFL Season, and for the two (2) week periods prior to and immediately following the NFL Season, the Authority shall not have the right to use the Seasonal Storage Areas. At any time other than during the NFL Season, the Authority will have the right to use the Seasonal Storage Areas in its sole discretion.

SECTION 14.8. Hall of Fame/Hall of Honor.

(a) Hall of Fame – Location and Uses. The Hall of Fame, which may also be referred to as the “Hall of Honor” or such other name as determined in the reasonable discretion of the Team is depicted on **Exhibit M-4**. The location of the Hall of Fame depicted on **Exhibit M-4** may be used for the Hall of Fame, Team Store(s), or a Team Restaurant(s), or any combination of the foregoing.

(b) Operating Costs and Capital Improvements. With respect to the Hall of Fame, either:

- (i) if the Hall of Fame is and remains a stand-alone space as depicted in **Exhibit M-4**, the Team will be responsible for all operating costs and expenses (including all costs, expenses and use fees associated with mutually agreed upon provisioning and use of extended infrastructure and technology systems), or
- (ii) if the Hall of Fame at any time is located in a shared space (e.g., concourses), the Team will be responsible for all unique costs (e.g., installation of displays, display cases and items within display cases), including material utility and insurance expenses (which may be covered under the Team insurance policies) associated with the contents of and within the Hall of Fame (but not repair, maintenance or ordinary Operating Expenses associated with the space generally).

SECTION 14.9. Team Restaurant(s). It is acknowledged and agreed that part or all of the Hall of Fame area may be repurposed to include a Team Restaurant(s) in the sole discretion of the Team, subject to other requirements of this Agreement.

ARTICLE 15.
BROADCAST RIGHTS; BROADCASTER ACCESS

SECTION 15.1. Team Broadcast Rights. The Team and the NFL shall have the exclusive right to, and to authorize and license others (with a right to sublicense) to, exercise Broadcast Rights with respect to, and on the days of, all Team Stadium Events and to retain all revenues derived therefrom. The Authority grants to the Team an exclusive, royalty-free, sub-licensable, perpetual, and worldwide right and license to include any likeness, Image, sound or other item visible or available in the Stadium, Stadium Infrastructure and Stadium Site from time

to time in any exercise of the Broadcast Rights. The Team shall pay all expenses and taxes associated with the exercise of such Broadcast Rights for Team Stadium Events; **provided, however,** that the use of any and all Communications System(s) or Communication Service(s) in the exercise of Broadcast Rights shall not require payment therefor except to the extent such use is a Team Event-Day Expense, or as otherwise set forth in this Agreement. The Authority will reasonably cooperate with the Team and with those Persons producing any such broadcasts and productions for the exercise of Broadcast Rights in all phases of the preparation, broadcast, and production of Team Stadium Events and the attendant and ancillary activities thereto. The Team shall be authorized to issue the number of passes or credentials for admission to the Stadium, Stadium Infrastructure and Stadium Site of personnel needed for the exercise of Broadcast Rights and for the preparation of such broadcast events, the production thereof, and the removal of equipment thereafter. The Authority represents, warrants, covenants and agrees that it will not authorize any other Person to exercise any Broadcast Rights with respect to Team Stadium Events.

SECTION 15.2. Team Ownership of Broadcast Rights. With respect to all Broadcast Rights to any Team Stadium Events and all associated products created or otherwise produced from the exercise of such Broadcast Rights (including all Intellectual Property rights arising therefrom), the Team or its designee shall, as between the Team and the Authority, be the sole owner in perpetuity of such Broadcast Rights and associated products and may exploit the products of all such activities in its discretion throughout the world in any and all media without further authorization from or payment or compensation to the Authority. Any and all Broadcast Rights set forth in this Agreement shall be subject to the NFL Rules, and all rights that arise therefrom and thereto.

SECTION 15.3. Broadcaster Access. The Authority shall provide any Person exercising Broadcast Rights (which Persons shall be designated by the Team) with reasonable access to the Stadium at reasonable times in advance of Team Stadium Events so as to enable preparation and testing for the broadcast of Team Stadium Events, including those broadcasters designated by the Team to broadcast and transmit Team Stadium Events by radio, television, cable, satellite transmission, pay-per-view, wireless networks, telephone, Internet, electrical power lines, data transmission lines, world wide web (including video streaming), or by any and all other communications media or methods, whether presently existing or hereafter developed (each such Person, a “**Broadcaster**” and collectively, the “**Broadcasters**”). The Authority shall also provide reasonable assistance to the Broadcasters with respect to lighting in the Stadium so as to enable preparation and testing of such broadcast.

SECTION 15.4. Installations. Broadcasters may, at their own expense, at reasonable times in advance of and on the days of Team Stadium Events, on or around the Stadium, Stadium Infrastructure and Stadium Site, temporarily install, operate, maintain and remove such broadcast and associated production equipment as the Broadcasters may reasonably require in order to produce a high quality broadcast (including cameras, dedicated electronic, wireless access points, data, and telephone leads, platforms, wires, announcer booths, sound equipment, vans, trucks, graphic units, cables, cable trays, microphones, lighting, power lines, equipment and other apparatus reasonably necessary or appropriate to enable the Broadcasters to conduct broadcasts of Team Stadium Events and all associated activities). In no event shall Broadcasters have the

right to interfere with Authority Events. The Authority shall permit the Broadcasters to have access to electrical power upon terms and conditions comparable to the practices then generally in effect at other NFL stadiums. The Team shall use commercially reasonable efforts to cause the Broadcasters to remove all their broadcast and associated equipment from the Stadium as soon as reasonably practicable under the circumstances (including the use of the Stadium for scheduled Authority Events) following the completion of Team Stadium Events.

ARTICLE 16.
COMMUNICATIONS SYSTEMS

SECTION 16.1. Communications Components.

(a) Communications Infrastructure. The Parties agree that the Stadium will have communications infrastructure including the arrangement of duct banks, conduits, wiring, fiber, cabling, cable trays, connectors, and associated equipment, hardware and facilities designed, constructed, installed and maintained for the purpose of receiving, transmitting, amplifying or distributing a Communications Service on a Communications System (collectively, the “**Communications Infrastructure**”). The Communications Infrastructure will be part of the Master Project Budget, except for Team Allocated Spaces or as otherwise excluded by the SDC Group.

(b) Communications Systems. The Communications Infrastructure will be used to support interconnected communication networks, including transmission components and communications and transmission devices for transferring singularly or collectively; voice, data, radio, video or multimedia transmissions for the purpose of providing a Communications Service (each a “**Communications System**” and collectively, the “**Communications Systems**”). The Communications Systems costs will be included in the Master Project Budget as applicable, except for Team Allocated Spaces, DAS and WiFi and as otherwise excluded by the SDC Group or allocated to the Parties in this Agreement.

(c) Communications Services. The Stadium will have voice, data, radio, video, or multimedia network services (including any associated features or functions associated with any of the foregoing), electronic security services, audio and video conferencing services, Internet access services, and other similar present or future communication technology services regardless of the technology or medium used (each a “**Communications Service**” and collectively, the “**Communications Services**”).

(d) Communications Content. “**Communications Content**” will include material, documents, records, images, video, information, forms, software, tools, hosted services, broadcast or digital media regardless of the packaging, organization, access or procurement methods that is transmitted on a Communications System. The Team shall be financially responsible for all costs associated with any Communications Content used by the Team including (i) Team requested Communications Content not otherwise provided by the Authority (i.e. related to life/safety and building operations), (ii) Team Event-Day Expenses related to Communications Content, (iii) Team Year-Round Use Areas in accordance with **Section 14.1(iii)** and (iv) Team Allocated Spaces in accordance with **Section 14.1(i)**.

SECTION 16.2. Control Room. The Parties agree that the Stadium and Stadium Infrastructure will include a control room for operation of the Communications Systems (the “Control Room”).

SECTION 16.3. Revenue from Communications Systems.

(a) Team Revenue from Communications Systems and Communications Services. In connection with any Communications System or Communications Service contract entered between the Authority and a third Person, the Team shall have the exclusive right to all revenue from Advertising Rights in connection with such contract. The restriction set forth in **Section 19.4** does not apply to Advertising Rights or sponsorship designations for DAS, WiFi and broadband contracts.

(b) Other Net Revenues from Communications Systems and Communications Services. Other than as provided in **Section 16.3(a)** with respect to Advertising Rights arrangements, the Authority and the Team shall share equally all revenues net of the aggregate Communications Systems and Communications Service operating and maintenance costs, except as otherwise prescribed by **Section 16.6**, generated by or arising in connection with Communications Systems and Communications Services contracts, including discounts and credits from the direct licensing, user fees, service fees, and such purchase of equipment and fixtures for a Communications System.

SECTION 16.4. Control of Communications Systems and Control Room.

(a) Team Stadium Events.

(i) The Team shall have primary control of and over the Communications Systems and Control Room at the Stadium with respect to all Team Stadium Events; **provided, however**, that: (A) the Team shall not display information that may be inconsistent with general community standards; and (B) the Authority shall have access to and control of the Communications Systems and Control Room to the extent necessary to protect public safety and the stability of overall Stadium operations. Before, during and after Team Stadium Events, the Team will allow the Authority the unrestricted right to use the Communications Systems and Control Room in any manner necessary to make communications related to public safety and emergencies.

(ii) Before, during and after Team Stadium Events, the Team will allow the Authority to use the in-Stadium public address Communications System and the Non-Exclusive Signage on the LED ribbons and/or the main scoreboard video Communications System without charge for (A) non-emergency public service announcements (i.e., those messages with a public purpose which are in the public interest), and (B) the promotion of Authority Events; **provided, however**, that the allotment of time to the Authority before, during and after each Team Stadium Event for such public service announcements and promotions of Authority Events shall

not exceed five (5) minutes in the aggregate, and shall be allocated as follows: (1) one hundred twenty (120) seconds prior to a Team Stadium Event, (2) sixty (60) seconds during a Team Stadium Event, and (3) one hundred twenty seconds (120) after a Team Stadium Event. Such public service announcement and promotions of Authority Events shall not conflict with the Team Stadium Events or the Advertising Rights of any third Person at the Team Stadium Event. No such announcement or promotion will (x) be made during or between plays of a Team Game, (y) at any time during the fifteen (15) minutes immediately prior to the Team Game kickoff, nor (z) within three (3) minutes after the end of a Team Game.

(b) Authority Events and Other Times.

- (i) Except as provided in **Section 16.4(a)** and this **Section 16.4(b)**, the Authority shall have primary control of and over the Communications Systems and Control Room at the Stadium. The Authority shall engage or hire a third-Person or third-Persons to operate and control the Communications Systems and Control Room at the Stadium. Such Person or Persons shall be subject to the Consent of the Team, which Consent right shall apply to the hiring, termination and replacement of such Person or Persons (any decision with respect to the foregoing shall be made in consultation with the Team).
- (ii) To the extent that the Authority is allocated time and space for public service announcements by an Authority Event promoter, before, during and after Qualified Authority Events, the Authority will allow the Team to use the in-Stadium public address Communications System and the Non-Exclusive Signage on the LED ribbons and/or the main scoreboard video Communications System without charge for the promotion of Team Stadium Events; **provided, however,** that the allotment of time to the Team before, during and after each Authority Event shall be either (A) one-half (1/2) of the allotted time provided to the Authority, with the allocated time not to exceed the specified pre, during, and post event time periods specified in the immediately following clause, or (B) if the allotted time permits, a period not to exceed five (5) minutes in the aggregate, and shall be allocated as follows: (1) one hundred twenty (120) seconds prior to an Authority Event, (2) sixty (60) seconds during an Authority Event, nor (3) one hundred twenty seconds (120) after an Authority Event as determined by the event promoter. If the Authority has granted exclusivity to a sponsor of the Authority Event, the Team public service announcements shall not conflict or otherwise be competitive with such Authority sponsor. Such promotions of Team Stadium Events shall not conflict with the Authority Events or the Advertising Rights of any third Person at the Authority Event.

SECTION 16.5. Obligations for Communications Systems and Control Room.

(a) Team Rights and Obligations for Communications Systems and Control Room. The Team will furnish, and pay the cost of, its own Communications Systems operator (or operators) in the Control Room for each Team Stadium Event. A Communications Systems operator (or operators) employed or contracted for by the Team shall have access to the Communications Systems and Control Room to the extent reasonable and necessary for the Team to make its intended uses of the Communications Systems and Control Room for each Team Stadium Event. Other than as provided for in **Section 16.5(b)**, the Team shall pay all staffing costs for such use of the Communications Systems and Control Room for and related to Team Stadium Events and other material costs for use by the Team unrelated to a Team Stadium Event. In addition, (i) the Team shall have the right (a) at the Team's sole cost and expense, to have an Agent or other representative present in the Control Room at all times during Stadium operations, including before, during and after Authority Events, and (b) to Consent to the design, content and configuration of the Control Room (e.g., what equipment is put into and taken out of the Control Room), and (ii) the Control Room shall be available for use by the Team (including its Agents and Communications Systems operators) (A) for the loading and rehearsal at least seventy-two (72) hours prior to any Team Stadium Event (and such loading shall not be disturbed) **provided** that such usage does not adversely impact an Authority Event, and (B) be fully operational as soon as practicable after the Commencement Date and, before July 1 of each subsequent upcoming NFL Season.

(b) Authority Obligations for Communications System Personnel on Team Stadium Event Days. At the Authority's sole cost and expense (which shall not be a Team Event-Day Expense), the Authority shall have appropriately trained and skilled Communications Systems personnel (engineers and technicians) present as necessary at all Team Stadium Events to address and resolve any issues related to the Communications Systems that may arise before, during or after a Team Stadium Event.

SECTION 16.6. Procurement of DAS and/or WiFi Communications System and Services. The Authority and the Team shall work cooperatively in the planning for, requests for proposals with respect to, drafting of and negotiation of, and evaluation of alternatives for procurement of DAS and WiFi. Such Communications Systems and Communications Services may be procured on a combined basis or separately. The Authority and the Team will solicit proposals for the DAS and WiFi Communications Systems and Communications Services. If the Team and the Authority mutually agree on the selection of a provider of a DAS and/or WiFi Communications System and Communications Service (either as a combined Communications System or as separate Communications Systems), the Authority and the Team shall share equally all net revenues; **provided, however**, either before or following the solicitation and evaluation of proposals, the Team may designate a provider of a DAS or WiFi Communications System and Communications Service if the designated DAS or WiFi Communications System and Communications Service (a) is not of a quality that is materially lower than comparable systems or services and (b) meets all of the specifications and applications for the system and service as set forth by the Authority and the Team; **provided, further**, if there is a material detrimental effect on the Authority's aggregate revenues for a DAS or WiFi Communications Services, composed of (x) the amount of capital that would have been received in excess of the capital

requirements to initially install and activate such Communications Systems under a given Communications Systems proposal and (y) aggregate annual revenues that would have been paid to the Authority by the highest responsive proposal of a qualified proposer which was not designated by the Team, then the Team shall pay to the Authority the amount of such determined material detrimental effect. If the procurement of or the Team's payment to the Authority as set forth herein for the DAS or WiFi Communications Systems provides capital in excess of the capital requirements to install and activate such Communications Systems, but not including any ongoing revenues as provided in **Section 16.3(b)**, such excess capital shall be applied as set forth in **Section 8.1(a)(iv)** of the Development Agreement. Following selection or designation of a provider of DAS and/or WiFi Communications System or Communications Service (which may include the provision of a local area network ("LAN") and/or Internet protocol telephony ("IP Telephony") Communications System) pursuant to this **Section 16.6**, the Authority and Team shall work cooperatively to finalize and approve the design and specifications (including selection of fixtures, equipment, hardware and software), and to negotiate and approve final contract terms with the applicable provider of such Communications System or Communications Service. The final design, specifications and contract terms for such DAS, WiFi, LAN and IP Telephony Communications System or Communications Service, as applicable, must be approved in writing by both the Authority and Team. Any sale, lease, license or other grant of use of capacity on the WiFi Communications System to any third party, and the terms of such sale, lease, license or other grant of use, must be jointly negotiated and approved in writing by the Authority and Team. Any net revenues from the sale, lease, license or other grant of use of capacity on the WiFi Communications System to a third party will be shared equally between the Authority and Team.

SECTION 16.7. Procurement of Broadband Communications System and Service. Joint Procurement Process. The Authority and the Team shall work cooperatively in the planning for, requests for proposals with respect to, drafting of and negotiation of, and evaluation of alternatives for procurement of broadband. The Authority and the Team will solicit proposals for a broadband Communications System and Communications Service. If the Team and the Authority mutually agree on the selection of a provider of a broadband Communications System and Communications Service, the Authority and the Team shall share equally all operating costs; **provided, however**, either before or following the solicitation and evaluation of proposals, the Team may designate a provider of a broadband Communications System and Communications Service if the designated broadband Communications System and Communications Service (i) is not of a quality that is materially lower than a comparable system or service and (ii) meets all of the specifications and applications for the system and service as set forth by the Authority and the Team; **provided, further**, if there is a material detrimental effect on the Authority's operating costs for broadband Communications Services, the Team shall pay the Authority on an annual basis, an amount equal to the difference between (A) the amount the Authority would have paid as its share of the broadband Communications System and Communications Service operating costs under the lowest reasonable cost responsive proposal of a qualified proposer which was not designated by the Team, and (B) the amount the Authority does pay as its share of the broadband Communications System and Communications Service operating costs as a consequence of the Team's designation.

(b) Team Election to Contract Directly. Notwithstanding **Section 16.7(a)**, either before or following the solicitation of proposals, the Team may elect to contract directly with a provider of broadband Communications System and Communications Service and the Team shall be solely responsible to pay for all of its operating costs of such Communications System and Communications Service. In the event the Team makes such an election, the Authority shall separately contract directly with a provider of broadband Communications Systems and Communications Service and the Authority shall be solely responsible to pay for all of its operating costs of such Communications System and Communications Service; **provided, however**, the Team shall pay the Authority on an annual basis an amount equal to the difference between the annual operating costs to the Authority under the lowest reasonable cost of a responsive proposal of a qualified proposer, which was not selected by the Team (which may include a proposal under **Section 16.7(a)**) and the operating costs which are incurred by the Authority under such proposals not selected by the Team.

SECTION 16.8. Wireless and Future Technology. The Team shall have the right to supplement the Communications Systems and the Control Room or add Communications Content, so long as such supplements (a) do not interfere with the basic operations of the Stadium and Stadium Infrastructure, (b) serve to enhance the Team's fans in their Team Stadium Event experience, and (c) all material operating and capital costs for such supplements are paid for by the Team, unless the Authority has agreed to fund such supplements; **provided, however**, that any supplements made by the Team to a Communications System or the Control Room shall require the Consent of the Authority.

**ARTICLE 17.

SECTION 17.1. Authority Intellectual Property.

(c) No Contest of Authority Ownership of Authority IP. The Team agrees not to, and agrees to use good faith efforts to cause its sublicensees (including Affiliates) not to, contest the Authority's or its licensors' ownership of the Authority IP, including the commencement or prosecution of any action to oppose, cancel or otherwise challenge the Authority's or its licensors' rights in the Authority IP.

(d) Prohibition on Team Registration of Authority Marks and Authority Images. The Team shall not, and shall use good faith efforts to cause its sublicensees (including Affiliates and the NFL) not to, apply to register or obtain registration in any country for any name or mark or any work identical or similar to or derivative of, or based upon, any Authority Mark or Authority Image or copyrighted work based thereon, nor shall the Team take, or permit its sublicensees (including Affiliates and the NFL) to take, any other actions that may impair the rights of the Authority or its licensors in the Authority IP. The Authority reserves all rights in the Authority IP not granted herein.

(e) License of Authority Marks to Team. Subject to the terms and conditions of this Agreement, during the Term of this Agreement, the Authority hereby grants to the Team, and the Team hereby accepts, a non-exclusive, nontransferable (subject to the terms of **Section 23.1**), royalty-free, sublicensable right to use the Authority Marks for any lawful purpose in connection with the Team's Advertising Rights, Signage Rights and Future Marketing Rights granted herein for the sole purpose of executing the Team's rights and responsibilities under this Agreement. The Authority shall not, and is not granting, any right or license herein to the Team for which it does not have the right to do so.

As between the Parties, the Team (and/or its Naming Rights Sponsors and Entitlement Rights Sponsors) shall be responsible for developing, creating, clearing and registering the Team IP. All Team Indicia (excluding Composite Marks) is and will remain the exclusive property of the Team or its Affiliates.

(d) Prohibition on Authority Registration of Team Indicia and Team Images. The Authority shall not, and shall use good faith efforts to cause its sublicensees not to, apply to register or obtain registration in any country for any name or mark or any work identical or similar to or derivative of, or based upon, any Team Indicia (excluding Composite Marks), any of the Names, or any copyrighted work based thereon, nor shall the Authority take, or permit its sublicensees to take, any other actions that may impair the rights of the Team, the NFL, the licensees and sublicensees of the Team or the NFL in the Team IP, or the Intellectual Property of any Naming Rights Sponsor or Entitlement Rights Sponsor. The Team reserves all rights in the Team IP not granted herein.

(e) Ownership and Use of Naming/Entitlement Marks. As between the Authority and the Team, the Team is the sole owner and rights holder to each Naming/Entitlement Mark. The Naming/Entitlement Marks may be used by the Team and its Affiliates for the exercise of all rights and obligations hereunder, including licensing and sublicensing for the Advertising Rights and Signage Rights granted hereunder, and the NFL-related or MLS-related operations of the Team and its Affiliates, Team owner, the NFL and its Affiliates. The Naming/Entitlement Marks may be sublicensed to and by the NFL and its Affiliates, subject to the terms and conditions of this Agreement.

(f) Authority's Limited Use of Team Trademarks. Notwithstanding any other provision of this Agreement, (i) the Authority shall have the non-exclusive, nontransferable, royalty-free right and license, with the right to sublicense, to use any Authority Image that includes Team Trademarks in connection with the exercise of the Authority's Advertising Rights under **Section 19.1(b)** of the Stadium (but not the promotion or sale of any product or service); **provided, however,** that with respect to the distribution of promotional materials by the Authority to promote the Stadium that depict an Authority Image that includes Team Trademarks, such distribution shall be subject to the provisions of **Section 11.4(b)**; and (ii) the Authority shall not have any right to use any Authority Image that includes any (A) Team Trademark, except as specifically provided for herein (B) likeness of a Team player or (C) uniform number or other identifying characteristic of a recognizable Team player in connection with the promotion or sale of any product or service without obtaining a license to use such Team Trademark pursuant to a separate written instrument executed and delivered by the Authority and the Team or, if applicable, the NFL Properties LLC.

(g) Composite Marks.

(i) Neither Party shall own any Composite Mark, and each Party shall continue to own its respective Marks and Images that are included in such Composite Mark. Neither Party shall, and each Party shall cause its sublicensees not to, apply to register or obtain registration in any country for any Composite Mark, except that the Team may sublicense to the NFL the right to file applications for US state registrations (but not US federal

registrations) of Composite Marks. Composite Marks shall not be used post-termination of this Agreement, except as set forth in **Sections 17.6** and **17.7**. The Composite Marks may be used by the Team and its Affiliates for the exercise of all rights and obligations hereunder, including licensing and sublicensing for the Team's Advertising Rights and Signage Rights granted hereunder, and the promotion and sale of Merchandise items through all channels of promotion and sale, including Internet sales. Composite Marks may be sublicensed to the NFL and its Affiliates, subject to the terms and conditions of this Agreement.

- (ii) Each Party acknowledges and agrees that all rights accruing from the use of the other Party's (or of any of its Affiliates') Marks included in any Composite Mark, including any goodwill, inure to the benefit of such other Party (or such Affiliate) and will be the exclusive property of such other Party (or such Affiliate). To the extent any right in or to any Mark of one Party (or of any of its Affiliates) included in any Composite Mark or in the goodwill associated therewith is deemed to accrue to the other Party (or any of its Affiliates), including as a result of any joint development, joint use or physical intersection or overlapping of Marks, such other Party hereby assigns such right and goodwill to the Party who owns (or whose Affiliate owns) such Mark, as between the Parties, for no additional consideration, subject to all rights, obligations and interests of the Parties set forth herein. At the request of such owner of such Mark, the applicable Party will take all actions and execute and deliver all documents necessary or desirable to secure or preserve the owning Party's (or its Affiliate's) right, title and interest in and to its Marks. Statements herein regarding the ownership of any Mark or with respect to the right, title or interest in or to any Mark are intended to allocate and confirm rights among the Parties and are not a representation or warranty with respect to any Mark.

(h) Certain Definitions.

- (i) **"Composite Mark"** shall mean a special purpose Team Indicia that (A) includes (1) any Name or Team Image or Team Trademark, and (2) one or more Stadium Design Marks, and (B) is created during the Term of this Agreement by or on behalf of the Team in connection with Advertising, sponsorship, promotion and other Permitted Activities of the Team provided for by this Agreement.
- (ii) **"Name"** shall mean any name given to the Stadium (the **"Stadium Name"**), the Plaza (the **"Plaza Name"**), and the physical areas of the Stadium, Stadium Infrastructure and Stadium Site (individually, an **"Entitlement Rights Name"** and, collectively, the **"Entitlement Rights Name(s)"**) under a Naming Rights Agreement or Entitlement Rights Agreement, and Stadium Name, Plaza Name and Entitlement Rights Name(s) shall include any logo created by the applicable Naming Rights

Sponsor or Entitlement Rights Sponsor to be used with or as a part of the applicable Name.

- (iii) **“Naming/Entitlement Mark”** shall mean the Trademarks for each of the Names. “Naming/Entitlement Mark” does not include the Images whether or not containing the Names (however, any Name that is contained within or which is a component of any such Image is, itself, a Naming/Entitlement Mark).
- (iv) **“Team Indicia”** shall mean (A) the Team Trademarks, (B) each Naming/Entitlement Mark, (C) each Composite Mark (subject to the retained goodwill of the Authority with regard to any Authority Mark used therein), and (D) the Team Online Identifiers (excluding any Authority Online Identifier).
- (v) **“Team Online Identifier”** shall mean Online Identifier that contains the words “Minnesota Vikings,” “Minnesota Vikings Football Club,” “Minnesota Vikings Football, LLC” or any derivative thereof.

For the avoidance of doubt, Team Trademarks specifically exclude Composite Marks and the marks and logos of the NFL, including “National Football League”, “NFL”, “National Football Conference”, “American Football Conference”, “NFC”, “AFC”, “Super Bowl”, “Pro Bowl” and the NFL Shield design.

SECTION 17.3. Sublicenses. Except as otherwise agreed upon by the Parties in writing, any Party granting a sublicense under this Agreement shall be liable for all actions or inactions of each of its sublicensees hereunder. Such Party shall cause each such sublicensee, before such sublicensee exercises any sublicense rights, to execute a written agreement agreeing to be bound by the applicable terms and conditions of this Agreement applicable to such Party. Each such sublicense shall specify that it shall terminate upon the expiration or termination of this Agreement. Sublicenses shall include the Naming Rights Agreements, Entitlement Rights Agreements, agreements for Advertising and other agreements authorized under this Agreement.

For the avoidance of doubt, Authority shall have no right to sublicense any Team IP without the prior written approval of Team.

SECTION 17.4. Trademark Quality Control.

(a) Trademark Use Guidelines. Each of the Team and the Authority as licensee of, respectively, the Team Indicia, Team Images, Authority Images or Authority Marks, including in connection with the creation and use of any Composite Mark, as applicable, (each, a “**Licensee**”) shall comply with all Applicable Law pertaining to the proper use and designation of Trademarks and with the rules and practices (“**Trademark Guidelines**”) set forth from time to time by the other Party (the “**Licensor**”) with respect to the appearance and manner of use of the Trademarks licensed by the Licensor hereunder (as used with respect to each Licensor, the “**Licensed Trademarks**”), which rules and practices are provided or otherwise made available to the Licensee in written or electronic form.

(b) Modification of Licensed Trademarks by the Other Party. Neither Party shall be permitted to modify or alter the Licensed Trademarks of the other Party without prior written approval of the other Party. In using any Licensed Trademarks of the other Party, the utilizing Party shall indicate that such Licensed Trademarks are Licensed Trademarks of the other Party and shall cause to appear such legends, markings and notices as may be reasonably requested by the Licensor in order to give appropriate notice that such Licensed Trademarks are owned by such Party and licensed hereunder. Any use of such Licensed Trademarks not specifically provided for by the Trademark Guidelines (including any uses not contemplated by the Trademark Guidelines, any uses in contravention of such rules and practices, and any clarifications of the Trademark Guidelines) shall be utilized by a Party only upon the prior written approval of the other Party.

(c) Request for Licensed Trademark Usage Documentation. At a Licensor Party’s reasonable request, the Licensee Party agrees to furnish from time to time to the Licensor for the Licensor’s inspection and judgment of quality and design, true, representative samples of any written or other graphic matter bearing any of the Licensed Trademarks of the Licensor. On written notification by the Licensor, the Licensee shall promptly correct any use of such Licensed Trademarks that the Licensor determines does not comply with the Trademark Guidelines and/or proper trademark usage as set forth herein or which, in the good faith opinion of the Licensor, detracts from the goodwill and reputation of such Licensed Trademarks, contributes to such Licensed Trademarks losing trademark significance, or impairs the Licensor’s right to use such Licensed Trademarks. A Party which is Licensor cannot require the Licensee to modify previously approved uses or materials, except: (i) pursuant to changes in Applicable Law, as required by a court or other authority in a decision regarding the Licensed Trademarks, or as part of a settlement of a dispute involving the Licensed Trademarks, in which case the Licensee shall have a reasonable work out period to exhaust then-current materials using the Licensor’s Licensed Trademark and the Licensor shall be liable for the Licensee’s costs in making changes necessary to comply with the change in Applicable Law (unless such work out period would violate Applicable Law, decision, or settlement, in which case the Licensee shall modify such materials and the Licensor shall be liable for the Licensee’s costs in modifying such materials and in making changes necessary to comply with the change in Applicable Law, decision, or settlement); and (ii) pursuant to changes in the applicable Party’s Trademark

Guidelines (other than as a result of a change in Applicable Law, decisions, or settlements), in which case the Licensee shall have a reasonable work out period to exhaust then-current materials using the Licensor's Licensed Trademarks and the Licensor shall be responsible for the Licensee's costs in making changes necessary to comply with the new Trademark Guidelines.

(d) Confirmation of Licensorship. Each Party acknowledges and agrees that all rights accruing from the use of the other Party's (or of any of its Affiliates') Marks or Images, including any goodwill, inures to the benefit of such other Party (or such Affiliate) and will be the exclusive property of such other Party (or such Affiliate). To the extent any right in or to any Mark or Image of one Party (or of any of its Affiliates) or in the goodwill associated therewith is deemed to accrue to the other Party (or any of its Affiliates), including as a result of any joint development, such other Party hereby assigns such right and goodwill to the Party who owns (or whose Affiliate owns) such Mark or Image, as between the Parties, for no additional consideration, subject to all rights, obligations and interests of the Parties set forth herein. At the request of such owner of such Mark or Image, the applicable Party will take all actions and execute and deliver all documents necessary or desirable to secure or preserve the owning Party's (or its Affiliate's) right, title and interest in and to its Marks or Images. Statements herein regarding the ownership of any Mark or Image or with respect to the right, title or interest in or to any Mark or Image are intended to allocate and confirm rights among the Parties and are not a representation or warranty with respect to any Mark or Image.

SECTION 17.5. Registrations; Notices; Enforcement.

(a) Registrations. The Licensor shall have the right (but not the obligation), at its sole option and expense, to prepare, file, prosecute and maintain in its own name applications for registration and registrations for its Licensed Trademarks, except that the Team shall not file, and shall not permit its Affiliates or sublicensees to file any trademark that includes any Image of any portion of or the entirety of the Stadium appearance or design or that is otherwise similar, in part or in whole, to any Stadium Design Mark. The Licensee shall supply the Licensor with such information concerning use as the Licensor may reasonably request, at the Licensor's sole cost and expense, in order for the Licensor to acquire, maintain and renew registrations of the Licensed Trademarks or for any purpose reasonably related to the Licensor's maintenance and protection of the Licensed Trademarks. The Licensee shall cooperate with the Licensor's reasonable requests, at the Licensor's sole cost and expense, in the execution, filing, and prosecution of any registration of a Licensed Trademark or copyright relating to the Licensed Trademarks that the Licensor may desire to obtain.

(b) Notices. Upon learning of any actual or potential infringement or other violation of any of the Licensed Trademarks licensed hereunder by a Licensor or any Composite Mark, the Licensee agrees to promptly notify the Licensor.

(c) Certain Matters Regarding Infringement. In the event of any actual or potential infringement or other violation of a Licensed Trademark, the Licensor shall, at its sole discretion, take such action as it deems advisable for the protection of such Trademark or Image. The Licensee agrees to provide reasonable assistance to the Licensor in all respects, including by causing its personnel to execute documents, if requested to do so by the Licensor, all at the Licensor's cost and expense. The institution and conduct of litigation, the selection of attorneys

and the settlement of litigation and claims affecting any such Trademark or Image shall be entirely within the sole discretion of the Licensor and under the Licensor's control. In no event, however, shall the Licensor be required to take any action if it deems it inadvisable to do so and the Licensee shall have no right to take any action with respect to any Licensed Trademarks without the Licensor's written approval. All costs and expenses, including reasonable attorneys' fees, incurred in connection with any action taken by the Licensor in connection with the foregoing shall be borne by the Licensor, and all awards shall run solely to the Licensor. With regard to a Composite Mark, in the event of any actual or potential infringement or other violation of a Party's Licensed Trademark that is included in the Composite Mark, each Party shall have the independent right, at its expense, to take all such actions as it deems advisable for the protection of its Trademarks, and the Parties shall use their best efforts to cooperate in all such actions.

SECTION 17.6. Team and NFL Rights after Termination of the Agreement. After the termination or expiration of this Agreement, notwithstanding anything to the contrary in this Agreement, the Team and its Affiliates and the NFL and its Affiliates will continue to have the perpetual and royalty-free right and license to refer to the Stadium, Stadium Infrastructure, and Stadium Site, and use all Stadium Names, Plaza Names, and Entitlement Rights Name(s) (including former names and Names), Team Images, the Composite Marks, and the Naming/Entitlement Marks, respectively, when listing, referencing or depicting such Stadium, Stadium Infrastructure, and any portion of the Stadium Site, in the context of referring to such Names and former names and Names, Team Images, the Composite Marks, and Naming/Entitlement Marks, for the sole purposes of (i) continuing to use and exploit, including by way of any production, publication, game, composition, writing or any other broadcast, telecast, Internet or other media presently existing or hereafter developed that may contain such Names and former names and Names, Team Images, the Composite Marks, and Naming/Entitlement Marks, in whole or in part, for example, but without limitation, footage and pictorials referring to the Stadium Name, the Plaza Name, the Entitlement Rights Name(s), and Team Images taken during the Term of this Agreement may be used perpetually in the context of historical reference to such footage or pictorials, and (ii) using the Names and former names and Names, Team Images, the Composite Marks, and Naming/Entitlement Marks for historical descriptions created after termination of this Agreement including with respect to historical descriptions as may be contained in consumer products.

SECTION 17.7. Authority Rights after Termination of the Agreement. After the termination or expiration of this Agreement, notwithstanding anything to the contrary in this Agreement, the Authority will continue to have the perpetual and royalty-free right and license to refer to the Stadium, Stadium Infrastructure, and Stadium Site using all Names (including former names and Names), the Authority Images, and the Naming/Entitlement Marks, respectively (but specifically excluding, for the avoidance of doubt, any Team Trademarks), when listing, referencing or depicting such Stadium, Stadium Infrastructure, and any portion of the Stadium Site, in the context of referring to such Names and former names and Names, Authority Images, and Naming/Entitlement Marks, for the sole purposes of using the Names and names (including former names and Names), Authority Images, and Naming/Entitlement Marks for historical descriptions created after termination of this Agreement.

SECTION 17.8. Wind-Down and Transition for Use of Authority IP. The Parties acknowledge that it is impractical for the Authority, the Team and its Affiliates, the Team owner, the NFL and its Affiliates, and other licensees and sublicensees of the Authority and the Team and its Affiliates, and the NFL and its Affiliates, and their respective licensees, to immediately cease all uses of the, respectively, Team IP and Authority IP granted under this Agreement. Therefore, subject to the terms and conditions of this Agreement, following such an expiration or termination (for any reason), the Team and the Authority will, and the Team and the Authority will cause all third Persons licensed, respectively, to, (i) promptly wind down all uses of, respectively, Authority IP and Team IP arising from this Agreement, (ii) minimize the Authority's and Stadium's association with the Team, (iii) make no new use of any licensed Authority IP or Team IP, as applicable, and (iv) fully cease all uses of such Authority IP or Team IP, as applicable, within ninety (90) days after the effective date of such expiration or termination of this Agreement; **provided, however**, that if any Team IP is physically built into any portion of the Stadium Site, such ninety (90) day period shall be extended until a new sponsor for the applicable portion of the Stadium Site is contracted to replace such Team IP. The foregoing does not remove any post-termination or expiration right of any Party or Person set forth in this Agreement.

ARTICLE 18.
SIGNAGE AND SPONSORSHIP AREAS

SECTION 18.1. Team Exclusive Signage Rights. The Team shall have the exclusive right to sell, and to retain all revenue from, and bear all costs associated with selling (i) all Exclusive Signage at the Stadium and Stadium Infrastructure and within the Stadium Site (whether situated internally or externally) for all Stadium Events, and (ii) all Non-Exclusive Signage at the Stadium and Stadium Infrastructure and within the Stadium Site (whether situated internally or externally) for all Team Stadium Events; **provided, however**, that the Team agrees that:

- (i) it will not grant exclusivity for Signage Rights for Protected Categories at the Stadium and Stadium Infrastructure to more than ten (10) Persons at any point in time who are sponsors (including the Naming Rights Sponsor(s), each of whom shall be counted as one (1) Person, for a maximum of two (2) Persons) without the Consent of the Authority. It is understood and agreed that (A) the foregoing restriction shall apply only to the number of sponsors granted Exclusive Signage rights in a Protected Category by the Team and not the number of products or services to which Exclusive Signage rights apply, and (B) that a Person with a Protected Category will have both Exclusive Signage and Non-Exclusive Signage protected by the Protected Category,
- (ii) the Team shall provide, at a minimum, an annual notice during the Term on or before August 1 to the Authority specifying its Protected Categories, but the Team may provide notices at any time with respect to changes to the Protected Category exclusivity Person listing (which Protected Category shall be effective as of the date of the notice) subject to **Section 18.1(iv)** below,

- (iii) the Authority shall not sell or otherwise contract for any Exclusive Signage with respect to all or any portion of the Stadium Site and shall not (A) sell or otherwise contract for any Non-Exclusive Signage which conflicts with the Exclusive Signage, and (B) execute any Signage agreement that exceeds one (1) year in length unless such agreement contains a termination clause that allows the Authority to terminate annually prior to the renewal term of such agreement; **provided** that upon notice from the Team that it has a binding agreement for Exclusive Signage with a Person, the Authority shall provide notice of termination for such Protected Category or conflicting agreement at the end of the then-current term and shall not renew the Protected Category or conflicting agreement at the next upcoming renewal date, and
- (iv) a Protected Category set forth in the notices provided by the Team to the Authority shall not require the Authority to cancel or otherwise eliminate an Authority Event sponsor that has a valid and binding agreement with the Authority as of the date of the notice; **provided, however,** that the Authority shall not enter into any binding agreement with respect to Signage for the Stadium, Stadium Infrastructure, or the Stadium Site one (1) year prior to the Commencement Date, thereby allowing the Team to establish its Protected Categories between the date of this Agreement and one (1) year prior to the Commencement Date, without consideration of a conflicting Authority Signage sponsor.

The Authority and the Team shall cooperate with respect to notifications of sponsorship agreements which affect the Parties' rights with respect to Exclusive Signage and Non-Exclusive Signage. Each Party shall provide such information and updates, in addition to the foregoing general obligation, upon the reasonable request of the other Party.

With respect to sponsorship agreements which provide for a trade exchange of Stadium fixtures, facilities or other improvements, to the extent authorized under Applicable Law and as agreed to by the Authority, the Team may negotiate and obtain Advertising revenues in exchange for such trade exchanges. The Team shall be responsible for any costs related to the sponsorship agreements. The Authority and the Team shall agree upon such Stadium enhancements in connection with building construction, operations, maintenance and repair of the Stadium, Stadium Infrastructure and the Stadium Site. Any payments arising from such agreements shall accrue to the benefit of the Team, except as provided in **Section 16.3(b)**. Any enhancements to the Stadium, Stadium Infrastructure or Stadium Site arising from such arrangements shall accrue to the benefit of the Authority as the owner of such assets.

SECTION 18.2. Authority Rights. The Authority (or third-parties retained by the Authority promoting Authority Events) shall have the right to sell and to retain all revenue from, and bear all costs associated with selling all Stadium, Stadium Infrastructure and Stadium Site Non-Exclusive Signage (whether situated internally or externally) for all Authority Events so long as such Non-Exclusive Signage does not obstruct the view of or preempt the existence of, whether physically or electronically, any Exclusive Signage or conflicts with a Protected Category, except as provided in **Section 18.3**. Other than as may be permitted pursuant to

Section 18.3, the Authority shall not have the right to engage in electronic insertions that interfere with any Exclusive Signage or a Protected Category. Notwithstanding anything to the contrary in this Agreement, in the event the Non-Exclusive Signage on the north sideline fascia LED(s) as set forth in item number 34(b) of the Sponsorship Manifest as shown on **Exhibit G-1** or **Exhibit G-2** is not sold or used for the Authority Event and the remainder of the other Non-Exclusive Signage is activated for the Authority Event, the Signage of Team sponsors that have purchased such Signage positions for Team Events will receive exposure for Authority Events subject to the mutual agreement of the Authority and Team as to the placement and duration of such Signage.

SECTION 18.3. **Promoter Signage Conditions/Right to Cover or Deactivate for Certain Authority Events.** Notwithstanding **Section 18.1** and **Section 18.2** above, the Team acknowledges that certain Authority Event promoters may propose to impose a condition upon the Authority that certain Advertising (i) shall not be displayed, and must be covered or deactivated, and/or (ii) must be displayed (co-exist) with Exclusive Signage, in each case within the Stadium, Stadium Infrastructure or Stadium Site for certain Authority Events (a “**Promoter Signage Condition**”).

(a) **Standards for Acceptance of Promoter Signage Condition.** With respect to all Authority Events which may require a Promoter Signage Condition, the Authority may accept the Promoter Signage Condition if (i) the Authority has an inability to host an Authority Event solely due to a failure to satisfy the Promoter Signage Condition, and (ii) the Authority uses commercially reasonable efforts to prevent a Promoter Signage Condition. The Authority shall advise and collaborate with the Team with respect to Authority Events which may require a Promoter Signage Condition prior to application, as applicable, and during negotiations for the potential Authority Event. If the Promoter Signage Condition is accepted by the Authority in compliance with the provisions of this **Section 18.3(a)** and the provisions of **Section 18.3(b)** and **Section 18.4** below, the Team shall not take any action that would be inconsistent with or interfere with the Authority’s right to allow the (A) covering or deactivation of the Exclusive Signage of certain Team sponsors as allowed by **Section 18.3(b)** and **Section 18.4** below and (B) the co-existence of promoter Signage with Exclusive Signage of Team sponsors, as applicable. The Authority shall bear all costs in connection with satisfying the Promoter Signage Condition, including the cost of cover and deactivation.

(b) **Allowed Promoter Signage Condition – Exclusive Signage/Protected Category.** Subject to the requirements of **Sections 18.3(a)** and **18.4(a)**, with respect to a Promoter Signage Condition that certain Advertising (i) shall not be displayed or (ii) shall co-exist and must be displayed with Exclusive Signage, the Authority may only agree to such a Promoter Signage Condition with respect to the Exclusive Signage in the Team’s Protected Categories for (A) the Super Bowl, (B) the NCAA Basketball Final Four, (C) NCAA basketball preliminary rounds and non-basketball NCAA championships, (D) two (2) promoted Authority Events per year, plus one additional promoted Authority Event during each five-year period from the Effective Date, and (E) major national political conventions.

(c) **Event Name Exception.** Notwithstanding the foregoing, there shall be no restriction on co-existence with Exclusive Signage of the Team’s sponsors where the conflict with such Exclusive Signage results from the actual name of the Authority Event (such as,

“Corona Presents Kenny Chesney” or “The Best Buy Paul McCartney Concert Series”) and, in furtherance of the foregoing, the actual name of the Authority Event may appear at any location at the Stadium Site.

(d) Right to Cover or Deactivate for Conflicting Signage and “Dark Events”. If particular Exclusive Signage is inappropriate given the nature of a particular Authority Event (e.g., beer signs for religious or MSHSL events) (“**Conflicting Signage**”), then in those instances, the Authority may, at its sole cost and expense, cover or deactivate all such Conflicting Signage during the Authority Event. Further it is acknowledged by the Parties that if there is an Authority Event requiring the inside of the Stadium to be dark for any portion of such Authority Event then the Authority may deactivate all Signage in the Stadium (except where such Signage is an integral part of the Authority Event) for that portion of the Authority Event.

SECTION 18.4. Promoters Signage Conditions – Naming Rights Sponsors Rules. With respect to Naming Rights Signage, the rules in the following paragraphs shall apply.

(a) Stadium Name and Plaza Name and Associated Trademarks. Notwithstanding any contrary term of this Agreement, under no circumstances may the Authority agree to a Promoter Signage Condition that will deactivate or cover a Naming Rights Sponsor’s name and associated Trademarks where such includes and is the Stadium Name and/or the Plaza Name. This requirement applies no matter where the Stadium Name and/or the Plaza Name, and the respective associated Trademarks which appear with the Stadium Name and/or the Plaza Name, may be situated on the Stadium Site, inside or outside the Stadium, including the Stadium roof, walls, concourses, and the Stadium bowl.

(b) Cover or Deactivation of Naming Rights Sponsors Exclusive Signage. Subject to **Section 18.4(a)**, the Exclusive Signage of any Naming Rights Sponsor may only be subject to a cover or deactivation Promoter Signage Condition for (i) the Super Bowl, (ii) the NCAA Basketball Final Four (iii) NCAA basketball preliminary rounds and non-basketball NCAA championships, and (iv) major national political conventions, and in each case of the foregoing such cover and/or deactivation shall only occur in the bowl portion of the Stadium or if such Exclusive Signage or the Naming Rights Sponsor is significantly visible from within the bowl portion of the Stadium. Under no circumstances shall any Exclusive Signage of any Naming Rights Sponsor be subject to cover or deactivation for any Authority Event, other than items (i) through (iv) above. By way of clarification, the foregoing specifically excludes, without limitation, cover or deactivation of other promoted Authority Events.

(c) Co-Existence with Naming Rights Sponsors Exclusive Signage. The Exclusive Signage of the Naming Rights Sponsor may co-exist with the Signage of a sponsor of an Authority Event only for (i) the Super Bowl, NCAA Basketball Final Four, and NCAA basketball preliminary rounds and non-basketball NCAA championships, and (ii) two (2) promoted Authority Events per year (such as a concert) and major national political conventions; **provided**, that such two (2) promoted Authority Events and such conventions shall be limited in the right to co-exist by the requirement that such co-existence be allowed only in the bowl portion of the Stadium or if such Exclusive Signage of the Naming Rights Sponsor is significantly visible from within the bowl portion of the Stadium.

(d) Event Name Exception. Notwithstanding the foregoing, there shall be no restriction on co-existence with the Exclusive Signage of the Naming Rights Sponsor where the conflict with such Exclusive Signage results from the actual name of the Authority Event (such as, “Corona Presents Kenny Chesney” or “The Best Buy Paul McCartney Concert Series”) and, in furtherance of the foregoing, the actual name of the Authority Event may appear at any location at the Stadium Site.

(e) Previously Booked Authority Events. Notwithstanding the foregoing, but subject to **Section 18.1**, if, at the time a Person becomes a Naming Rights Sponsor, or the Protected Category of the Naming Rights Sponsor is expanded, and the Authority has previously booked an Authority Event at the Stadium that includes the name or Advertising of a Direct Competitor of the Naming Rights Sponsor, then the Authority shall be permitted to display such competing Signage of the Direct Competitor at any location on the Stadium Site; **provided, however**, that only Non-Exclusive Signage and the Advertising shall be allowed to promote the Direct Competitor of the Naming Rights Sponsor, and only with respect to and for the Authority Event.

(f) Covenants Required for Naming Rights Agreements and Protected Category Agreements. The Team shall ensure that all Naming Rights Agreements and agreements with Persons with a Protected Category recognize the Authority’s rights to sell Non-Exclusive Signage and other advertising pursuant to and in compliance with this **Section 18.4**. The Authority will not enter into any agreements with respect to Signage which conflict with this **Section 18.4** and **Section 18.1(iv)**.

SECTION 18.5. Signage Plan. The Team and the Authority, in connection with the City (as applicable), will adopt a Preliminary Signage Plan and a Final Signage Plan for the Stadium, Stadium Infrastructure and Stadium Site (to be included in the Master Project Budget), and agree that any amendments thereto from time to time, including future Signage technologies or methods of display, can be developed by the Team, but shall be subject to the written approval of the Authority, in accordance with the standards set forth in **Section 18.5(i)** below. The Preliminary Signage Plan set forth as **Exhibit G-1**, once adopted in the Final Signage Plan, shall be affixed to this Agreement as **Exhibit G-2**, subject to amendment by the Parties. Any costs associated with any additions to the Final Signage Plan after the Final Signage Plan is approved by the Authority and the Team, will be at the sole cost of the requesting Party, unless such cost is included in the Capital Funding Plan. The Preliminary Signage Plan and the Final Signage Plan shall each be subject to and conform with all Applicable Laws.

(a) Preliminary Signage Plan. The Authority and Team hereby adopt the Preliminary Signage Plan set forth as **Exhibit G-1**, which includes, among other items, the initial placement of Exclusive Signage and Non-Exclusive Signage within the Stadium and the Stadium Site; certain “**Signage Concepts**” (which is defined to include sizes and proportions, font sizes (not typeface) of the lettering, quality and types of materials, color schemes, and types of application); and the status of Authority approval for each item or Signage Concept, including, without limitation, the following items (each of which as set forth in **Exhibit G-1**):

- (i) approval of the Naming Rights roof sign size and configuration (approval of the method of affixing the Signage to the roof and related lighting remains subject to approval by the Parties);

- (ii) approval of the building sign-prow and Freeform LED or like product as to size and configuration. The Parties agree that the cost for the Freeform LED (or like product) is not in the Master Project Budget at this time, but is a part of the Team Design Add Alternate in **Exhibit I-2** of the **Development Agreement**;
- (iii) approval of west platform sign;
- (iv) approval of Naming Rights (*e.g.*, “xyzabc stadium” name and logo) as specifically set forth in item number 20 of the Sponsorship Manifest as shown on **Exhibit G-1**, and specifically including approval of the color of the Signage at the Stadium Scrim Signage Positions (as that term is defined in the Development Agreement);
- (v) approval of certain Sample Club Entitlement concepts; and
- (vi) approval of certain sample concourse branding concepts.

(b) Final Signage Plan. The Authority and Team acknowledge and agree that (x) each Signage Concept and placement denoted as approved in the Preliminary Signage Plan attached to this Agreement as **Exhibit G-1**, and (y) any Signage Concept or placement subsequently proposed for inclusion in the Final Signage Plan that is not materially inconsistent with a Signage Concept denoted as approved in **Exhibit G-1** will be deemed approved for inclusion in the Final Signage Plan to be affixed to this Agreement as **Exhibit G-2**. If the Signage Concept or placement is materially inconsistent, as reasonably evaluated by the Authority, with the Preliminary Signage Plan or is of a nature that is noted as not approved by the Authority, the Authority reserves its right to approve or not approve such Signage Concept or placement.

(c) Club Spaces and Entitlement Area Signage. The Authority and Team acknowledge and agree that the following non-exclusive list set forth below, and as set forth in item numbers 39 – 52 of the Sponsorship Manifest as shown on **Exhibit G-1** (as may be renamed from time to time), are approved as club spaces and Entitlement Rights areas, and further that nothing in this section shall be construed to limit the number or location of Entitlement Rights areas:

- (i) Field Club;
- (ii) Valhalla Club;
- (iii) Chairman’s Lounge;
- (iv) Vikings Club;
- (v) Fire Club;
- (vi) Ice Club;

- (vii) Club Purple;
- (viii) Red Zone Lounge (Southwest Location);
- (ix) Press Level; and
- (x) The Loft, Norseman, Valhalla, Touchdown and Turf Suites Areas (*i.e.*, “The XYZ Loft Suites”).

The Authority and Team have collectively reviewed the sample club Signage Concepts related to club space and Entitlement Rights areas as set forth in **Exhibit G-1** (“**Sample Club Entitlements**”), which exhibit further denotes the status of the Authority’s approval of such Sample Club Entitlements (*i.e.*, approved; not approved; or approved under certain conditions precedent that would be required for the concept to be finally approved by the Authority).

To the extent that a club space sponsorship or Signage sold by the Team is not materially inconsistent with a Sample Club Entitlements concept that is denoted as approved in **Exhibit G-1**, or subsequently incorporated into **Exhibit G-2**, including the size and proportions of the Signage, the font sizes of the lettering, the quality and types of materials used for the Signage and related background, color schemes and types of application, the Authority hereby acknowledges and agrees that such Signage will be deemed approved. If club space sponsorship or Signage is materially inconsistent, as reasonably evaluated by the Authority, with the Sample Club Entitlements as set forth in **Exhibits G-1** or **G-2**, or is of a type that is noted as not approved by the Authority in **Exhibits G-1** or **G-2**, the Authority reserves its right to approve or not approve such club space sponsorship or Signage. The Authority acknowledges that club space and Entitlement Rights area sponsors may include alcoholic beverage producers (including beer, wine and spirits) and agrees that the identification of the sponsor as an alcoholic beverage producer will not be a basis for disapproval of the sponsorship or Signage.

The Authority and Team acknowledge that that there will be club space and Entitlement Rights area sponsor and Signage Concepts that are different than those set forth in **Exhibits G-1** or **G-2** and the Parties agree to work in good faith to evaluate those concepts collectively using the guidelines established from other examples set forth in **Exhibits G-1** or **G-2**, to the extent possible, and using the same reasonable comparative standard set forth above and the standards set forth in **Section 18.5(i)** of this Agreement. The Parties agree to continue to work collaboratively on sponsorship and Entitlement Rights related to the club spaces and other areas listed above. The Team will meet with the Authority to present the initial concept of each club space and Entitlement Rights area concept prior to presenting the overall concept to the potential sponsor. The initial concept will include the placement of any Signage associated with the club spaces or Entitlement Rights areas, the size and proportions of the Signage, the font sizes of the lettering, the quality and types of materials used for the Signage and related background, color schemes and types of application. To the extent that elements of the club space or Entitlement Rights area concept are not materially inconsistent with a concept that is denoted as approved in **Exhibits G-1** or **G-2**, the Authority will approve such concept. The Authority and Team will meet periodically to review any changes or modifications to the initial concept for each club space or Entitlement Rights area. If the club space or Entitlement Rights area’s sponsorship and related Signage is materially inconsistent with a concept that is denoted as approved in

Exhibits G-1 or G-2, or is inconsistent with the initially approved concept if approved subsequent to the adoption of Exhibits G-1 and G-2, the Authority reserves its right to approve or not approve such club space or Entitlement Rights area concept and related Signage.

(d) Concourse Branding. The Authority and Team have collectively reviewed the sample concourse branding concepts and related Signage as set forth in Exhibit G-1 (“**Sample Concourse Images**”), which exhibit further denotes the status of the Authority’s approval of such Sample Concourse Images (*i.e.*, approved; not approved; or approved under certain conditions precedent that would be required for the concept to be finally approved by the Authority). Further, Exhibit G-1 designates potential locations for placement of concourse branding and related Signage (specifically pages 4 to 16 of the “**Sponsorship Architecture Narrative**”). The Parties agree that the designation of potential locations for placement of concourse branding (including Stadium art) and Signage are preliminary in nature and subject to modification by the Parties. Locations for placement of concourse branding (including Stadium art) and related Signage remain subject to Authority approval. Authority review and approval or disapproval of concourse branding concepts and related Signage will be subject to the same standards, requirements, and procedures as are set forth in Section 18.5(c) of this Agreement for club spaces and Entitlement Rights areas.

(e) Suites and Press Area Branding. The Authority and Team have collectively reviewed the sample Suite and press area branding concepts and related Signage as set forth in Exhibit G-1 (“**Sample Suite and Press Area Branding and Signage**”), which exhibit further denotes the status of the Authority’s approval of such Sample Suite and Press Area Branding and Signage (*i.e.*, approved; not approved; or approved under certain conditions precedent that would be required for the concept to be finally approved by the Authority). Authority review and approval or disapproval of Suite and press area branding concepts and related Signage will be subject to the same standards, requirements, and procedures as are set forth in Section 18.5(c) of this Agreement for club spaces and Entitlement Rights areas.

(f) McClellan Ramp and Stadium Skyway Branding. The Authority and Team have collectively reviewed the sample McClellan Ramp and Stadium Skyway area branding concepts and related Signage as set forth in Exhibit G-1 (“**Sample Stadium Skyway and McClellan Ramp Branding and Signage**”), which exhibit further denotes the status of the Authority’s approval of such Sample Stadium Skyway and McClellan Ramp Branding and Signage (*i.e.*, approved; not approved; or approved under certain conditions precedent that would be required for the concept to be finally approved by the Authority). The placement of Exclusive Signage and Non-Exclusive Signage within the McClellan Ramp and the Stadium Skyway has not been included in the Preliminary Signage Plan and will be subject to Authority approval as a part of the Final Signage Plan. Authority review and approval or disapproval of Stadium Skyway and McClellan Ramp branding concepts and related Signage will be subject to the same standards, requirements, and procedures as are set forth in Section 18.5(c) of this Agreement for club space and Entitlement Rights areas.

(g) Club Spaces and Entitlement Areas/Authority Right to Cover or Deactivate. The Authority and Team agree to the following terms and conditions as it relates to the club spaces and Entitlement Rights areas listed in Section 18.5(c) of this Agreement:

- (i) the base stemware, napkins, serving dishes, uniforms, etc. in the club areas will not be logoed, or if logoed will bear the logo associated with the Stadium Name;

- (iii) the Authority will be allowed to cover or deactivate interior Signage in the club spaces if requested by the licensor of the club space for Authority Events that are held in such club spaces; **provided, however**, that except as permitted pursuant to Section 18.4(b) and the second sentence of Section 18.3(d), the Authority shall not, and shall not permit any Person, to cover or deactivate the Stadium Name or the Naming Rights Sponsor's Exclusive Signage; and
- (iv) the Authority will not cover or deactivate the exterior Entitlement Rights Sponsor Signage at the club spaces as such spaces will be identified as a part of the Stadium way finding.

(h) Club Spaces and Entitlement Areas/Operational Terms. The Authority and Team agree to the following operational terms and conditions as it relates solely to Signage and fixtures within the club spaces and Entitlement Rights areas listed in Section 18.5(c) of this Agreement or spaces of similar nature in the Stadium that are subsequently mutually approved by the Authority and Team to become subject to the following operational terms and conditions; **provided, however**, that the Authority will be solely responsible for any and all costs for any action required to be taken below, or for any item required to be furnished below, and such cost or action will be paid for from the Authority's Operating Budget, by an Authority Event promoter, provided by a third party, or is included within the Master Project Budget:

- (i) the Authority must be able to remove all or a portion of existing furnishings to meet desired setup;

SECTION 18.6. Maintenance of and Additions to Signage. Other than the initial installation of Signage as contemplated in the Final Signage Plan prepared pursuant to the Development Agreement, the Team shall be responsible for any costs related to re-installation (not as part of Capital Repairs), addition, alteration or modification of Exclusive Signage or Naming Rights and Entitlement Rights Signage during the Term. The Authority shall be responsible for any costs related to re-installation, addition, alteration or modification of Non-Exclusive Signage (excluding Non-Exclusive Entitlement Right Signage) during the Term, except to the extent that such costs are incurred at the request of the Team with the primary intent of increasing the Team's revenue, in which case, unless otherwise agreed to by the Team and the Authority, such costs and those associated with added-value applications, provisioning and integration devices and services will be borne by the Team as a Capital Improvement cost. The Team shall provide thirty (30) day written notice to the Authority of any proposed changes or additions to Signage.

SECTION 18.7. Sponsorship Areas and Finish-Out. In connection with the SDC Group planning process and the design of the Stadium and Stadium Site, the Team and the Authority will identify various areas of the Stadium and Stadium Infrastructure which will be associated with Team sponsors (the "**Identified Sponsorship Areas**"), and the Authority shall be responsible for all Operating Expenses and the costs of Capital Repairs associated with the Identified Sponsorship Areas (except, in the case of Operating Expenses, such Operating Expenses which are Team Event-Day Expenses) as originally constructed as part of the Master Project Budget. If, at the request of the Team, the Stadium and Stadium Infrastructure contain (A) areas associated with Team sponsors in addition to the Identified Sponsorship Areas (the "**Additional Sponsorship Areas**") or (B) modifications or alterations to such Identified Sponsorship Areas, the Team shall be responsible for the Capital Improvement costs and material additional operating costs, if any, (i) of each such Additional Sponsorship Area and (ii) for Identified Sponsorship Areas; **provided, however**, that such Additional Sponsorship Areas or modifications or alterations to the designated level of finish of any Identified Sponsorship Areas shall be subject to the Consent of the Authority.

(a) Marquee – Non-Exclusive Signage. The Authority has approved the Viking Legacy Ship design as set forth in the Viking Legacy Ship Agreement, and such design will be and is incorporated by reference in **Exhibit G-1**, including the design of the Stadium marquee to be included as a part of the Viking Legacy Ship design to be located at the southwest corner of the Plaza (the "**Marquee**"); **provided, however**, the Parties agree that the Viking Legacy Ship design (including the Marquee) as set forth in the Viking Legacy Ship Agreement will replace the existing Viking ship design concept (including the Marquee) as set forth in **Exhibit G-1**. The Authority hereby agrees that the Marquee will be deemed approved (in substantially similar form as the Viking Legacy Ship design set forth in the Viking Legacy Ship Agreement and as

updated in accordance with this **Section 18.8(a)** in the Final Signage Plan, which will set forth the Exclusive Signage and Non-Exclusive Signage portions of the Marquee's Signage; **provided, however,** the Parties agree that the video portion of the Marquee shall be considered Non-Exclusive Signage for purposes of this Agreement.

(b) **Freeform LED for Team Stadium Events.** The Freeform LED shall be used by the Team for Team Stadium Events on the applicable event day in the following proportions: (i) two-thirds (2/3) for Advertising (one-half (1/2) of which must be general promotional in nature) and (ii) one-third (1/3) for presentation of general art and entertainment.

(b) Special Access Tours. The Team grants to the Authority a non-exclusive, non-transferable right to access the Team locker rooms and Team training areas in connection with any tour of the Stadium and Stadium Infrastructure conducted by the Authority if such tour concludes at the Team Store (a “**Special Access Tour**”); **provided, however**, that (i) no Special Access Tour shall conflict in any way with the use by the Team (including its Agents) of the Team locker rooms and Team training areas, and (ii) the foregoing access rights granted in respect of Special Access Tours may be suspended or revoked by the Team in its reasonable discretion based upon the acts or omissions of the Authority, its Agents and the Special Access Tour participants occurring in the Team locker rooms and Team training areas during any such Special Access Tour; **provided, however** that if Special Access Tours are so suspended or revoked, the Authority will no longer have an obligation to end general tours at the Team Store. SECTION 21.2. Team Tours.

**ASSIGNMENT; SALE OF TEAM; LEASEHOLD MORTGAGES; TEAM RECORDS;
TRAINING FACILITY LOCATION; BUSINESS OFFICE**

SECTION 23.1. Assignment of this Agreement; Sale of Equity or Assets of the Team.

(a) Assignment by the Team. The Team shall not sell, assign, transfer, mortgage, pledge, hypothecate, encumber, sublet, license or grant a security interest in or upon (collectively, "**Assign**" or an "**Assignment**") its rights under this Agreement without the Consent of the Authority; **provided, however,** that the Authority hereby acknowledges, agrees and approves that (i) the Team has Assigned its rights, subject to certain retained rights, and has delegated its obligations, liabilities and duties, under this Agreement and, simultaneously in connection therewith, the Development Agreement and the Development Agreement Documents to StadCo pursuant to an Assignment and Assumption Agreement dated October 3, 2013 substantially in the form attached hereto as **Exhibit H** (the "**Original Agreement Assignment**"),

and (ii) (A) any of the obligations, liabilities or duties of the Team under this Agreement, the Development Agreement and the Development Agreement Documents may be performed by the Team, a related entity of the Team, or a third Person with common beneficial or equity ownership with the Team (including trusts or other entities established for the benefit of one or more of the Team's ownership or one or more family member's of the Team's ownership) and (B) the Team, a related entity of the Team, or a third party with common beneficial or equity ownership with the Team (including trusts or other entities established for the benefit of one or more of the Team's ownership or one or more family member's of the Team's ownership) may receive revenues to which the Team is entitled under this Agreement or the Act; **provided, further**, the Team shall remain liable for performance of any obligations, liabilities or duties assigned or delegated to a related entity of the Team (including StadCo) or a third Person as described above. Pursuant to the Team's Assignment of this Agreement under the Original Agreement Assignment, all references to the Team hereunder shall be references to StadCo, unless the context clearly indicates otherwise (but Minnesota Vikings Football, LLC shall remain liable for performance of any obligations, liabilities or duties under this Agreement pursuant to the terms of the Original Agreement Assignment). Notwithstanding the Assignment of this Agreement pursuant to the Assignment and Assumption Agreement described in **Section 23.1(b)(vi)**, the Parties acknowledge and agree that StadCo shall not assume the obligations of the Team, and the Team shall be the sole obligor, with respect to the following sections of this Agreement: **Sections 3.6** (Covenant to Play Games at the Stadium) , **7.1** (last sentence only, as applicable to covenant to play Team Games at the Stadium), **9.4** and associated **Exhibit E** (Affordable Tickets), **23.2** (Team Payment to the State and City upon Sale of the Team), **23.5** (Location of Team Training Facilities), and **24.3** (NFL Rules). If the Team Assigns the Development Agreement and the Development Agreement Documents to StadCo (including an Assignment of any rights of the Team under the Development Agreement and the Development Agreement Documents to StadCo) as permitted under this **Section 23.1(a)**, all references to the Team under the Development Agreement and the Development Agreement Documents, shall be references to StadCo, unless the context clearly indicates otherwise (but Minnesota Vikings Football, LLC shall remain liable for performance of any obligations, liabilities or duties that are assigned or delegated by it to StadCo).

(b) **Permitted Assignments by the Team.** Notwithstanding anything to the contrary in **Section 23.1(a)** or any other provision of this Agreement, the following Assignments by the Team or its rights under this Agreement are expressly permitted hereunder without any consent of the Authority:

- (i) any Assignment in connection with a transfer of the Minnesota Vikings' NFL franchise, via a transfer of interests or assets, to a new controlling owner (as defined and determined by the NFL) approved by the NFL;
- (ii) any Assignment of any or all revenues and rights to revenues of the Team arising out of this Agreement, **provided** that the exercise of such rights shall at all times be subject to the applicable terms and conditions of this Agreement and any such Assignment shall not operate to change, limit or otherwise affect the rights, obligations and liabilities of the Team under this Agreement;

- (iii) any Assignment that constitutes a Leasehold Mortgage pursuant to **Section 23.3**;
- (iv) any mortgage, pledge, hypothecation, encumbrance, or grant a security interest in or upon the Team's personal property and trade fixtures that are not funded through the Capital Funding Plan;
- (v) subject to the terms of this Agreement, grants of licenses, sublicenses or similar rights to Persons to use and enjoy any part of the Stadium and Stadium Infrastructure for any purpose related to the ordinary course of use, operation, exploitation or management of the Stadium and Stadium Infrastructure;
- (vi) the Assignment by the Team of its rights, and delegation of its obligations, liabilities and duties, under this Agreement to StadCo pursuant to an Assignment and Assumption Agreement substantially in the form attached hereto as **Exhibit H**; and
- (vii) assignments permitted by the terms of the Football Playing Agreement.

(c) **Transactions Not Deemed Assignments.** For the avoidance of doubt, the following transactions shall not be deemed an Assignment by the Team and therefore are permitted without any consent of the Authority: (i) any direct or indirect sale or transfers of interests in the Team, or any direct or indirect sale or transfer of assets of the Team, **provided** that this Agreement shall not constitute an asset of the Team under this **Section 23.1(c)(i)**, (ii) any reorganization, restructuring, merger or recapitalization of the Team, and (iii) any transfers resulting from the exercise by the NFL of its rights under any NFL financing consent letter or any of the documents or agreement executed in connection therewith. In connection with any transfer or Assignment described in the preceding sentence, if required hereunder, the purchaser or successor shall execute and deliver to the Authority an Assignment and Assumption Agreement substantially in the form attached hereto as **Exhibit H**. In connection with any permitted transfer of an interest in the Team, a corresponding transfer of an interest in StadCo may also be made.

(d) **Assignee Assumption of Team Rights and Obligations.** Any assignee of the rights and obligations of the Team under **Section 23.1(b)(i)** must assume all of the obligations of the Team under this Agreement pursuant to an Assignment and Assumption Agreement in a form and substance reasonably acceptable to the Authority and which Assignment and Assumption Agreement shall be signed by the Team, the Authority and the assignee prior to the effective date of such assignment. The Authority agrees that upon any permitted Assignment of this Agreement in accordance with **Section 23.1(b)(i)**, the Team shall be released from all obligations arising under this Agreement from and after the date of the Assignment, **provided** that (i) the assignee agrees to perform all of the Team's obligations under this Agreement, and (ii) assignee is approved by the NFL. The Team and the Authority agree that any Assignment of this Agreement (other than a collateral assignment for financing purposes) or any Sale of the Team to another Person, shall be void and of no force and effect unless such Person agrees to so assume the Team's obligations under this Agreement. For the avoidance of doubt (A) in the

event Team merges with and into another Person, the surviving Person in such merger shall assume, and shall be deemed to have assumed, the Team's obligations under this Agreement, and (B) an Assignment by way of collateral assignment pursuant to and in connection with a financing transaction shall not require assumption of the Team's obligations under this Agreement.

(e) Authority Assignment. The Authority may not assign its rights under this Agreement or ownership of the Stadium, Stadium Site or Stadium Infrastructure without the Consent of the Team, and any such Assignment, transfer or sale shall be subject to the provisions of **Section 32.21**; **provided, however**, the Consent of the Team shall not be required in connection with any sale, transfer, pledge, hypothecation, assignment or mortgage of any revenues derived from the sale of SBLs made in connection with the financing of the Private Contribution (as defined in the Development Agreement).

SECTION 23.2. Team Payment to the State and City upon Sale of the Team.

(a) Payment Amounts. If, after the Effective Date, the Team sells to one or more third Persons in a single transaction or a series of transactions (i) more than fifty percent (50%) of the outstanding equity in the Team, or (ii) more than fifty percent (50%) of the assets of the Team (each, a "**Sale**"), the Team shall pay to the State and the City, in amounts proportionate to the expenditures made by the State and from City taxes, an aggregate payment equal to a percentage of the amount received in the Sale by the selling owner or owners in excess of the purchase price of the Team paid by the selling owner or owners (such percentage of the excess above the purchase price of the Team, the "**Premium**"), as follows:

- (i) If the Sale occurs on or before May 14, 2022, the Premium shall be twenty five percent (25%);
- (ii) If the Sale occurs after May 14, 2022 and on or before May 14, 2027, the Premium shall be fifteen percent (15%);
- (iii) If the Sale occurs after May 14, 2027 and on or before May 14, 2032, the Premium shall be ten percent (10%); and
- (iv) If the Sale occurs after May 14, 2032, there shall be no Premium.

(b) Transactional Exceptions to Payment Obligation to State and City. The following Sales are not subject to **Section 23.2(a)** above: (i) Sales occurring after May 14, 2032; (ii) Sales to (A) family members of the owners of the Team; (B) trusts and entities beneficially owned by the family members of owners of the Team; (C) employees of the Team; **provided**, that such interests transferred do not exceed ten percent (10%) of the equity interest of the Team; (iii) sales or pledges of interests in the Team for the purpose of generating capital for the Team that is not distributed to the owners of the Team; (iv) transfers of interests among or between Persons who were owners of the Team on May 14, 2012, not exceeding in the aggregate twenty percent (20%) of the total equity interest in the Team; or (v) transfers or Sales that arise in connection with the death of an owner and the administration and distributions of the estate of such deceased owner.

SECTION 23.3. Leasehold Mortgages.

(a) Leasehold Mortgages. The Team shall have the right, without obtaining consent or approval from Authority, to mortgage, hypothecate or encumber this Agreement and its leasehold, license and other estates or interests in the Stadium and Stadium Infrastructure pursuant to one or more mortgages or other security agreements or instruments (each, a “**Leasehold Mortgage**”), to assign this Agreement and the Team’s leasehold, license and other estates or interests in the Stadium and Stadium Infrastructure, as collateral security, and to assign as collateral, any or all of the Team’s rights under this Agreement and its license and other interests in the Stadium and Stadium Infrastructure; **provided, however**, that (i) the mortgagee or other beneficiary of such Leasehold Mortgage (each, a “**Leasehold Mortgagee**”) is an Institutional Lender; (ii) each Leasehold Mortgage secures only financing relating to the Stadium, Stadium Infrastructure or the Team or other NFL related assets, and does not secure any financing relating to other properties or improvements except as described in the Development Agreement; (iii) the principal amount secured by such Leasehold Mortgages does not exceed, in the aggregate, the sum of (A) one hundred percent (100%) of the Team/Private Contribution (as defined in the Development Agreement), any Privately Financed Enhancement (as defined in the Development Agreement) and any other amount contributed by the Team to fund any capital improvement to the Stadium, Stadium Infrastructure or Stadium Site, plus (B) the aggregate amount of all capitalized interest, fees and other financing-related costs and expenses related to any financing or other source of funds for any such Team/Private Contribution, Privately Financed Enhancement or capital improvement; and (iv) such Leasehold Mortgages do not encumber any interest of the Authority, including its fee interest in the Stadium and the Stadium Infrastructure. A Leasehold Mortgage may attach to and encumber any of the following, or any interest in any of the following: (i) this Agreement, (ii) the leasehold, license and other estates or interests in the Stadium and the Stadium Infrastructure created by this Agreement, (iii) the Team’s rights under this Agreement (including the rights to any Renewal Term), (iv) the Team’s rights under the Development Agreement, (v) any of the Team’s Stadium Property, (vi) any interest created by the Original Agreement Assignment, and (vii) any exclusive rights granted to the Team arising under this Agreement, the Original Agreement Assignment or any other related documents, including Team’s right to receive any revenue that Team now has or hereafter acquires a right to receive, together with products and proceeds of all of the foregoing.

(b) Development Agreement. If the Team mortgages, hypothecates, encumbers, creates a security interest in, or otherwise places or permits a lien to be placed upon Team’s interest in the Development Agreement, all of the provisions set forth in this Agreement relating to Leasehold Mortgagees shall also apply to the mortgagee of or holder of such encumbrance, security interest or lien in the Development Agreement, and such mortgagee or holder shall be entitled to all of the rights, privileges and protections set forth in this Agreement, as if such provisions were included in the Development Agreement.

(c) Transfers of Leasehold Mortgages. The Authority hereby consents to the assignment, transfer, hypothecation or encumbrance of, or the creation or grant of a security interest in or lien against, any Leasehold Mortgage or interest by the holder thereof, as collateral security for performance of obligations, and in the event of any such transaction, the transferee

or encumbrancer shall have all the rights of its transferor hereunder (or such of the rights of the transferor as have been transferred) until such time as any Leasehold Mortgage or interest therein is further transferred (including by way of reconveyance to the transferor), or the lien of any Leasehold Mortgage is released from the leasehold interest of the Team.

(d) Enforcement of Leasehold Mortgages. Any Leasehold Mortgagee may enforce its Leasehold Mortgage and acquire title to the Team's interest in the leasehold, license and other estates or interests created by this Agreement in the Stadium and Stadium Infrastructure in any lawful way and, pending Foreclosure of such Leasehold Mortgage, may take possession of the Team's interest in the Stadium and Stadium Infrastructure and upon Foreclosure of such Leasehold Mortgage, may sell and assign the Team's interest the leasehold, license and other estates or interests created by this Agreement, subject to the following:

- (i) such Leasehold Mortgage shall encumber only the Team's interest in this Agreement and its leasehold interest in the Stadium and Stadium Infrastructure and shall be subject to this Agreement;
- (ii) any Leasehold Mortgagee taking possession of the Team's interest in the Stadium and Stadium Infrastructure or any Person acquiring the Team's interest in the leasehold, license and other estates or interests sold or assigned by such Leasehold Mortgagee shall attorn to the Authority and shall be liable to perform or cause performance of all of the obligations imposed on the Team by this Agreement, except that with respect to obligations arising in periods before such Leasehold Mortgagee or Person has ownership of such leasehold, license and other estates or interests created by this Agreement or possession of the Stadium and Stadium Infrastructure such Leasehold Mortgagee shall only be obligated to cure the matters set forth in **Section 23.3(k)** below;
- (iii) in no event shall any Leasehold Mortgage, or other collateral security agreement related thereto permit the Leasehold Mortgagee thereunder to remove any fixtures, equipment or furnishings (other than the Team's personal property and trade fixtures) located within or affixed to the Stadium and Stadium Infrastructure; and
- (iv) failure of a Leasehold Mortgagee to satisfy any of the above conditions shall preclude such Leasehold Mortgagee from taking possession of or operating the Team's interest in the Stadium and Stadium Infrastructure and shall render such Leasehold Mortgage unenforceable for such purpose only, but shall not affect the validity, enforceability or priority of such Leasehold Mortgage in any other respect, including with respect to any other security interest in connection with the Team's interest in the leasehold, license and other estates or interests created by this Agreement; **provided, however,** that notwithstanding any other provision of this Agreement to the contrary, no Leasehold Mortgagee shall take any action (including Sale) that would cause or result in the Team's noncompliance with the covenants set forth in the Football Playing Agreement.

(e) Notices. The Team shall forward a notice to the Authority prior to the execution and delivery of any proposed Leasehold Mortgage setting forth: (i) the name of the proposed mortgagee or other beneficiary of such Leasehold Mortgage, (ii) the basic terms and conditions of such financing, and (iii) copies of the documents evidencing and securing such financing. Following the execution and delivery of any Leasehold Mortgage in accordance with the terms and conditions of this **Section 23.3**, the Team shall deliver to the Authority a true, correct and complete copy of each such Leasehold Mortgage and any amendments, modifications, extensions of assignments thereof, and shall notify the Authority of the address of each Leasehold Mortgagee to which notice may be sent (as the same may be changed from time to time).

(f) Authority's Acknowledgment of Leasehold Mortgagees. The Authority shall, upon written request, acknowledge receipt of the name and address of any Leasehold Mortgagee (or potential Leasehold Mortgagee), and confirm that such Leasehold Mortgagee is or will be, upon closing of its financing or its acquisition of an existing Leasehold Mortgage, entitled to all of the rights, protections, and privileges afforded such Leasehold Mortgagee hereunder. Such acknowledgment shall, if requested, be in recordable form, and the Team may record it at the Team's expense. If the Authority receives notice of any Leasehold Mortgagee, then such notice shall bind the Authority's successors and assigns.

(g) Authority's Right of Approval. In connection with the enforcement of any Leasehold Mortgage, the Authority shall have the right to approve any proposed transfer of the leasehold, license and other estates or interests created by this Agreement to a Leasehold Mortgagee or Person acquiring such leasehold, license and other estates or interests from a Leasehold Mortgagee, except that no such approval shall be required if the proposed transferee is an Institutional Lender, a subsidiary or other Affiliate of such a Leasehold Mortgagee, a Person acquiring the Team or a Person acquiring the leasehold, license and other estates or interests created by this Agreement from a Leasehold Mortgagee in a transaction that has been approved by the NFL.

(h) Leasehold Mortgagees - Notice and Cure. In the event that the Authority provides to the Team any approval, consent, demand, designation, request, election or other notice that any party gives regarding this Agreement relating to any default, alleged default, or termination (or alleged termination) of this Agreement that any party gives regarding this Agreement (each a "Notice"), the Authority shall, at the same time, give a copy of such Notice to all Leasehold Mortgagees. No Team default, event of default, termination of this Agreement, or other exercise of the Authority's rights or remedies predicated upon the giving of Notice to the Team shall be deemed to have occurred or arisen or be effective unless the Authority has given like Notice to each Leasehold Mortgagee as this **Section 23.3(h)** requires. Any such Notice shall describe in reasonable detail the alleged Team default or other event that allegedly entitled the Authority to exercise such rights or remedies. Each Leasehold Mortgagee shall have the right, at its option, to cure or remedy any breach or default by the Team under this Agreement and may enter the Stadium and Stadium Infrastructure (or any part thereof) solely for the purpose of effecting such cure and such entry shall not constitute an actual or constructive eviction of the Team nor shall such entry constitute an act hostile to the Authority's reversionary estate. The Authority shall accept such performance on the part of each Leasehold Mortgagee as though the same had been

done or performed by the Team. In addition to the foregoing rights, in case of a breach or default, the Authority will take no action to effect a termination of this Agreement by reason thereof until the Authority shall have served upon each Leasehold Mortgagee of which the Authority has received actual notice hereunder a copy of the notice of the breach or default, and each Leasehold Mortgagee shall be allowed to cure a monetary breach or default of the Team within sixty (60) days or, in the case of non-monetary defaults that are capable of cure by any Leasehold Mortgagee, such longer period as may be necessary to cure such default if any Leasehold Mortgagee has commenced to cure the breach or default within such sixty (60)-day period and is diligently proceeding to cure the same; **provided, however**, that if the cure would require more than one hundred eighty (180) days, and if any Leasehold Mortgagee shall have provided reasonable evidence to the Authority of its undertaking and its capacity (subject to receipt of such approvals and judicial Orders as may be necessary), then each Leasehold Mortgagee shall have such additional time to effect a cure. All Notices delivered by the Authority to Leasehold Mortgagees pursuant to this **Section 23.3(h)** shall be given by certified or registered United States mail, postage prepaid, return receipt requested, or by overnight courier or same day delivery service, or by facsimile with written confirmation served in any other manner for providing notice as set forth in this **Section 23.3(h)**, addressed to each Leasehold Mortgagee at the address (and, with respect to facsimile notices, facsimile number) last specified to the Authority by or on behalf of each such Leasehold Mortgagee, and any such notice shall be deemed to have been given and “served” on the second Business Day after mailing in the manner set forth in this **Section 23.3(h)**, on the first Business Day if an overnight courier service is used and on the same day if same day delivery service is used.

(i) **Foreclosure.** Notwithstanding anything to the contrary in this Agreement, including the other sections contained within this **Article 23**, (a) a default by the Team under a Leasehold Mortgage shall not constitute a default or breach of this Agreement by the Team unless and to the extent the acts or omissions of the Team giving rise to such Leasehold Mortgage default independently constitute a default or breach hereunder by the Team; and (b) a Leasehold Mortgagee may initiate, prosecute and complete any Foreclosure, and no Foreclosure under any Leasehold Mortgage, and no exercise by a Leasehold Mortgagee of any other rights or remedies under its Leasehold Mortgage, including recordation of a notice of default or the appointment of a receiver, shall require the Authority’s consent, or violate this Agreement, or constitute a breach or default by the Team hereunder, or affect the Authority’s obligations under this Agreement, or entitle the Authority to exercise any rights or remedies under this Agreement. If a Leasehold Mortgagee erroneously purports to exercise any rights or remedies against the Authority’s fee estate or any other interest of the Authority hereunder, the same shall not constitute a default under or breach of this Agreement, but such Leasehold Mortgagee, by accepting its Leasehold Mortgage, shall immediately withdraw and rescind any such erroneous exercise of remedies against the Authority’s fee estate promptly upon written request by the Authority.

(j) **Further Assignment.** If a Leasehold Mortgagee or a successor or assignee of a Leasehold Mortgagee, or an Affiliate thereof acquires the Team’s leasehold, license and other estates or interests by Foreclosure, or if a Leasehold Mortgagee or a successor or assignee of a Leasehold Mortgagee, or an Affiliate thereof succeeds to the interests and obligations of the Team under a new use agreement as provided in this **Section 23.3**, such Leasehold Mortgagee or

successor or assignee of a Leasehold Mortgagee, or an Affiliate thereof, may thereafter assign or transfer this Agreement or such new use agreement without the Authority's consent, provided the assignee or transferee is an Institutional Lender and expressly agrees in writing to assume and to perform all of the obligations under this Agreement or such new use agreement, as the case may be, from and after the effective date of such assignment or transfer.

(k) Limitation of Liability; Effect of Cure.

- (i) Notwithstanding anything to the contrary in this Agreement, (A) a Leasehold Mortgagee shall have no monetary liability for any breach of this Agreement by the Team except that if a Leasehold Mortgagee takes possession or ownership of the leasehold interest in Stadium and Stadium Infrastructure it shall cure any past-due monetary obligations of the Team; and (B) no Leasehold Mortgagee or its representative, any Person claiming through or under such Leasehold Mortgagee, including such Leasehold Mortgagee's designee, to be the Team under a new use agreement (a "**New Tenant**"), post foreclosure tenant ("**Post Foreclosure Tenant**"), or any Person acting for or on behalf of any of the foregoing shall have any personal liability under this Agreement (or a new use agreement), even if such Person exercises any cure rights of a Leasehold Mortgagee, except (1) during any period when such Person is the Team under this Agreement (or New Tenant under a new use agreement); or (2) to the extent that such Person assumes in writing any of the Team's obligations under this Agreement or agrees in writing to cure any breach or default by the Team (and any such liability shall be limited in accordance with the terms of such written assumption). Notwithstanding anything to the contrary in this Agreement or in any document or instrument that such Person executed and delivered (for example, even if any such Person has "assumed" this Agreement), any such Person's liability, past, present and future, including any then-accrued liability, shall in no event: (x) extend beyond the period of its ownership of an interest in this Agreement or a new use agreement; (y) continue after such Person has assigned or abandoned this Agreement or the new use agreement; or (z) extend to any pre-foreclosure defaults not susceptible to cure by a Leasehold Mortgagee or Post Foreclosure Tenant. Furthermore, in no event shall the liability of any Leasehold Mortgagee or its representative, New Tenant, Post Foreclosure Tenant, or any Person acting for or on behalf of any of them extend beyond such Person's then-interest, if any, in this Agreement, and not to any other assets of such Leasehold Mortgagee or its representative, New Tenant, Post Foreclosure Tenant, or any Person acting for or on behalf of any of them.
- (ii) A Leasehold Mortgagee need not continue to exercise its option to cure a default under or breach of the Agreement by the Team if and when the default or breach by the Team that such Leasehold Mortgagee was attempting to cure shall have been cured. Upon such cure and the cure of

any other breach or default by the Team in accordance with this Agreement, this Agreement shall continue in full force and effect as if no breach or default of the Team had occurred. Even if a Leasehold Mortgagee has commenced cure of any such breach or default by the Team, such Leasehold Mortgagee may abandon or discontinue its cure at any time, without liability to Authority or otherwise. No Leasehold Mortgagee's exercise of its cure rights under this Agreement shall be deemed an assumption of this Agreement in whole or in part, except as expressly set forth herein.

(l) Lease Impairments. Neither the Authority nor the Team shall make, and the Authority and the Team shall not agree to, any Lease Impairment without obtaining the prior written consent of the Leasehold Mortgagees. Any Lease Impairment made or entered into without such consent of the Leasehold Mortgagees shall not be effective, and not bind the Leasehold Mortgagees or any New Tenant or Post Foreclosure Tenant. Any approval required of a Leasehold Mortgagee pursuant to this **Section 23.3(l)** shall not be unreasonably withheld, conditioned or delayed as to any such action which would not have a materially adverse effect upon such Leasehold Mortgage.

(m) Future Modifications. If any Leasehold Mortgagee requires any modification of this Agreement or of any other document to be provided under this Agreement, or if any such modification is necessary or appropriate to comply with any rating agency requirements, then the Authority shall, at the Team's request, cooperate in good faith with the Team to negotiate such instruments in recordable form effecting such modification as such Leasehold Mortgagee or rating agency shall require, **provided** that any such modification does not modify the Use Fee or the Term, and does not otherwise materially adversely affect the Authority's rights or materially decrease the Team's obligations under this Agreement. If agreement on any such modification is reached, then the Authority shall at the request of the Team execute and deliver such modification, in accordance with and to the extent required by this **Section 23.3(m)**, and place such modification in escrow for release to the Team or such Leasehold Mortgagee upon the closing of such prospective Leasehold Mortgagee's loan to the Team.

(n) Casualty and Condemnation. If a casualty or Condemnation shall occur with respect to all or any portion of the Stadium and Stadium Infrastructure and restoration is to occur pursuant to the provisions of this Agreement, then if such casualty or Condemnation results in the payment of insurance proceeds to the Authority or the estimated cost of the repair and restoration, either individually or in the aggregate, is greater than five million dollars (\$5,000,000), the Authority shall, in accordance with all Applicable Laws, deposit the insurance proceeds and its funds, as applicable, with an independent third party financial institution, which financial institution shall (i) have at least one hundred million dollars (\$100,000,000) in assets or (ii) meet such threshold requirements specifically set by the Act, selected by the Authority and the Team to act as escrow agent. The funds held in escrow shall be administered and disbursed pursuant to the terms of an escrow agreement, which escrow agreement shall be consistent with the provisions of this Agreement (as applicable) and shall facilitate the application of such funds to fulfill the repair and restoration obligations set forth herein (as applicable). Nothing in this **Section 23.3(n)** and except as set forth in **Section 31.3** below shall entitle a Leasehold

Mortgagee to receive any award paid with respect to the Authority's interest in the Stadium and Stadium Infrastructure or this Agreement or proceeds of any insurance maintained by the Authority.

(o) New Use Agreement. If this Agreement terminates before the expiration of the Term for any reason (including, but not limited to, the occurrence of a default or breach by the Team, the rejection of this Agreement in any bankruptcy, composition, insolvency, reorganization, or similar proceeding, whether voluntary or involuntary, under Title 11, United States Code, or any other or successor federal or state bankruptcy, insolvency, reorganization, moratorium, or similar law for the release of debtors, including any assignment for the benefit of creditors and any adversary proceeding, proceedings for the appointment of a receiver or trustee, or similar proceeding, or the failure by any Leasehold Mortgagee to timely exercise its cure rights hereunder), excepting only a termination because of a casualty or a Condemnation affecting the Stadium or the Stadium Infrastructure, then (in addition to any other or previous Notice that this Agreement requires the Authority to give to a Leasehold Mortgagee) the Authority shall, within ten (10) Business Days following the occurrence of such termination, give Notice to all Leasehold Mortgagees of such termination. Within the sixty (60)-day period following each Leasehold Mortgagee's receipt of notice of termination or election to terminate or acquire possession, each Leasehold Mortgagee shall have the right to elect to enter into a new use agreement for the Stadium and Stadium Infrastructure for a term equal to the unexpired portion of the Term and on the same terms and conditions as this Agreement. In the event that any Leasehold Mortgagee elects to enter into a new use agreement, the new use agreement shall have a term equal to the unexpired portion of the Term and shall be on the same terms and conditions as this Agreement; **provided, however**, that such Leasehold Mortgagee shall cure any past due monetary obligations of the Team under this Agreement. The Authority shall tender the new use agreement to such Leasehold Mortgagee within ten (10) days after such Leasehold Mortgagee's request for the use agreement and shall deliver possession of the Stadium and Stadium Infrastructure to such Leasehold Mortgagee or its designee immediately upon execution of the new use agreement. Any such new use agreement shall have the same priority as this Agreement with respect to liens and encumbrances on the Stadium and Stadium Infrastructure. All rights of any Leasehold Mortgagee, and all obligations of the Authority, under this **Section 23.3(o)**, shall survive termination of this Agreement.

(p) Further Assurances. Upon request by the Team or any existing or prospective Leasehold Mortgagee, or if necessary to comply with any rating agency requirements, the Authority shall, within ten (10) Business Days after request, deliver to the requesting party such documents and agreements as the requesting party shall reasonably request to further effectuate the intentions of the Parties as set forth in this Agreement or to confirm any matter relevant to this Agreement, documents of the following type: (i) a recordable certificate signed and acknowledged by the Authority setting forth and confirming (or incorporating by reference), directly for the benefit of specified Leasehold Mortgagee(s), any or all Mortgagee Protections; (ii) acknowledgment of receipt of any Notice; (iii) estoppel certificates pursuant to **Section 32.19** hereof; (iv) any default or breach by the Team presently claimed by the Authority and the scope, status, and remaining duration of any Leasehold Mortgagee's cure rights for each such default or breach by the Team; and (v) an enumeration of all Leasehold Mortgages of which the Authority

has received Notices. All documents described in this **Section 23.3(p)** shall be in such form as the Team or the other requesting party shall reasonably require.

(q) **Recognition; Certain Obligations.** If any Post Foreclosure Tenant acquires this Agreement and the related leasehold interests in the Stadium and Stadium Infrastructure through a Foreclosure, or if any New Tenant obtains a new use agreement pursuant to this **Section 23.3**, then: (i) the Authority shall recognize such Post Foreclosure Tenant as the Team under this Agreement, or the New Tenant as the Team under a new use agreement, as applicable; (ii) any defaults not susceptible to cure by a Post Foreclosure Tenant or New Tenant shall no longer be defaults or breaches of this Agreement; (iii) no New Tenant or Post Foreclosure Tenant shall be bound by any Lease Impairment made without the prior written consent of each Leasehold Mortgagee; and (iv) a New Tenant or Post Foreclosure Tenant shall have no obligation to comply (A) for a period of six (6) months after the commencement date of such new use agreement, with any and all nonmonetary obligations or covenants, except the obligation to comply with Applicable Law, (B) with or perform any obligations under this Agreement specific to Team or (C) with any obligations that have been fully performed or no longer apply.

SECTION 23.4. Rights to Records. In the event of relocation of the Team in violation of this Agreement, the Team agrees that without the necessity of the execution of any further documents, such relocation shall serve as an assignment to the NFL all of the Team's interest in Minnesota Vikings' heritage, records, and Trademarks, including the Team IP, the Team name(s), logo(s), the Minnesota Vikings' color scheme, history, playing records, trophies, and memorabilia (collectively, the "**Minnesota Team Rights**"). In the event of such a relocation in violation of this Agreement, (i) the Team shall enter into such agreements as may reasonably be requested by the NFL in order to document the assignment of such Minnesota Team Rights to the NFL and (ii) thereafter, the NFL shall not permit another NFL team (except for a team located in the State) to use such Minnesota Team Rights as the name, logo, etc. of such team. For the avoidance of doubt, nothing herein shall be deemed to prevent the NFL or other NFL teams from using (commercially or otherwise) and permitting others to use the Minnesota Team Rights in reference to the NFL Team prior to any such relocation in violation of this Agreement.

SECTION 23.5. Location of Team Training Facilities. During the Term, all training facilities of the Team must be located within the State.

SECTION 23.6. Business Office. During the Term, the Team shall use commercially reasonable efforts to maintain at least one (1) business office in the Seven County Metro Area, which office shall be where a majority of its office employees are employed.

(b) Losses Associated with Late Completion of the Project. Absent gross negligence or willful misconduct in connection with the Authority's acts or omissions arising from its obligations under the Development Agreement, the Authority shall not be liable for Losses to the Team arising from late completion of the Project (as defined in the Development Agreement) pursuant to the July 1, 2016 completion date set forth in the Construction Services Agreement. Absent such gross negligence or willful misconduct, the Parties acknowledge and agree that their sole remedy for such late completion of the Project shall be limited to (i) the liquidated damages that are due from the Construction Manager under the Construction Services Agreement and shared by the Parties pursuant to **Section 11.1(m)** of the Development Agreement and (ii) the Losses the Parties may recover pursuant to the Design Services Agreement for damages due to late completion of the Project; **provided, however**, that the foregoing does not affect (A) the right of either Party to recover from insurance policies that may provide coverage for risk of late completion of the Project, or (B) the provisions of this Agreement or the Development Agreement with respect to the Team's payment obligations (or abatement) hereunder or thereunder.

(c) Losses Associated with Untenantability Due to a Destruction Event. Absent gross negligence or willful misconduct in connection with the Authority's acts or omissions arising

from its obligations hereunder in connection with an Untenantability Period due to a Destruction Event, the Authority shall have no liability to the Team for Losses for such Untenantability Period(s) due to a Destruction Event; **provided, however**, that (i) each Party reserves its right to recover from insurance policies that may provide coverage for Losses in connection with a Destruction Event or from third Persons for Losses arising out of an Untenantability Period due to a Destruction Event, and (ii) the provisions of this Agreement or the Development Agreement with respect to the Team's payment obligations (or abatement) hereunder or thereunder shall be unaffected by the foregoing Destruction Event and Untenantability Period.

(d) Team Stadium Contracts - Limitation of Liability for Third Party Contract Claims. If (i) the Team is a party to a contract related to the Stadium with a third Person, and (ii) such third Person asserts a claim against the Team arising out of the contract related to the Stadium due to an alleged act or omission of the Authority under the Development Agreement or this Agreement, then (A) the Team or its Affiliates will not have any claim of indemnification, contribution, or other cause of action against the Authority and (B) the Authority will not have a claim of indemnification, contribution, or other cause of action against the Team or its Affiliates, each with respect to such third Person claim. The foregoing shall not affect the subrogation rights of insurers of either the Authority or the Team against the insurers of the other Party.

(e) Authority Stadium Contracts - Limitation of Liability for Third Party Contract Claims. If (i) the Authority is a party to a contract related to the Stadium with a third Person, and (ii) such third Person asserts a claim against the Authority arising out of the contract related to the Stadium due to an alleged act or omission of the Team under the Development Agreement or this Agreement, then (A) the Authority will not have any claim of indemnification, contribution, or other cause of action against the Team; **provided, however**, that the Authority shall have a claim of indemnification or contribution if the Team failed to include the exculpatory provision set forth in **Section 7.2** of this Agreement in the contract with such third Person, and (B) the Team will not have a claim of indemnification, contribution, or other cause of action against the Authority, in each case with respect to such third Person claim. The foregoing shall not affect the subrogation rights of insurers of either the Authority or the Team against the insurers of the other Party.

SECTION 26.2. Indemnification and Payment of Losses by Team. The Team shall indemnify, defend and hold harmless the Authority Indemnified Persons for, and shall pay to the Authority Indemnified Persons the amount of any Losses involving a third-party claim arising, directly or indirectly, from or in connection with:

- (i) any breach of any representation or warranty made by the Team in this Agreement or in any schedule or exhibit attached hereto or any other certificate or document delivered by the Team to the Authority pursuant to this Agreement;
- (ii) any breach by the Team of any covenant or obligation of the Team in this Agreement;
- (iii) any claim by any Person for Losses in connection with the violation by the Team or its Agents of any Applicable Laws;

- (iv) any personal injury, bodily injury, death or property damage occurring in or about the Stadium, Stadium Infrastructure or Stadium Site resulting from the acts or omissions of the Team or its Agents, in each case acting in their respective capacities as such, during Team Stadium Events, including any personal injury, bodily injury, death or property damage to Persons, players, coaches and Team staff directly caused by the act of playing football during a Team Game;
- (v) the acts or omissions of the Team or its Agents, in each case acting in their respective capacities as such, and arising out of Team use of the Team Year-Round Use Areas and Team Allocated Spaces; and
- (vi) any Environmental Complaint regarding or relating in any way to the Stadium, Stadium Infrastructure or Stadium Site which is caused by or the result of any willful misconduct or grossly negligent act or omission of the Team or its Agents.

Notwithstanding the foregoing, this **Section 26.2** does not require the Team to indemnify and defend the Authority Indemnified Persons for Losses resulting from willful misconduct or grossly negligent acts or omissions of the Authority or the Authority Indemnified Persons under this **Section 26.2**. If the Team fails to make any payment of any sums payable by the Team to the Authority Indemnified Persons on the date due, which failure shall continue for thirty (30) days, then such payment shall bear interest at a rate of interest equal to the lesser of the “Wall Street Journal Prime Rate” published in the *Wall Street Journal*, (the “**Prime Rate**”) or the highest rate permitted by Applicable Law, payable from the date such payment was due to the date of payment thereof.

SECTION 26.3. Indemnification and Payment of Losses by Authority. The Authority shall indemnify, defend and hold harmless the Team Indemnified Persons for, and shall pay to the Team Indemnified Persons the amount of any Losses involving a third-party claim arising, directly or indirectly, from or in connection with:

- (i) any breach of any representation or warranty made by the Authority in this Agreement or in any schedule or exhibit attached hereto or any other certificate or document delivered by the Authority to the Team pursuant to this Agreement;
- (ii) any breach by the Authority of any covenant or obligation of the Authority in this Agreement;
- (iii) any claim by any Person for Losses in connection with the violation by the Authority or the Authority Agents of any Applicable Laws;
- (iv) any personal injury, bodily injury, death or property damage occurring in or about the Stadium, Stadium Infrastructure or Stadium Site, other than (A) personal injury, bodily injury or death of players, coaches and Team staff directly caused by (1) the act of playing football during a Team

Game, or (2) Team use of the Team Year-Round Use Areas and Team Allocated Spaces, and (B) personal injury, bodily injury, death or property damage resulting from the negligent, wrongful or willful act or omission of (1) any Person and its Agents exercising Broadcast Rights at the Stadium, Stadium Infrastructure or Stadium Site during a Team Stadium Event, or (2) any other NFL team playing in a Team Game at the Stadium as Team's opponent or such NFL team's Agents; and

- (v) any Environmental Complaint regarding or relating in any way to the Stadium, Stadium Infrastructure or Stadium Site.

Notwithstanding the foregoing, this **Section 26.3** does not require the Authority to indemnify and defend the Team Indemnified Persons for Losses resulting from willful misconduct or grossly negligent acts or omissions of the Team or its Agents under this **Section 26.3**. If the Authority fails to make any payment of any sums payable by the Authority to the Team Indemnified Persons on the date due, which failure shall continue for thirty (30) days, then such payment shall bear interest at a rate of interest equal to the lesser of the Prime Rate or the highest rate permitted by Applicable Law, payable from the date such payment was due to the date of payment thereof.

SECTION 26.4. **Special Team Rights and Remedies upon Authority Default.** In the event that the Authority is in material breach or otherwise in material default of any of the provisions of this Agreement, and such breach or default is uncured, the Team shall have, in addition to any other rights and remedies available to the Team under this Agreement (including pursuant to **Section 7.1**), the following rights and remedies:

- (i) **Self-Help; Right of Setoff and Recoupment.** The Team shall have the right to perform, at the sole cost and expense of the Authority, any of the Authority's covenants, obligations or duties arising under this Agreement, and shall have the right to holdback, setoff and recoup any amounts owed to the Authority hereunder (including with respect to the Operating Cost Payment, Capital Cost Payment and Team Event-Day Expenses) to the extent of any costs and expenses incurred or to be incurred by the Team in connection with the performance of any of the Authority's covenants, obligations or duties hereunder;
- (ii) **Liens.** To the extent allowed under Applicable Law, the Team shall have the right to file a lien on, and the right to enforce any lien against, any accounts of the Authority, including operating or reserve accounts and the Capital Reserve Fund, for any obligations of the Authority under this Agreement which are paid by the Team upon an uncured material breach or material default by the Authority of this Agreement; and
- (iii) **Authority's Obligations.** To the extent allowed under Applicable Law, the Team shall have the right to compel the Authority to utilize its resources in accordance with the Act to assure that the Authority will not impair its ability to perform and pay its obligations under this Agreement.

**ARTICLE 27.

- (iii) by the Authority, subject at all times to Section 23.3(o) herein, upon (A) the adjudication of the Team as bankrupt, or Team suffering permanent or temporary court-appointed receivership of all or substantially all of its property or assets, making a general assignment for the benefit of creditors or suffering the filing of a voluntary or involuntary bankruptcy petition that is not dismissed within sixty (60) days after filing, in which case termination shall be effective thirty (30) days after notice is given of such intent to terminate; (B) a failure by the Team to pay any damage award or awards to Authority totaling more than One Million

SECTION 27.3. Effect Of Termination; Survival.

(a) Effect of Termination. The termination or expiration of this Agreement shall not release or relieve any Party from any obligations or liabilities incurred prior to or as a result of such termination or expiration. No Party shall be entitled to recovery of any Losses (including lost revenues) arising or accruing after the date of any termination of this Agreement, unless such Losses occurs during the Term.

(b) Materials Provided Upon Termination. Upon any expiration or termination of this Agreement, regardless of whether such termination is based upon or constitutes an event of default, and regardless of whether such termination is by the Authority or the Team, the Team shall provide to the Authority a copy of all contracts and agreements entered into by the Team with respect to the Stadium, Stadium Infrastructure, or Stadium Site, or any portion thereof.

(c) Financial Review Rights Upon Default or Material Breach. If a material breach of this Agreement by the Team has occurred and is continuing, then the Authority shall have access, upon reasonable advance written notice to the Team and at the Team’s (or its designees’) offices during normal business hours, to the audited financial statements of the Team and other financial information that the Authority deems necessary to enforce the terms of this Agreement; **provided, however,** that the Authority agrees that the following financial information is not necessary to enforce the terms of this Agreement and will not (and may not) be sought by the Authority hereunder: financial information of the NFL, NFL Ventures LP, the other NFL member clubs, and any of the Affiliates of the foregoing entities.

(d) Nonpublic Data. Any financial information provided pursuant to this **Section 27.3** is confidential information and shall, as provided in Minnesota Statutes section 473J.15, subdivision 9, be nonpublic data pursuant to the Act and as defined in the Minnesota Government Data Practices Act, Minnesota Statutes Section 13.01 *et seq.* (the “**Data Practices Act**”). ARTICLE 28. DAMAGE OR DESTRUCTION

SECTION 28.1. Damage or Destruction of Stadium. If the Stadium or Stadium Infrastructure, or any portion of the Stadium or Stadium Infrastructure, is damaged or destroyed or otherwise is in a condition such that it does not meet the Expected Facility Standard as a result of any cause, thing or matter whatsoever (including any Force Majeure event or any act or omission of the Authority or Team) which results in an Untenantability Period (a "**Destruction Event**"), then the Authority shall promptly, diligently and expeditiously have the Stadium or Stadium Infrastructure repaired and restored to bring the Stadium and Stadium Infrastructure up to the Expected Facility Standard (the "**Casualty Repair Work**") as soon as reasonably possible at the Authority's cost and expense; **provided, however**, that Team acknowledges that the Stadium and Stadium Infrastructure shall not be deemed to be less than the Expected Facility Standard solely by reason of ordinary wear and tear or the existence of superior facilities elsewhere, unless such wear and tear is materially greater than, or such superior facilities are, comparable NFL facilities of similar design and age. Notwithstanding the foregoing, if, with respect to a Destruction Event that occurs during the Term, for any reason, it is reasonably projected in writing by the Market Professional to take the Authority longer than the Restoration Period to bring the Stadium and Stadium Infrastructure to the Expected Facility Standard, then Team shall have the right to immediately terminate this Agreement by delivering notice thereof to the Authority within the period beginning on the day Team is notified in writing of such determination of the Market Professional and ending one hundred eighty (180) days after the day Team is notified in writing of such determination of the Market Professional. Notwithstanding anything to the contrary set forth in this Agreement, (i) in the event that a Destruction Event

occurs on a date that is within a NFL Season, the Authority shall use expedited efforts, including, so long as such damage or destruction was not caused by any willful misconduct or grossly negligent act or omission of Team or its Agents (in each case, acting in their respective capacities as such), the use of overtime and premium work, to bring the Stadium and Stadium Infrastructure to the Expected Facility Standard as required hereunder on or prior to the July 15 immediately prior to the commencement of the third Team NFL Season following such Destruction Event and (ii) if a Destruction Event occurs as the result of an willful misconduct or grossly negligent act or omission of Team or its Agents (in each case, acting in their respective capacities as such), then Team shall not have the right to terminate this Agreement unless the Authority abandons the rebuilding, repairing or restoration of the Stadium and Stadium Infrastructure to the Expected Facility Standard.

SECTION 28.2. Notice Procedures. Upon the occurrence of a Destruction Event, the Authority shall notify Team in writing of the occurrence of such Destruction Event (and all known details related thereto) promptly, but in any event no later than five (5) Business Days following such occurrence, and the Authority and Team shall use commercially reasonable efforts to promptly contract with a mutually agreeable independent construction professional experienced in design and construction of similar facilities (such individual who is ultimately selected, the “**Market Professional**”). The Market Professional shall inspect the Stadium or portions thereof affected by the Destruction Event and provide to Team and the Authority a reasonable, good faith projection of the time required to rebuild, repair and restore the Stadium to the Expected Facility Standard. The costs and expenses of the Market Professional shall be borne by the Authority. The contract with the Market Professional shall provide, among other things, that (i) the Market Professional shall provide to Team and the Authority its good faith projection of the time required to rebuild, repair and restore the Stadium as promptly as practicable, but in no event more than thirty (30) days following its selection as the Market Professional, (ii) all written work product of the Market Professional or other reports, documents, materials or other written information or communications provided by the Market Professional to any Party shall be provided to all Parties at approximately the same time and in the same manner, (iii) each of the Parties shall ensure that all reports, documents, materials or other written information or communications provided by such Party to the Market Professional shall be provided to the other Party at approximately the same time and in the same manner, and (iv) all oral communications by or to the Market Professional with respect to the services contemplated to be provided by this **Section 28.2** shall be made in the presence of at least one representative of the Team, on the one hand, and at least one representative of the Authority, on the other hand.

SECTION 28.3. Assistance. Solely in the event of a Destruction Event which was specifically caused by an act or omission of the Authority or any Untenantability Period that prohibits any Team Game from occurring at the Stadium, the Authority shall make commercially reasonable efforts to assist the Team to obtain an alternate site for Team Games.

SECTION 28.4. Insurance Proceeds.

(a) Requirements for Disbursement. Insurance proceeds paid pursuant to the policies of insurance for loss of or damage to the Stadium or Stadium Infrastructure (herein sometimes referred to as the “**Insurance Proceeds**”) shall be paid to the Authority, as restoring party, from time to time as such Casualty Repair Work progresses. Insurance Proceeds paid or disbursed to

the Authority shall be held by the Authority or a third party financial institution in accordance with **Section 23.3(o)** in trust for the purposes of paying the cost of the Casualty Repair Work and shall be applied by the Authority to such Casualty Repair Work or otherwise in accordance with the terms of this **Section 28.4**. The Authority shall from time to time as requested by the Team, its Affiliates, or any Leasehold Mortgagee provide an accounting to such other party of the Insurance Proceeds in detail and format reasonably satisfactory to such other party.

(b) Disbursements of Excess Proceeds. If the Insurance Proceeds (and other funds, if any) received by the Authority shall exceed the entire cost of the Casualty Repair Work, the Authority shall deposit the amount of any such excess proceeds into the Capital Reserve Fund and thereupon such proceeds shall constitute part of the Capital Reserve Fund.

(c) Application of Insurance Proceeds.

- (i) Stadium Use Agreement Terminated. In the event this Agreement shall be terminated following a Destruction Event, Insurance Proceeds, if any, payable to the Authority in respect of such Destruction Event shall be held in accordance with **Section 23.3(n)** herein. The Insurance Proceeds shall be payable in the following order of priority: (A) first, to the Authority for the payment of the costs to perform any required demolition work and to remediate any hazards caused by such Destruction Event, and (B) to fund payment of refunds due to SBL licensees, and (C) third, shared among each of the Team and the Authority in the same proportion as amounts contributed by such entity with respect to the Authority Contribution (as defined in the Development Agreement), the Team/Private Contribution and Privately Financed Enhancements (as defined in the Development Agreement) (collectively, the “**Project Contributions**”) in the same proportion as amounts contributed by such entity bears to the total Project Contributions; **provided**, that any Leasehold Mortgagee providing funding for all or any portion of the Private Contribution shall be entitled to any amount allocable to the Authority in respect of the Private Contribution to the extent of the unpaid amount of the indebtedness secured by the related Leasehold Mortgage incurred to fund such Private Contribution. All capitalized terms used but not defined in this **Section 28.4(c)(i)** shall have the meanings assigned to them in the Development Agreement.
- (ii) Stadium Use Agreement Not Terminated. In the event this Agreement is not terminated following a Destruction Event, Insurance Proceeds, if any, shall be payable in the following order of priority: (A) first, to the Authority to hold and use the Insurance Proceeds as fiduciary for the insureds consistent with their interests in connection with the performance of the Casualty Repair Work, and (B) second, to the Authority, as restoring party, to be deposited into the Capital Reserve Fund and, thereupon, such proceeds shall constitute part of the Capital Reserve Fund.

**ARTICLE 29.
FORCE MAJEURE**

If the failure of a Party to act or omit to act under this Agreement, other than the payment of monies, is due to an event of Force Majeure, such Party shall be (i) granted relief hereunder by an extension of time to perform as set forth herein if such Force Majeure has delayed, but not prevented, a Party's act or omission hereunder, or (ii) excused from performance of the act or omission if the occurrence of Force Majeure has prevented performance of the act or omission in accordance herewith. A Party claiming an excuse of performance due to an event of Force Majeure shall give prompt notice following such event to the other Party that there shall be a delay of performance due to such event of Force Majeure and shall promptly act or omit to act to mitigate the effect of such event. The extension of time for performance resulting from such a Force Majeure event shall be limited to the reasonable time period of delay arising from such Force Majeure event, which period shall be deemed to commence from the first date of the Force Majeure event; **provided, however,** that if notice by the Party claiming such extension is sent to the other Party more than thirty (30) days after the commencement of the Force Majeure event, the period shall be deemed to commence thirty (30) days prior to the giving of such notice. Times of performance under this Agreement also may be extended as mutually agreed upon in writing by the Parties. However, failure to agree to a proposed extension of time for performance shall not be deemed grounds for delay or failure to timely cure any breach under this Agreement. If the Force Majeure event results in a Destruction Event, the provisions of **Article 28** shall cover the Parties conduct under this Agreement.

**ARTICLE 30.

SECTION 30.1. The Authority's Insurance Requirements. The Authority shall purchase and maintain at its own cost and expense, commencing no later than the Commencement Date and continuing through the end of the Term, the following insurance coverage:

The Authority shall review annually the cost of purchasing a stand-alone terrorism insurance policy insuring all of the insurance policies required in this **Section 30.1** versus the aggregated cost of purchasing individual terrorism coverages within each of the insurance policies required by this **Section 30.1**; **provided, however**, in all cases, all of the Authority's contracts and the Stadium Site, as well as the associated income stream, shall be protected from terrorism losses.

SECTION 30.2. Team's Insurance Requirements. The Team shall purchase and maintain at its own cost and expense, commencing no later than the Commencement Date and continuing through the end of the Term, the following insurance coverage:

(c) Notice of Cancellation Requirements. All insurance policies required to be maintained by either Party pursuant to this Agreement shall contain (and any certificate evidencing the existence of such insurance policy shall certify) a provision stating that such policies may not be canceled, not renewed, modified or have any coverages or limits reduced (including any detrimental material change in coverage or change in the named insured) unless the other Party shall have received written notice of cancellation, non-renewal, or material reduction in coverage, in each case (except for notice of cancellation due to non-payment of premiums) such written notice to be sent to the other Party not less than thirty (30) days (or the maximum period of days permitted under Applicable Law, if less than thirty (30) days) prior to the effective date of such cancellation, non-renewal or material reduction in coverage, as applicable. In the event any insurance policy is to be canceled due to non-payment of premiums, the requirements of the preceding sentence shall apply except that the written notice shall be sent to the other Party on the earliest possible date but in no event less than ten (10) days prior to the effective date of such cancellation.

(d) Additional Insureds. Other than worker’s compensation/employer’s liability, all insurance policies required under this Agreement, including **Section 30.3**, to be maintained by the Authority shall name the Team and its Affiliates, any Naming Rights Sponsors, Leasehold Mortgagees, and their respective shareholders, members, owners, officers, directors, employees, representatives and agents as additional insureds or loss payees, as applicable, and shall also name any other sponsor of the Team identified by the Team to the Authority as additional insureds, **provided** that such sponsor (other than a Naming Rights Sponsor) may be added at no cost or the cost is paid by the Team or the sponsor. In each instance in which the Authority is named as an additional insured in an insurance policy maintained by a Concessionaire, the Authority shall cause the Team and its Affiliates, any Naming Rights Sponsors, Leasehold Mortgagees, and their respective shareholders, members, owners, officers, directors, employees, representatives and agents to be named as additional insureds or loss payees, as applicable and as their interests shall appear. All insurance policies under this Agreement, including **Section 30.3**,

to be maintained by the Team shall name the Authority and its board members, officers, directors, employees, representatives and agents as additional insureds, as applicable and as their interests shall appear. The insurance afforded to additional insureds hereunder shall be primary insurance and, in the event the additional insureds maintain other insurance that is applicable to the loss, it will be on an excess or contingent basis.

(e) Evidence of Insurance. Each Party shall furnish to the other, on or before the Commencement Date, certificates issued by insurance companies evidencing that the insurance required of such Party under this Agreement is in full force and effect. If either Party fails to procure and maintain any such insurance or provide any certificates of insurance required pursuant to this Agreement, the other Party may (i) procure and maintain the insurance or such certificates and (ii) recover from such failing Party the cost thereof and associated therewith, together with interest at the rates contemplated in Sections 26.1 and 26.2, respectively.

(f) Periodic Review of Coverage. Subject to Section 30.1(iii) and the last sentence of Section 30.1(v) which shall govern and control with respect to the setting of insurance limits related thereto, Team and the Authority shall jointly review applicable coverages every three (3) years, and shall mutually agree upon appropriate coverages, limits and deductibles, and all such coverages, limits and deductibles shall be at commercially reasonable levels. If the Parties cannot agree on such coverage, the amount of such coverage shall be increased every three (3) years to reflect the change in the Consumer Price Index For All Urban Customers for the Minneapolis – St. Paul Metropolitan Area as published by the U.S. Department of Labor, or if that index ceases to be published, another index which most closely approximates such index. If, because of disruptive events affecting the insurance market, the premium cost for one or more levels of coverage required to be maintained by the Team or the Authority pursuant to this Article 30 has become commercially unreasonable or such coverage is otherwise not commercially available, then Team and the Authority, as the case may be, shall be permitted to maintain similar coverages, limits and deductibles as may be available at commercially reasonable costs, but in all events, shall maintain coverages, limits and deductibles that are substantially similar to such coverages, limits and deductibles carried by (i) with respect to Team, other NFL teams, and (ii) with respect to Authority, owners or operators of (or any such other Persons who may be contractually required to maintain all insurance coverages with respect to) other stadiums in which NFL teams regularly play their home games. In the event that Team or the Authority asserts that the premium cost for one or more levels of coverage has become commercially unreasonable or otherwise not commercially available as contemplated in the preceding sentence, then the asserting Party shall have the burden of proof with respect to the fact that such coverage is commercially unreasonable, and that the coverages, limits and deductibles that such Party proposes to maintain are substantially similar to such coverages, limits and deductibles of the Persons set forth in clause (i) or clause (ii), as applicable. In the event that Team or the Authority asserts that it should be permitted to modify its coverages, limits or deductibles as contemplated in the preceding two sentences, then such Party shall provide notice to the other no less than thirty (30) days prior to such time as such Party proposes to modify such coverages, limits or deductibles.

ARTICLE 31.
POSSESSION OF AND TITLE TO REAL PROPERTY; EMINENT DOMAIN

SECTION 31.1. Possession of and Title to Real Property. The Authority holds or will hold by not later than the Commencement Date (i) good and marketable fee title to each property owned by the Authority, and (ii) valid and enforceable leases, licenses, and easements over any and all portions of the Stadium Site, in each case, free and clear of all encumbrances other than the Permitted Encumbrances and Permitted Easements. If any title defect shall materially diminish, impair or disturb the rights of the Team under this Agreement with respect to the Stadium and Stadium Infrastructure, the Authority shall take commercially reasonable actions, at its sole cost and expense, to promptly eliminate such title defect. The Parties agree that a Permitted Encumbrance shall not constitute a title defect. Except as expressly permitted under this Agreement and except for Permitted Encumbrances, the Authority shall not create any lien, encumbrance, easement, license, right-of-way, covenant, condition or restriction that would (i) encumber the Stadium and Stadium Infrastructure and (ii) materially diminish, impair or disturb the rights of the Team under this Agreement.

SECTION 31.2. Termination for Condemnation or Untenantability.

(a) Termination for Condemnation. In the event that a Condemnation with respect to any material part of the Stadium or Stadium Infrastructure shall occur, this Agreement shall terminate (except as hereinafter provided below), on the date on which possession is required to be delivered to the condemning authority. As used herein, “material part” shall mean (i) any of the Stadium or Stadium Infrastructure that causes the Team to become unable to make use of the Stadium for its intended operations or (ii) results in a material loss of revenue (for example, including (A) a reduction by ten percent (10%) or more in the number of seats available in the Stadium or (B) loss of any material portion of the Plaza, concourse areas, parking, or any part of the area between the Stadium and a public street or highway, Condemnation of which would cause insufficient access to the Stadium) for which the Team does not receive reimbursement of such loss by the Authority or another Person. The Team may elect, in its sole discretion, not to treat any of the foregoing as a “material part” of the Stadium, in which event this Agreement shall not terminate. If this Agreement terminates pursuant to the provisions of this **Section 31.2**, all rights, obligations and liabilities of the Parties shall end as of the effective date of such termination, without prejudice to any rights that have accrued prior to such termination.

(b) Termination for Untenantability. In the event that an Untenantability Period exceeds a period of (i) in the case of a Destruction Event, for a period longer than the Restoration Period, and (ii) in the case of an event of Force Majeure, other than a Destruction Event, a period longer than one (1) full NFL Season following the first date of the Untenantability Period.

SECTION 31.3. Allocation of Award. If this Agreement is terminated pursuant to **Section 31.2**, then the proceeds of any Condemnation award payable to the Authority shall be shared between the Authority (on behalf of the Governmental Authorities funding it) and the Team, in the same proportion as the Authority Contribution and the Team/Private Contribution (as such terms are defined in the Development Agreement) (on behalf of any Leasehold Mortgagee funding all or a portion of the Team/Private Contribution).

SECTION 31.4. Performance of Work. If there shall be a Condemnation and this Agreement does not terminate as a result thereof, and if commercially reasonable, the amount of any award for or on account of any Condemnation shall be used to pay for the performance of any and all work necessary to restore the Stadium and Stadium Infrastructure to a complete architectural unit suitable for the Team's use, which work the Authority shall cause to be performed in as expeditious a manner as possible.

SECTION 31.5. Temporary Taking. This Agreement shall not terminate by reason of a temporary taking of the Stadium or Stadium Infrastructure, or any portion thereof, for public use, except as provided in this **Section 31.5**. In the event of such a temporary taking, the rights and obligations of the Parties under this Agreement shall continue in full force and effect, except that:

- (i) any award for such temporary taking for lost profits, loss of business or use, or relocation benefits shall be paid to the Team and the Authority in proportion to their respective lost profits, loss of business or use and costs of relocation;
- (ii) any award for such temporary taking for restoring the Stadium and Stadium Infrastructure (other than Team Year-Round Use Areas and Team Allocated Spaces) to a state equivalent to that which the Stadium and Stadium Infrastructure (other than Team Year-Round Use Areas and Team Allocated Spaces) were in immediately prior to such temporary taking shall be paid to the Authority (and such funds shall be used solely for restoration of the Stadium and Stadium Infrastructure);
- (iii) any award for such temporary taking for restoring the Team Year-Round Use Areas and Team Allocated Spaces to a state equivalent to that which the Team Year-Round Use Areas and Team Allocated Spaces were in immediately prior to such temporary taking shall be paid to the Team;
- (iv) upon the termination of such temporary taking, (A) the Authority shall use commercially reasonable efforts to restore the Stadium and Stadium Infrastructure (other than the Team Year-Round Use Areas and Team Allocated Spaces) to a state equivalent to that which the Stadium and Stadium Infrastructure (other than the Team Year-Round Use Areas and Team Allocated Spaces) were in immediately prior to such temporary taking, and (B) the Team shall use its commercially reasonable efforts to restore the Team Year-Round Use Areas and Team Allocated Spaces to a state equivalent to that which the Team Year-Round Use Areas and Team Allocated Spaces were in immediately prior to such temporary taking;
- (v) during any period of a temporary taking that creates an Untenantability Period (or such longer period as is reasonably necessary to allow the Team to make suitable alternate arrangements), the Team shall be entitled to make arrangements for an alternate site for Team Games; and

- (vi) notwithstanding the foregoing, the Team shall have the right to terminate this Agreement as of the end of any NFL Season if the remaining period of such temporary taking (A) will be for period of more than two (2) NFL Seasons following the date of the termination, as evidenced by the issuance of any written statement by a duly authorized official of the condemning authority to the effect that such temporary taking will be for such period of time and (B) will result in a material loss of revenue for which the Team does not receive reimbursement of such loss by the Authority or another Person.

**ARTICLE 32.
MISCELLANEOUS**

SECTION 32.1. Notices.

(a) Notice of Matters. In the event that any Party receives knowledge about any matter that may constitute a breach of any of its warranties or covenants set forth in this Agreement that arises after the Effective Date, it shall promptly notify the other Parties of the same in writing; **provided, however,** that in the case of any potential breach or default by the Team of **Section 3.6** or **Section 23.5**, the Team shall provide such notice at least one hundred eighty (180) days prior to any action of which the Team has knowledge (including an action imposed upon the Team by the NFL) which would result in a breach or default of such provisions.

SECTION 32.2. Amendment. This Agreement may be amended, modified or supplemented but only in a writing signed by each of the Parties.

SECTION 32.3. Waivers. The failure of a Party hereto at any time or times to require performance of any provision hereof shall in no manner affect its right at a later time to enforce the same. No waiver by a Party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement shall be effective unless in writing, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach in other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.

SECTION 32.4. Counterparts. This Agreement may be executed and delivered in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A telecopy, facsimile or other electronic signature (such as a .pdf) of any Party shall be considered to have the same binding effect as an original signature.

SECTION 32.5. Remedies Cumulative. Subject to any terms to the contrary set forth in this Agreement, all rights and remedies which may be pursued at law, in equity, or as otherwise set forth in this Agreement, are cumulative. Nothing shall limit any Party's right to pursue rights and remedies at law or in equity, unless specifically set forth in and limited by this Agreement. SECTION 32.6. Knowledge. The term "knowledge" or words of similar import shall mean the actual knowledge after reasonable inquiry of the officers or key employees of any Party with respect to the matter in question as to the date with respect to which such representation or warranty is made.

SECTION 32.7. Drafting. The Parties acknowledge and confirm that each of their respective attorneys have participated jointly in the review and revision of this Agreement and that it has not been written solely by counsel for one Party. The Parties further agree that the language used in this Agreement is the language chosen by the Parties to express their mutual intent, and that no rule of strict construction is to be applied against any Party.

SECTION 32.8. No Third Party Beneficiaries. This Agreement is solely for the benefit of the Parties hereto and, to the extent provided herein, their respective Affiliates, board

members, Agents, successors and permitted assigns, and no provision of this Agreement shall be deemed to confer upon other Persons any remedy, claim, liability, reimbursement, cause of action or other right.

SECTION 32.9. Entire Understanding. This Agreement, the Development Agreement and the other related agreements set forth the entire agreement and understanding of the Parties hereto with respect to the transactions contemplated hereby and supersede any and all prior agreements, arrangements and understandings among the Parties relating to the subject matter hereof, and any and all such prior agreements, arrangements and understandings shall not be used or relied upon in any manner as parol evidence or otherwise as an aid to interpreting this Agreement.

SECTION 32.10. Applicable Law. This Agreement shall be governed by and construed and enforced in accordance with the internal Applicable Laws of the State without giving effect to the principles of conflicts of law thereof.

SECTION 32.11. Forum Selection; Waiver of Jury Trial. Any disagreement, dispute or claim relating to, arising out of or in connection with this Agreement, or the relationship between the Parties, shall be subject to the exclusive jurisdiction of the State Courts sitting in Minneapolis, Minnesota (Fourth Judicial District), and both Parties expressly consent to such exclusive jurisdiction, including personal jurisdiction, and agree that venue in such court is proper. THE AUTHORITY AND TEAM HEREBY IRREVOCABLY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE BETWEEN THEM AND ACKNOWLEDGE THAT ANY DISPUTE BETWEEN THEM SHALL BE TRIED TO THAT COURT.

SECTION 32.12. Release. If requested by the Team or upon termination of this Agreement, the Authority shall execute and deliver a written cancellation or termination of this Agreement in proper form for recording to the extent such release is appropriate under the provisions hereof.

If a time is not specified, performance shall be required promptly and with due regard to the conditions of performance of other parties in reliance thereon.

SECTION 32.14. Severability. If any provision of this Agreement shall be held invalid, illegal or unenforceable, the validity, legality or enforceability of the other provisions hereof shall not be affected thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue. This **Section 32.14** shall not be construed or implemented in a manner that substantially deprives any Party of the overall benefit of its bargain under this Agreement.

SECTION 32.15. Relationship of the Parties. The Team and the Authority are independent parties and nothing contained in this Agreement shall be deemed to create a partnership, joint venture, agency or employer-employee relationship among them or to grant to any of them any right to assume or create any obligation on behalf of or in the name of the others of them.

SECTION 32.16. Additional Documents and Approval. A Party, upon reasonable request of the other Party, shall execute and deliver, or cause to be executed and delivered, any further documents and take any further actions as may be reasonably necessary or expedient in order to consummate the transactions provided for in, and to carry out the purpose and intent of, this Agreement.

SECTION 32.17. Recording of the Use Agreement. This Agreement shall not be recorded, but at the request of any Party, the Parties shall promptly execute, acknowledge and deliver to each other a memorandum of use agreement in the form of **Exhibit I** (and a memorandum of modification of use agreement in respect of any modification of this Agreement) sufficient for recording. Such memoranda shall not be deemed to change or otherwise affect any of the obligations or provisions of this Agreement.

SECTION 32.18. Quiet Enjoyment. If and so long as the Team shall comply with all of the covenants, conditions and provisions of this Agreement on the Team's part to be observed and performed hereunder, the Team shall, to the extent provided in this Agreement, peaceably and quietly have, hold and enjoy the Stadium and Stadium Infrastructure (excepting the Authority's offices) for the Term, without hindrance or interruption by the Authority or any Person lawfully claiming the Stadium or Stadium Infrastructure.

SECTION 32.19. Estoppel Certificate. Each of the Parties agrees that within fourteen (14) Business Days after receipt of a written request by any other Party, the Authority or the Team, as the case may be, shall execute, acknowledge and deliver to the requesting Party a statement in writing certifying: (i) that this Agreement is unmodified and in full force and effect or, if there have been modifications, that the same are in full force and effect as modified and identifying the modifications; (ii) that the Authority or the Team, as the case may be, is not, to the knowledge of the Authority or the Team, as case may be, in default under any provisions of this Agreement or, if there has been a default, the nature of such default; and (iii) that all work with respect to the Stadium and Stadium Infrastructure to be performed by the Authority or the Team, as the case may be, under this Agreement or any related agreement (e.g., the Development Agreement) has been performed, or if not so performed, specifying the work to be performed.

SECTION 32.20. No Personal Liability to Representatives and Owners. No owner, member, officer, director, manager, employee, agent, appointee, representative or other individual acting in any capacity on behalf of either of the Parties or their Affiliates shall have any personal liability or obligations under, pursuant to, or with respect to this Agreement for any reason whatsoever.

SECTION 32.21. License Coupled With An Interest. This Agreement, and the Team's rights to use and possess the Stadium, the Stadium Infrastructure, and the Stadium Site pursuant to this Agreement, each constitute a license coupled with an interest in the Stadium, Stadium Infrastructure, and Stadium Site, and the Authority and the Team intend that such license and interest be non-revocable; assignable, in accordance with and subject to the terms of this Agreement; and constitute an interest in real estate that runs with title to the Stadium, Stadium Infrastructure, and Stadium Site, and inures to the benefit of and is binding upon the Authority, the Team and their respective successors in title and assigns. This Agreement prohibits the Authority's conveyance of or other voluntary transfer of title to all or any part of the Stadium,

Stadium Infrastructure, and Stadium Site unless the grantee or transferee acknowledges and agrees in the instrument of conveyance or transfer or in a separate instrument executed, delivered, and recorded contemporaneously with the instrument of conveyance or transfer that the grantee or transferee is acquiring its interest in the Stadium, Stadium Infrastructure, and Stadium Site (or any portion thereof) subject to the terms of this Agreement and that the grantee or transferee is subject to and benefitted by the rights and obligations of the Team under this Agreement and benefitted by and obligated for the performance of the Authority's rights and obligations under this Agreement.

AFFORDABLE SEATING PLAN

[LETTER ON TEAM STATIONERY]

Date, 2013

Michele Kelm-Helgen
Chair, Minnesota Sports Facilities Authority
900 South 5th Street
Minneapolis, MN 55415

Dear Chair Kelm-Helgen:

This letter is delivered concurrently with the execution and delivery of the Stadium Use Agreement (“**Use Agreement**”) by and between Minnesota Sports Facilities Authority (“**Authority**”) and Minnesota Vikings Football, LLC (the “**Team**”) to confirm the Team’s commitment under its ticket plan policy to provide affordable community access to the preseason and regular season NFL games played by the Team at the new stadium (the “**New Stadium**”).

We are pleased to affirm that under the terms of the Use Agreement, the Team will make available to the public an aggregate of not fewer than three thousand two hundred-fifty (3,250) non-season ticket Team Game tickets for each preseason and regular season Team Game at the New Stadium (the “**Affordable Tickets**”). The Affordable Tickets will (i) be in non-stadium builder license locations of the New Stadium to be determined by the Team from year-to-year, and (ii) cost no more than eighty percent (80%) of the average price for a single individual Team Game ticket in the lowest-priced permanent seating section in the New Stadium (excluding Affordable Tickets, obstructed view, standing room only, and discounted group ticketing programs) offered for sale by the Team for such Team Game. The Team also agrees that it will work with the Authority to establish a comparable affordable ticket program for any Team Major League Soccer games.

The Team has consistently been a leader in providing affordable family entertainment in this marketplace and we are proud of our efforts and the efforts of other National Football League franchises to maintain a fan-affordable game day experience.

In summary, the Team fully understands the importance of maintaining the Team’s tradition of providing affordable and enjoyable family entertainment to the Team’s fans, both in the Metrodome and in the New Stadium, where the quality of seating options to fans will be greatly improved. We are proud to provide these Affordable Tickets and other ticketing options that are aimed at providing enhanced access to Team Games by professional football fans and the

community in general. The Team has been a major contributor to the community and the quality of life in Minnesota since its founding in 1961, and will continue to be a leading corporate citizen that the people of Minnesota can reflect on with pride.

Very truly yours,

Mark Wilf, Owner/President

GENERAL AUTHORITY GUIDELINES FOR TERMS AND CONDITIONS OF USE OF SUITES, CLUB SEATS AND LOGE BOX SEATS

1. **Required Exculpatory Provisions.** The Parties agree that any Suite, Club Seat, and Loge Box Seats contract or other agreement between the Team and a third Person (other than the NFL or its Affiliates) relating to the Suites, Club Seats, or Loge Box Seats (each a “**Premium Seatholder**”) shall contain a provision, such as the following, exculpating the Authority, the City, the State and the Team from liability under such contract:

[Premium Seatholder Name] acknowledges that the Team’s interest in the Stadium, Stadium Infrastructure and Stadium Site arises from its interest as a user under the Stadium Use Agreement entered into with the Authority, which is the fee owner of the Stadium, Stadium Infrastructure and Stadium Site and that any possessory or other rights with respect to the Stadium, Stadium Infrastructure and Stadium Site granted to [Premium Seatholder Name] by this Agreement terminate upon the expiration or termination of the Stadium Use Agreement. [Premium Seatholder Name] acknowledges that this Agreement imposes no contractual obligations upon the State of Minnesota, the Authority, or the City (individually, a “**Governmental Body**” and collectively, the “**Governmental Bodies**”), and will do so only if a Governmental Body expressly assumes in writing the obligations of the Team under this [Agreement]. If a default or breach under this [Agreement] occurs, of any kind or nature whatsoever, [Premium Seatholder Name] agrees that it will not look to any of the Governmental Bodies, and will look solely to the Team (or its successors or assigns), at the time of the default or breach for remedy or relief; and that no member, officer, employee, agent, independent contractor, or consultant of the Governmental Bodies will be liable to [Premium Seatholder Name], or any successor in interest to [Premium Seatholder Name], if any default or breach by the applicable Governmental Body under the Stadium Use Agreement, or of any other obligation under the terms of this [Agreement]. The Team is not and will not act as an agent of any Governmental Body, or in any manner contract for or bind any such Governmental Body. Upon the termination of the Stadium Use Agreement, this [Agreement] may, at the option of the Authority upon written notice to [Premium Seatholder Name], also be terminated without any right of claim against the Authority, its appointed officials, commissioners, directors, officers, agents, employees, independent contractors, or consultants. In addition to the foregoing, [Premium Seatholder Name] acknowledges that this [Agreement] imposes no contractual obligations upon the Team and, in the event of a breach or default under this [Agreement], of any kind or nature whatsoever, [Premium Seatholder Name] agrees that it will not look to the Team and will look solely to StadCo (or its successors or assigns), at the time of the default or breach for remedy or relief. No member, officer, employee,

agent, independent contractor, or consultant of the Team will be liable to [Premium Seatholder Name], or any successor-in-interest to [Premium Seatholder Name], in the event of any such default or breach.

2. **Surrender of the Suite, Club Seat, Loge Box Seat.** Upon termination of the agreement with the Premium Seatholder, the Premium Seatholder shall immediately quit and surrender the Suite, Club Seat, or Loge Box Seat, as applicable. Any and all permitted fixtures and structural improvements provided by the Premium Seatholder shall become the property of the licensor under the applicable agreement or contract between the Team and the Premium Seatholder.

3. **Applicable Law.** All agreements between the Team and Premium Seatholders shall be governed by the internal laws of the state of Minnesota, without regard to the principles of comity and applicable conflicts of law provisions, and shall be governed as an agreement that is to be executed, delivered, and performed within the state of Minnesota.

4. **Insurance.** Each Premium Seatholder that has been granted rights to a Suite shall maintain a commercial general liability insurance policy, in ISO form or other form which provides coverage at least as broad, written on an “occurrence” basis with a combined policy limit of not less than \$1,000,000. On an annual basis, the Team will provide a listing and certification by Suite with respect to each of the Suites stating that the Team has received a copy of a certificate from each suiteholder which evidences such insurance in accordance with the Use Agreement. The certificate will provide Suite descriptions by location.

5. **Assumption of Risk.** Each agreement between the Team and a Premium Seatholder shall state that the Premium Seatholder and its officers, directors, agents, representatives, employees, or Invitees shall assume all risks and danger incidental and related to the games of football, soccer, baseball, and other events, including, without limitation, the danger of being injured by balls, other patrons, and game equipment, and agree that the licensor, any sports league, any sports team or promoter, and the Authority, and other individuals producing, performing, or participating in games or events are not liable for any injuries attributable to such causes.

6. **Management of Suites and Other Stadium Areas.** Each agreement between the Team and a Premium Seatholder shall provide that the Premium Seatholder acknowledges that the licensor may engage another Person to operate and manage the Suite, Club Seat, and Loge Boxes, as applicable, and to perform any or all of the licensor’s responsibilities under the agreement.

7. **Admission Tickets.** Each Premium Seatholder shall have access to its premium seat as authorized in the Use Agreement and a ticket shall be required for individuals to be admitted to the Stadium.

8. **Limitations on Use and Occupancy.** Each agreement between the Team and a Premium Seatholder shall provide that Premium Seatholder and Premium Seatholder’s guests and invitees shall be bound by and shall observe the terms and conditions upon which tickets for admission to the Stadium have been issued, including, without limitation, any policy adopted

with respect to the cancellation or postponement of games or events. In addition, such agreement shall provide that Premium Seatholder shall maintain decorum and comply with all laws, rules and regulations of the Authority, all other Governmental Authorities, the Team, and, if applicable, another event sponsor. Each agreement shall provide that Premium Seatholder shall not suffer or permit the use of the seats covered hereby in violation of such agreement, create any nuisance or take any action which either diminishes hazard insurance coverage for the Stadium or increases the premium payable for such insurance. Each agreement with respect to a Premium Seatholder shall contain the limitations with respect to admission to certain Stadium Events, such as the Super Bowl, NCAA events, and other promoted events within the Stadium, as such limitations shall exist from time to time under the Use Agreement. In addition, each Premium Seatholder and its invitees shall be permitted access to the seats associated with such Premium Seatholder's license for specified periods in advance of the scheduled start of the Stadium Event and continuing for a period of time after conclusion of the Stadium Event, which time periods shall generally coincide with the time the Stadium gates are opened for admission of the general public or as otherwise established by the Authority.

9. **Indemnification**. Premium Seatholders that are licensed to use a Suite shall be liable for any damage, loss or injury to the property or person of the guests or invitees to a Suite or the Stadium, and such Persons who are Premium Seatholders will agree to indemnify, defend, and hold the Authority harmless from and against any claims, losses, liabilities, expenses, injuries, or damage arising from the foregoing, including attorneys fees.

10. **Exclusive Food and Beverage Service**. Premium Seatholders shall not be permitted to prepare or bring food or beverages into the Stadium and shall agree that all food and beverages consumed in the Stadium will be solely from authorized food and beverage concessions associated with and engaged by the Authority, or its designee for such concession-related services.

11. **Alcohol Beverages**. Premium Seatholders shall cause its guests and invitees to observe all state and local laws governing consumption of alcohol beverages within the Stadium, and shall be responsible for its guests and invitees. With respect to Suites, the Premium Seatholder that is a licensee of a Suite shall insure that at least one adult, age twenty-one (21) years or older, is present in the Suite at all times in which the Suite is occupied by the Premium Seatholder or its guests or invitees, and such Premium Seatholder shall not allow any individual under the legal drinking age to consume any alcohol beverage from, in or around a Suite.

1. **Agreement.** The Authority and StadCo have entered into the Agreement to, among other things, grant StadCo certain rights to use, possess and access portions of the Premises. It is the intention of the Authority and StadCo that StadCo’s rights to use, possess and access the Premises constitute a license coupled with an interest in the Premises and that such license and interest be non-revocable; assignable, in accordance with and subject to the terms of the Agreement and constitute an interest in real estate that runs with title to the Premises and inures to the benefit of and is binding upon the Authority, StadCo and their respective successors in title.

The Agreement prohibits the Authority’s conveyance of or other voluntary transfer of title to all or any part of the Premises unless the grantee or transferee acknowledges and agrees in the instrument of conveyance or transfer or in a separate instrument executed and recorded contemporaneously with the instrument of

conveyance or transfer that the grantee or transferee is acquiring its interest in the Premises subject to the terms of the Agreement and that the grantee or transferee is subject to and benefitted by the rights and obligations of StadCo under the Agreement and benefitted by and obligated for the performance of the Authority's rights and obligations under the Agreement. FOOTBALL PLAYING AGREEMENT

THIS FOOTBALL PLAYING AGREEMENT (this “**Agreement**”) is made as of October 3, 2013 (the “**Effective Date**”) by and between MINNESOTA SPORTS FACILITIES AUTHORITY, a public body and political subdivision of the State of Minnesota (the “**Authority**”), and MINNESOTA VIKINGS FOOTBALL, LLC, a Delaware limited liability company (the “**Team**”). The Authority and the Team may each be referred to herein as a “**Party**,” or collectively, the “**Parties**.”

RECITALS

A. The Team holds, owns, and controls a professional football franchise that is a member of the National Football League (“**NFL**”).

B. In 2012, the Minnesota legislature, finding that the expenditure of public money for the construction, financing, operation, and long-term use of a multi-purpose stadium and related infrastructure as a venue for an NFL team in Minnesota and a broad range of other civic, community, athletic, educational, cultural, and commercial activities serves a public purpose, enacted certain legislation (defined on Exhibit A hereto as the “**Act**”) creating the Authority and authorizing the construction of a stadium and related stadium infrastructure (defined on Exhibit A hereto as the “**Stadium**” and the “**Stadium Infrastructure**”, respectively) in the City of Minneapolis, Minnesota (the “**City**”).

C. The Minnesota legislature provided for the public financing of the Stadium and Stadium Infrastructure, with certain required private contributions and contributions by the Team, and for tax-exempt ownership of the stadium and related stadium infrastructure by the Authority.

D. In furtherance of the purposes of the Act, the Authority and the Team have entered into that certain Development Agreement dated as of the date hereof (the “**Development Agreement**”) pursuant to which the Stadium and Stadium Infrastructure, to be owned by the Authority, is to be constructed in the City.

E. In addition to the Development Agreement, pursuant to the Act, the Authority has entered into certain other agreements with the Team, including this Agreement and the Stadium Use Agreement of even date herewith (the “**Stadium Use Agreement**”). Subject to that certain Stadium Use Agreement Assignment and Assumption Agreement dated as of the date hereof (the “**StadCo Assignment**”), the Team assigned the Stadium Use Agreement to Minnesota Vikings Football Stadium, LLC (“**StadCo**”), an Affiliate of the Team.

F. The Authority and the Team wish to provide for the use of their respective facilities, resources, and substantial financial commitments consistent with their expectations and with the terms and conditions set by the Minnesota Legislature in the Act.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing Recitals, which are hereby incorporated into this Agreement, and the mutual promises, undertakings and covenants hereinafter set forth, and intending to be legally bound hereby, the Authority and the Team covenant and agree as follows:

ARTICLE 1. DEFINITIONS; CONSTRUCTION OF TERMS; INDEPENDENT CONSIDERATION

SECTION 1.1. Definitions. Capitalized terms used in this Agreement shall have the meanings set forth in Exhibit A.

SECTION 1.2. Construction of Terms. As the context of this Agreement may require, terms in the singular shall include the plural (and vice versa) and the use of feminine, masculine or neuter genders shall include each other. Wherever the word “including” or any variation thereof is used herein, it shall mean “including, without limitation” and shall be construed as a term of illustration, not a term of limitation.

SECTION 1.3. Independent Consideration. The Parties hereby acknowledge and agree that the rights and obligations contained in this Agreement are independent obligations for which separate consideration was received. The Team acknowledges that the obligations of the Team pursuant to this Agreement are independent of its rights and obligations pursuant to the Development Agreement, the Stadium Use Agreement, or the other agreements, documents and instruments entered into in connection with the Development Agreement and the Stadium Use Agreement.

ARTICLE 2. FOOTBALL PLAYING AGREEMENTS

SECTION 2.1. Covenant to Play Team Games at Stadium. Subject to the provisions related to international games as set forth in the Stadium Use Agreement and unless otherwise excused hereunder or under the Stadium Use Agreement as a result of an Untenantability Period, the Team agrees that, beginning on the Commencement Date and ending on the expiration of the Term, during each NFL Season, the Team will play all Team Games at the Stadium. If the Team initially begins using the Stadium after the start of an NFL Season, only the remainder of the Team Games of that NFL Season will be played at the Stadium, and such use shall nonetheless constitute a full NFL Season of use by the Team as provided in the Stadium Use Agreement. It is understood and agreed that games played at a neutral site that are not part of the regular NFL Season are not Team Games, but such games will not reduce the number of Team Games played at the Stadium in any given season.

SECTION 2.2. Location of Team Training Facilities. During the Term, all training facilities of the Team must be located within the State.

SECTION 2.3. Affordable Tickets. During the Term, the Team will make available to the public an aggregate of not fewer than three thousand two hundred-fifty (3,250) non-season ticket Team Game tickets for each preseason and regular season Team Game at the Stadium (the “**Affordable Tickets**”). The Affordable Tickets will (i) be in non-SBL locations of the Stadium

to be determined by the Team from year-to-year, and (ii) cost no more than eighty percent (80%) of the average price for a single individual Team Game ticket in the lowest-priced permanent seating section in the Stadium (excluding Affordable Tickets, obstructed view, standing room only, and discounted group ticketing programs) offered for sale by the Team for such Team Game. The Parties agree that this **Section 2.3** and any other terms set forth on **Exhibit B**, shall be the ticket plan providing affordable access to the preseason and regular season Team Games as required by Section 473J.15, subdivision 13 of the Act. The Authority and the Team agree that the Parties will establish a comparable affordable ticket program for any Team MLS Soccer Games.

SECTION 2.4. Team Covenants Regarding Women and Minorities and Existing Stadium Workers. The Team covenants and agrees that it will (i) make commercially reasonable efforts to employ women and members of minority communities when hiring employees, and (ii) give retail workers presently employed by the Team or its vendors at the Existing Stadium the opportunity to continue their employment in comparable positions at retail areas of the Team or its Affiliates at the Stadium or Stadium Site.

SECTION 2.5. NFL Rules. Prior to each NFL Season during the Term, the Team shall provide to the Authority a copy of all NFL Rules which (i) affects the Authority's obligations under this Agreement, or (ii) affects the Team's ability to perform its obligations hereunder. SECTION 5.1. Term. This Agreement shall be effective upon the Effective Date. The term of this Agreement (the "**Term**") shall commence on the Commencement Date and terminate in accordance with the provisions of this Agreement.

SECTION 5.2. No Other Basis for Termination. Except as expressly set forth in **Section 5.3**, there are no other circumstances in which a Party may terminate this Agreement.

SECTION 5.3. Basis for Termination. Before the Commencement Date, this Agreement shall automatically terminate concurrently and in conjunction with the termination of the Development Agreement. On or after the Commencement Date, this Agreement shall automatically terminate concurrently and in conjunction with the termination of the Stadium Use Agreement. This Agreement may also be terminated at any time during the Term upon the mutual written agreement of the Parties.

SECTION 5.4. Effect Of Termination; Survival.

(a) Effect of Termination. The termination or expiration of this Agreement shall not release or relieve any Party from any obligations or liabilities incurred prior to or as a result of such termination or expiration.

(c) Financial Review Rights Upon Default or Material Breach. If a material breach of this Agreement by the Team has occurred and is continuing, then the Authority shall have access, upon reasonable advance written notice to the Team and at the Team's (or its designees') offices during normal business hours, to the audited financial statements of the Team and other financial information that the Authority deems necessary to enforce the terms of this Agreement; **provided however**, that the Authority agrees that the following financial information is not necessary to enforce the terms of this Agreement and will not (and may not) be sought by the

Authority hereunder: financial information of the NFL, NFL Ventures LP, the other NFL member clubs, and any of the Affiliates of the foregoing entities.

(d) Nonpublic Data. Any financial information provided pursuant to this **Section 5.4** is confidential information and shall, as provided in Minnesota Statutes Section 473J.15, subdivision 9, be nonpublic data pursuant to the Act and as defined in the Minnesota Government Data Practices Act, Minnesota Statutes Section 13.01 et seq. (the “**Data Practices Act**”). The provisions of this **Section 5.4(d)** may be enforced by the Team against the Authority by such equitable remedies, including those remedies provided for in **Section 5.6** , as the Team may elect and by such additional remedies as may be afforded to it under the Data Practices Act or other Applicable Law.

SECTION 5.5. Disputes Regarding Termination. The Parties hereby agree and stipulate that the rights of the Authority to injunctive relief in the event of a breach of **Section 2.1** hereof shall not constitute a “claim” pursuant to Section 101(5) of the United States Bankruptcy Code and shall not be subject to discharge or restraint of any nature in any bankruptcy proceeding involving the Team and this Agreement is not an “executory contract” as contemplated by Section 365 of the United States Bankruptcy Code.

ARTICLE 6. FORCE MAJEURE

A Party claiming an excuse of performance due to an event of Force Majeure shall give prompt notice following such event to the other Party that there shall be a delay of performance due to such event of Force Majeure and shall promptly act or omit to act to mitigate the effect of such event. The extension of time for performance resulting from such a Force Majeure event shall be limited to the reasonable time period of delay arising from such Force Majeure event, which period shall be deemed to commence from the first date of the Force Majeure event; **provided, however**, that if notice by the Party claiming such extension is sent to the other Party more than thirty (30) days after the commencement of the Force Majeure event, the period shall be deemed to commence thirty (30) days prior to the giving of such notice. Times of performance under this Agreement also may be extended as mutually agreed upon in writing by the Parties. However, failure to agree to a proposed extension of time for performance shall not be deemed grounds for delay or failure to timely cure any breach under this Agreement.

(a) Notice of Matters. In the event that any Party receives knowledge about any matter that may constitute a breach of any of its warranties or covenants set forth in this Agreement that arises after the Effective Date, it shall promptly notify the other Party of the same in writing; **provided, however**, that in the case of any potential breach or default by the Team of **Section 2.1** or **Section 2.3**, the Team shall provide such notice at least one hundred eighty (180) days prior to any action of which the Team has knowledge (including an action imposed upon the Team by the NFL) which would result in a breach or default of such provisions.

SECTION 7.2. **Amendment**. This Agreement may be amended, modified or supplemented but only in a writing signed by each of the Parties.

SECTION 7.3. **Waivers**. The failure of a Party hereto at any time or times to require performance of any provision hereof shall in no manner affect its right at a later time to enforce the same. No waiver by a Party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement shall be effective unless in writing, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach in other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.

SECTION 7.4. **Counterparts**. This Agreement may be executed and delivered in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A telecopy, facsimile or other electronic signature (such as a .pdf) of any Party shall be considered to have the same binding effect as an original signature.

SECTION 7.5. **Remedies Cumulative**. Subject to any terms to the contrary set forth in this Agreement, all rights and remedies which may be pursued at law, in equity, or as otherwise set forth in this Agreement, are cumulative. Nothing shall limit any Party's right to pursue rights and remedies at law or in equity, unless specifically set forth in and limited by this Agreement. A Party's exercise of any such rights or remedies shall not prevent the concurrent or subsequent exercise of any other right or remedy, and shall not preclude or waive the right to use any other remedy.

SECTION 7.6. Knowledge. The term “knowledge” or words of similar import shall mean the actual knowledge after reasonable inquiry of the officers or key employees of any Party with respect to the matter in question as to the date with respect to which such representation or warranty is made.

SECTION 7.7. Drafting. The Parties acknowledge and confirm that each of their respective attorneys have participated jointly in the review and revision of this Agreement and that it has not been written solely by counsel for one Party. The Parties further agree that the language used in this Agreement is the language chosen by the Parties to express their mutual intent, and that no rule of strict construction is to be applied against any Party.

SECTION 7.8. Third Party Beneficiaries.

(a) No Third Party Beneficiaries. This Agreement is solely for the benefit of the Parties hereto and, to the extent provided herein, their respective Affiliates, board members, Agents, successors and permitted assigns, and no provision of this Agreement shall be deemed to confer upon other Persons any remedy, claim, liability, reimbursement, cause of action or other right.

(b) Team Retained Rights and Third Party Beneficiary of the Stadium Use Agreement. Pursuant to the Stadium Use Agreement Assignment and Assumption Agreement, the Team has retained certain rights as set forth in such agreement. The Authority and the Team acknowledge and agree that the Team is an intended third party beneficiary, with a direct right of enforcement, of the Stadium Use Agreement upon and after the Team’s assignment of the Stadium Use Agreement to its Affiliate. Any subsequent assignment or transfer of the Stadium Use Agreement shall not affect the Team’s rights therein, unless such rights are specifically terminated with the approval of the Team.

SECTION 7.9. Entire Understanding. This Agreement, the Stadium Use Agreement, the Development Agreement and the other related agreements set forth the entire agreement and understanding of the Parties hereto with respect to the transactions contemplated hereby and supersede any and all prior agreements, arrangements and understandings among the Parties relating to the subject matter hereof, and any and all such prior agreements, arrangements and understandings shall not be used or relied upon in any manner as parol evidence or otherwise as an aid to interpreting this Agreement.

SECTION 7.10. Applicable Law. This Agreement shall be governed by and construed and enforced in accordance with the internal Applicable Laws of the State without giving effect to the principles of conflicts of law thereof.

SECTION 7.11. Forum Selection; Waiver of Jury Trial. Any disagreement, dispute or claim relating to, arising out of or in connection with this Agreement, or the relationship between the Parties, shall be subject to the exclusive jurisdiction of the State Courts sitting in Minneapolis, Minnesota (Fourth Judicial District), and both Parties expressly Consent to such exclusive jurisdiction, including personal jurisdiction, and agree that venue in such court is proper. THE AUTHORITY AND TEAM HEREBY IRREVOCABLY WAIVE THE RIGHT

TO TRIAL BY JURY OF ANY DISPUTE BETWEEN THEM AND ACKNOWLEDGE THAT ANY DISPUTE BETWEEN THEM SHALL BE TRIED TO THAT COURT.

SECTION 7.12. Release. If requested by the Team or upon termination of this Agreement, the Authority shall execute and deliver a written cancellation or termination of this Agreement in proper form for recording to the extent such release is appropriate under the provisions hereof.

SECTION 7.13. Time Is of the Essence. The times for performance provided in this Agreement are essential due to the obligations and expenditures of the Parties. If a time is not specified, performance shall be required promptly and with due regard to the conditions of performance of other parties in reliance thereon.

SECTION 7.14. Severability. If any provision of this Agreement shall be held invalid, illegal or unenforceable, the validity, legality or enforceability of the other provisions hereof shall not be affected thereby, and there shall be deemed substituted for the provision at issue a valid, legal and enforceable provision as similar as possible to the provision at issue. This **Section 7.14** shall not be construed or implemented in a manner that substantially deprives any Party of the overall benefit of its bargain under this Agreement.

SECTION 7.15. Relationship of the Parties. The Team and the Authority are independent parties and nothing contained in this Agreement shall be deemed to create a partnership, joint venture, agency or employer-employee relationship among them or to grant to any of them any right to assume or create any obligation on behalf of or in the name of the others of them.

SECTION 7.16. Additional Documents and Approval. A Party, upon reasonable request of the other Party, shall execute and deliver, or cause to be executed and delivered, any further documents and take any further actions as may be reasonably necessary or expedient in order to consummate the transactions provided for in, and to carry out the purpose and intent of, this Agreement.

SECTION 7.17. No Personal Liability to Representatives and Owners. No owner, member, officer, director, manager, employee, agent, appointee, representative or other individual acting in any capacity on behalf of either of the Parties or their Affiliates shall have any personal liability or obligations under, pursuant to, or with respect to this Agreement for any reason whatsoever.

Michele Kelm-Helgen
Chair, Minnesota Sports Facilities Authority
900 South 5th Street
Minneapolis, MN 55415

Dear Chair Kelm-Helgen:

This letter is delivered concurrently with the execution and delivery of the Stadium Use Agreement (“**Use Agreement**”) by and between Minnesota Sports Facilities Authority (“**Authority**”) and Minnesota Vikings Football, LLC (the “**Team**”) to confirm the Team’s commitment under its ticket plan policy to provide affordable community access to the preseason and regular season NFL games played by the Team at the new stadium (the “**New Stadium**”).

We are pleased to affirm that under the terms of the Use Agreement, the Team will make available to the public an aggregate of not fewer than three thousand two hundred-fifty (3,250) non-season ticket Team game tickets for each preseason and regular season Team game at the New Stadium (the “**Affordable Tickets**”). The Affordable Tickets will (i) be in non-stadium builder license locations of the New Stadium to be determined by the Team from year-to-year, and (ii) cost no more than eighty percent (80%) of the average price for a single individual Team game ticket in the lowest-priced permanent seating section in the New Stadium (excluding Affordable Tickets, obstructed view, standing room only, and discounted group ticketing programs) offered for sale by the Team for such Team game. The Team also agrees that it will work with the Authority to establish a comparable affordable ticket program for any Team Major League Soccer games.

The Team has consistently been a leader in providing affordable family entertainment in this marketplace and we are proud of our efforts and the efforts of other National Football League franchises to maintain a fan-affordable game day experience.

In summary, the Team fully understands the importance of maintaining the Team’s tradition of providing affordable and enjoyable family entertainment to the Team’s fans, both in the Mall of America Field at Hubert H. Humphrey Metrodome and in the New Stadium, where the quality of seating options to fans will be greatly improved. We are proud to provide these Affordable Tickets and other ticketing options that are aimed at providing enhanced access to Team games by professional football fans and the community in general. The Team has been a major contributor to the community and the quality of life in Minnesota since its founding in 1961, and will continue to be a leading corporate citizen that the people of Minnesota can reflect on with pride.

Very truly yours,

AGREEMENT REGARDING STATE TAX-EXEMPT BONDS

**AGREEMENT
REGARDING
STATE TAX-EXEMPT BONDS**

THIS AGREEMENT REGARDING STATE TAX-EXEMPT BONDS (this “**Agreement**”) is made as of January __, 2014 (the “**Effective Date**”) by and between Minnesota Sports Facilities Authority, a public body and political subdivision of the State of Minnesota (the “**Authority**”), and Minnesota Vikings Football Stadium, LLC, a Delaware limited liability company, and its successors and assigns (“**StadCo**”). The Authority and StadCo may each be referred to herein as a “**Party**,” or collectively, the “**Parties**.”

RECITALS

A. On October 3, 2013, the Authority and Minnesota Vikings Football, LLC (the “**Team**”) entered into that certain Stadium Use Agreement (the “**Original Use Agreement**”), which Original Use Agreement was assigned to StadCo by the Team.

B. In order to incorporate certain technical corrections, the Authority and StadCo entered into the Agreement as of November 22, 2013 to amend and restate the Original Use Agreement in its entirety, and the Original Use Agreement was renamed the “Amended and Restated Stadium Use Agreement” (the “**Amended Use Agreement**”). The Team joined in the execution of the Amended Use Agreement for the limited purposes of providing its acknowledgment and agreement (A) to the amendment and restatement of the Original Use Agreement, and (B) binding itself to its continuing obligations under the provisions of the Amended Use Agreement.

C. Also as of November 22, 2013, the Authority and Minnesota Management and Budget (the “**MMB**”) entered into that certain General Fund Appropriation Bond Proceeds Grant Agreement (“**Grant Agreement**”) to provide for the advance of certain bond proceeds from MMB to the Authority.

D. For the purpose of funding the Stadium and Stadium Infrastructure contemplated by and defined in the Amended Use Agreement, the Authority has requested the issuance of bonds, a portion of which will be issued as tax-exempt obligations under Section 103(a) of the Internal Revenue Code of 1986, as amended (together with any bonds issued to refund such tax-exempt obligations, collectively, the “**Tax-Exempt Bonds**”), by the State of Minnesota (the “**State**”).

E. StadCo has agreed to enter into this Agreement to facilitate the issuance of the Tax-Exempt Bonds and to enable the Authority to comply with Section 3.02 of the Grant Agreement.

AGREEMENT

Now, therefore, in consideration of the foregoing Recitals, which are hereby incorporated into this Agreement, and the mutual promises, undertakings, and covenants hereinafter set forth, and intending to be legally bound hereby, the Authority and StadCo covenant and agree as follows.

1. **Certain Defined Terms.** Capitalized terms that are used, but not defined, in this Agreement shall have the meanings ascribed thereto in the Amended Use Agreement.

2. **Tax-Exempt Bonds.**

(a) **Compliance Covenants.** Consistent with the Grant Agreement and the Development Agreement, the Authority will receive a grant of the proceeds of Tax-Exempt Bonds issued by the State for the purpose of funding portions of the Stadium and Stadium Infrastructure. In order to help preserve the tax-exempt status of the Tax-Exempt Bonds, StadCo covenants and agrees with the Authority as follows:

(i) StadCo will pay what it is contractually obligated to pay under the Amended Use Agreement. However, if any federal tax issues arise with respect to the Tax-Exempt Bonds as a result of such payments, StadCo will, upon receipt of written notice from the Authority and to the extent permitted by law, reduce its payments under the Amended Use Agreement or payments relating directly or indirectly to the use of the Stadium and the Stadium Infrastructure under any other agreement with or grant to the Authority, the State, or any agency, board, authority, commission, council or other entity controlled by or a related party to the State for purposes of Section 103 of the Code (each a “**State Entity**”) to the extent that the State’s bond counsel determines such reduction will help preserve the tax-exempt status of the Tax-Exempt Bonds; provided, however, that if any such reductions occur, the duties and obligations of the Authority under the Amended Use Agreement will remain in place and will not be diminished or impaired. Any notice provided by the Authority to StadCo under this subparagraph shall describe in reasonable detail the federal tax issue giving rise to the requested reduction in payments and the payments to be reduced.

(ii) StadCo will not enter into any arrangements providing payments to the State or any State Entity that relate directly or indirectly to the use of the Stadium and the Stadium Infrastructure, other than the Amended Use Agreement, the Development Agreement and the other agreements existing on the date hereof to which the Authority is a party, or as may be required by State law, without first obtaining the written approval from the State, acting through MMB and following consultation with its bond counsel. StadCo will seek approval of any such arrangements by submitting a description of the arrangement to the State at Minnesota Management and Budget, 400 Centennial Office Building, 658 Cedar Street, St. Paul, MN 55155, with a copy to the State of Minnesota, Office of the Attorney General, Bremer Tower, Suite 1800, 445 Minnesota Street, St. Paul, MN 55101-2134, Attn: Christie Eller, Deputy Attorney General, and a copy to the Authority. The Authority shall cooperate with StadCo and use its reasonable commercial efforts to cause the State to respond promptly to any such request. StadCo further agrees that, to the extent that it enters into any such arrangement after approval, it will maintain records relating to the payments for so long as the Tax-Exempt Bonds are

outstanding for federal tax purposes and will provide a periodic reporting (at such intervals as the State may reasonably request, but in any event not more frequently than quarterly) of such payments to the State at the address above or such other address as the State may notify StadCo of in writing. The Parties acknowledge that StadCo or others may be obligated under certain circumstances to take actions under the Amended Use Agreement or the Amended and Restated Development Agreement with respect to the generation of back-up revenues under Minnesota Statutes Section 16A.727, and that such arrangements are deemed approved hereunder and will not result in a violation of this Agreement or require periodic reporting by StadCo of payments made in respect thereof.

(iii) StadCo and the Authority agree that, to the extent that the payment of market rent and any other expenses by the Team-Owned MLS Franchise under Section 3.8 of the Amended Use Agreement would, in the opinion of the State's bond counsel, adversely affect the tax-exempt status of the Tax-Exempt Bonds, the Authority will reduce the rent and other amounts payable to the Authority in respect of the Team-Owned MLS Franchise to an amount which will not cause such non-compliance, will direct StadCo to reduce its payments as otherwise provided in clause (i) hereof, or will cause Minnesota Management and Budget (and its successors or assigns) ("MMB") to take such other appropriate remedial action under the Code to cure such non-compliance; provided, that in no event shall any such reduction or cure impair the rights of StadCo under Section 3.8 of the Amended Use Agreement.

(iv) StadCo will not take, nor to the extent of its control or direction permit to be taken, any actions that would result in the Tax-Exempt Bonds being treated as "federally guaranteed" within the meaning Section 149(b) of the Internal Revenue Code of 1986.

(b) Undertakings Regarding IRS Matters. The Authority and StadCo further agree that, in the event of an Internal Revenue Service information data request, investigation or audit of or with respect to the Tax-Exempt Bonds, the Authority and StadCo will fully and promptly cooperate with MMB and its legal counsel in the assembly, documentation, and preparation of responses to the Internal Revenue Service (the "IRS") and otherwise with respect to the resolution of the matter; provided that, except in the instance of a failure of StadCo to comply with its obligations under (a) above, the Authority shall pay the reasonable material expenses of StadCo, including attorneys' fees, in any such matter, including those arising from the pursuit of remedial actions under Regulations 1.141-12, provided such expenses shall be submitted to the Authority prior to being incurred by StadCo. StadCo will not be obligated to contribute to any settlement with the IRS arising with respect to such an investigation or audit unless the failure of StadCo to meet its obligations under (a) above have contributed to the determination that there is a tax problem by the IRS and, in such event, StadCo shall only contribute to the extent that its actions or failure to act contributed to the deficiencies which are the subject of the settlement. StadCo further agrees that if it or any affiliate of StadCo receives inquiries from the IRS concerning the Tax-Exempt Bonds, it will promptly notify the Authority and the State of such inquiries.

Except as specifically provided in Sections 2(a) and 2(b) of this Agreement, StadCo shall have no compliance obligations with respect to the Tax Exempt Bonds.

3. **Counterparts.** This Agreement may be executed and delivered in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. A telecopy, facsimile or other electronic signature (such as a .pdf) of any Party shall be considered to have the same binding effect as an original signature.

4. **Applicable Law.** This Agreement shall be governed by and construed and enforced in accordance with the internal Applicable Laws of the State without giving effect to the principles of conflicts of law thereof.

5. **Forum Selection; Waiver of Jury Trial.** Any disagreement, dispute or claim relating to, arising out of or in connection with this Agreement, or the relationship between the Parties, shall be subject to the exclusive jurisdiction of the State Courts sitting in Minneapolis, Minnesota (Fourth Judicial District), and both Parties expressly consent to such exclusive jurisdiction, including personal jurisdiction, and agree that venue in such court is proper. THE AUTHORITY AND STADCO HEREBY IRREVOCABLY WAIVE THE RIGHT TO TRIAL BY JURY OF ANY DISPUTE BETWEEN THEM AND ACKNOWLEDGE THAT ANY DISPUTE BETWEEN THEM SHALL BE TRIED TO THAT COURT.

6. **Successors and Assigns.** This Agreement shall be binding on the parties hereto and on their respective successors and assigns. With respect to StadCo, this Agreement shall also be binding upon StadCo's successors and assigns under the Amended Use Agreement.

7. **Entire Agreement.** This Agreement supersedes all oral negotiations and prior and contemporaneous writings with respect to the subject matter hereof and is intended by the Parties as the final, completely, and exclusive expression of the terms and conditions of the subject matter hereof as agreed to by the Parties.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement or caused this Agreement to be executed by their duly authorized officers as of the Effective Date.

J. The cost of the Viking Legacy Ship will not be included in the Master Project Budget (as defined in the Development Agreement), nor will the construction of the Viking Legacy Ship be associated with any agreements with or performed by the Construction Manager, other than coordination of the construction with other construction of and on the Plaza; **provided, however**, that the Authority may elect to retain the Construction Manager for the installation of the Commemorative Bricks (as defined below).

The VLS Design Intent Design is a depiction of design intent upon which the Parties will proceed to engage Trade Contractors for construction of the Ship Scope of Work. The VLS Design Intent Design is subject to supplemental field annotations and as-built design documents prepared by the Trade Contractors as described in **Section 2.2(b)** below.

(b) Final Viking Legacy Ship Design. The Final Viking Legacy Ship Design will be attached to this Agreement upon completion of construction as **Exhibit B-2**. **Exhibit B-2** will be the final depiction of the design of the Viking Legacy Ship and is anticipated to consist of field annotated drawings and as-built documents prepared by the applicable Trade Contractors. The Final Viking Legacy Ship Design will be constructed in accordance with the Trade Contracts with the Trade Contractors as set forth and defined in **Article 3** below.

SECTION 2.3. Project Labor and Construction Management. The Authority will retain the Trade Contractors described in **Article 3** below in accordance with the retention requirements under Applicable Law. The Authority Project Representatives will cooperate and coordinate with the Vikings Project Representatives with respect to matters arising from, in connection with, or incident to the Ship Project. In addition, to the extent that Authority consents and approvals are necessary for contract and other Ship Project changes, such as Change Orders, the Authority Project Representatives will timely act on such matters as reasonably requested by the Vikings. The Authority Project Representatives will also serve to coordinate construction work and scheduling with the Construction Manager to assure that the work to be performed by the Trade Contractors does not interfere with construction of the Stadium and other Stadium Infrastructure and is timely performed to assure adherence with the Ship Project Construction Schedule.

(b) Vikings Ship Project Representatives. As of the Effective Date, the Ship Project representatives of the Vikings will be Don Becker and James Cima (the "**Vikings Project Representatives**"). The Vikings Project Representatives will (i) draft, negotiate, and finalize for the Authority's approval the agreements with the Trade Contractors, (ii) direct and coordinate the design, construction, testing, and commissioning of the Viking Legacy Ship, in consultation with the Authority Project Representatives. Mr. Maki will be compensated by the Authority on an hourly basis for his consulting services rendered for the Ship Project. The Vikings will either reimburse the Authority or remit payments directly to Mr. Maki for such services in an amount not to exceed Thirty Five Thousand Dollars (\$35,000) for the entirety of the Ship Project.

ARTICLE 3.
RETENTION OF CONTRACTORS AND CONSULTANTS

SECTION 3.1. Retention of Contractors and Consultants. The Authority will retain each of the Trade Contractors and other consultants described herein for the Viking Legacy Ship under terms of written agreements that are acceptable to both the Authority and the Vikings, and which are subject to the prior written approval of the Vikings and the Authority.

SECTION 3.2. Trade Contractors. The Authority will retain (i) the trade contractors and consultants for the Viking Legacy Ship as set forth on **Exhibit C** hereof, and (ii) other contractors and consultants mutually agreed upon by the Vikings and the Authority (collectively, the “**Trade Contractors**”). The contracts to be entered into with the Trade Contractors will be collectively referred to herein as the “**Trade Contracts.**” The Trade Contracts drafted and negotiated by the Vikings and approved by the Authority will be consistent with contracts that are similar to trade contracts that are utilized by the Authority for other projects on the Stadium Site. Each Trade Contract will be, at a minimum, in conformity with the provisions of **Section 2.3** above (Project Labor Agreement and Equity Plan) and **Section 4.2** below (provision requiring liquidated damages). The Vikings will be responsible for the payment of the Trade Contractors for work performed on the Viking Legacy Ship which is not within the Authority Scope of Work (as defined in **Section 5.1**) pursuant to the agreed-upon disbursing process established by the CFTA.

SECTION 3.3. Trade Contractor Scope of Work. In addition to the required covenants regarding the Project Labor Agreement and the Equity Plan set forth in **Section 2.3**, each Trade Contract will include all terms required by Applicable Law and will also include a complete scope of work for the Trade Contract. The aggregate of the scope of work for all Trade Contracts will be the scope of work for the Viking Legacy Ship (the “**Ship Scope of Work**”).

SECTION 3.4. Trade Contractor Work. As required by the Use Agreement, all Trade Contractor work will be completed (a) in a good, skilled, efficient, and prompt manner, using materials and equipment at least substantially equal in quality and class to the then-standards for the Stadium established by the Authority, (b) by an experienced, reputable contractor, (c) pursuant to contract terms acceptable to the Authority, and (d) in compliance with Applicable Laws and the insurance requirements set forth in this Agreement. The Authority will maintain copies of “as built” drawings relating to the Ship Project (or, as applicable, final working drawings thereof, if any) and copies of contracts, invoices, evidence of payment and all other records of any alteration and will furnish the Vikings with digital copies of such records. The Vikings acknowledge and agree that all plans, as-built drawings, and final working drawings will be the property of the Authority. The Authority acknowledges and agrees that all plans, as-built drawings, and final working drawings are licensed to, and copies thereof (in any format, including electronic) may be, maintained by the Vikings. The Vikings and the Authority will require any Trade Contractor or Authority contractor to provide labor and material performance bonds for one hundred percent (100%) of the contract amount for the Ship Scope of Work and the Authority Scope of Work as defined in **Section 5.1**, as applicable, exceeding fifty thousand dollars (\$50,000), or such other lower amount as required by Applicable Law. Each Trade Contract and Authority contract will be, at a minimum, in conformity with the provisions of

Section 2.3 above (Project Labor Agreement and Equity Plan) and **Section 4.2** below (provision requiring liquidated damages).

SECTION 3.5. Authority Ship Project Management Costs. The Authority will not charge for administrative management costs related to the Ship Project for the services of its personnel, including the Authority Project Representatives other than Steve Maki (as described in **Section 2.4(c)** above).

SECTION 3.6. Change Orders.

(a) Third-Party Requested Change Orders. The Authority will provide the Vikings with a copy of all third-party requested Change Orders and final signed Change Orders and has the right to execute Change Orders subject to the terms of and other restrictions as set forth in the Development Agreement. The Authority will promptly submit to the Vikings all proposed Change Orders for review and approval. The Vikings will review and act in an expeditious manner so that the Authority will have sufficient time to respond within the period of time provided in the applicable Trade Contract or other agreement for responding to Change Orders. The failure of the Vikings to respond within three (3) business days will constitute a deemed approval. If either Party disputes a disapproval of a Change Order by the other Party, such Party will promptly initiate Expedited ADR in accordance with **Article 13** of the **Development Agreement**. The Authority Project Representatives and the Vikings Project Representatives will exercise good faith efforts to respond as diligently and expeditiously as possible to any requested Change Order. In the event that the applicable representatives disapproves or recommends disapproval of a Change Order, the applicable representatives will state, with specificity, the reason for disapproval or recommendation of disapproval.

(b) Party Requested Change Orders. To the extent a Change Order is not governed by **Section 3.6(a)** (Third-Party Requested Change Orders), either Party may submit to the other Party a request for a Change Order for the Ship Project, which Change Order will be subject to the other Party's review and approval pursuant to the process and the time period set forth in **Section 3.6(a)** above. Each of the Authority Project Representatives and the Vikings Project Representatives will review any such Change Order for approval, which approval will not be unreasonably withheld, delayed, or conditioned.

- (i) If the Vikings request a Change Order, the Authority Project Representatives will review any such Change Order for approval, which approval will not be unreasonably withheld, delayed, or conditioned. The funding of such Change Order will be made in the manner required for Team Non-Project Cost PFEs.
- (ii) If the Authority requests a Change Order, the Vikings Project Representatives will review any such Change Order for approval, which approval will not be unreasonably withheld, delayed, or conditioned. If approved, the cost of the Change Order will be the responsibility of the Authority if the Change Order is for the sole benefit of the Authority and is not caused by the design or a change in the design for the Stadium, Plaza, or Viking Legacy Ship. For all other approved Change Orders

requested by the Authority, the funding of such Change Order will be made in the manner required for a Team Non-Project Cost PFE.

- (iii) If any Change Order requested by either the Authority or the Vikings is disapproved, the refused Party may contest the disapproval of the Change Order and the refused Party may promptly initiate Expedited ADR in accordance with **Article 13** of the **Development Agreement**.

ARTICLE 4.

SHIP PROJECT BUDGET, SHIP PROJECT CONSTRUCTION SCHEDULE, AND DESIGN AND CONSTRUCTION COSTS RESPONSIBILITY

SECTION 4.1. Ship Project Budget. The Ship Project budget (the “**Ship Project Budget**”) is not available as of the Effective Date. The Parties will mutually agree upon the Ship Project Budget based on the aggregate amount of the Trade Contracts, and as aggregated, will be added to this Agreement as **Exhibit D**. The budgets of the aggregated Trade Contracts are incorporated by reference herein. This Ship Project Budget has been established by the Parties pursuant to estimates of costs associated with design and construction of the Ship Project and the Ship Scope of Work described in **Section 3.3**. The Ship Project Budget is subject to change only upon the written amendment of **Exhibit D** by the Parties, and the consent to and approval of such amendment will not be unreasonably withheld, delayed, or conditioned; **provided, however**, the Ship Project Budget attached to this Agreement with assumptions made as to certain budgetary costs due to non-completion of a Trade Contract, and the amount is less than or greater than the assumed amount in the Ship Project Budget, the Parties agree that any such amount shall be conformed to the amount in the completed Trade Contract and such revised amount shall automatically amend the Ship Project Budget. Upon such occurrence, the Parties agree that **Exhibit D** will be updated for such an amendment.

SECTION 4.2. Ship Project Construction Schedule. The Ship Project construction schedule (the “**Ship Project Construction Schedule**”) is not available as of the Effective Date. The Parties will mutually agree upon the Ship Project Construction Schedule based on the aggregate construction schedule set forth in the Trade Contracts, and as aggregated, will be added to this Agreement as **Exhibit E**. The construction schedules of the aggregated Trade Contracts are incorporated by reference herein. The Ship Project Construction Schedule has been established by the Parties pursuant to the Vikings drafted and negotiated terms of the Trade Contracts and estimates of time to complete design and to commence and complete construction of the Ship Project. Each Trade Contract will contain provisions that will require the payment of liquidated damages to the Authority and the Vikings if Ship Project Construction Schedule deadlines applicable to the Trade Contract are not met. The Ship Project Construction Schedule is subject to change pursuant to negotiations and amendments with Trade Contractors, and the consent to and approval of such amendments will not be unreasonably withheld, delayed, or conditioned in seeking a written amendment of **Exhibit E** by the Parties.

SECTION 4.3. Privately Financed Enhancements and Design and Construction Cost Payment Responsibility.

(a) Team Non-Project Cost PFEs. All design and construction costs arising from, in connection with, and incident to the Ship Scope of Work under the Trade Contracts and other associated agreements for the Ship Project, including, but not limited to, certain Change Orders described in Section 3.6(a) (Third-Party Requested Change Orders) and Sections 3.6(b)(i) and 3.6(b)(ii)(B) (Party Requested Change Orders), Trade Contractor claim payments, costs and fees of defending or asserting any Trade Contractor claims, and any applicable builder's risk payments for insurance deductibles, will be a Team Non-Project Cost PFE funded by the Vikings pursuant to the agreed-upon disbursing process established by the Authority and the Vikings in the CFTA for Team Non-Project Cost PFEs.

(b) Design and Construction Cost Responsibility. All payments required under the Trade Contracts will be timely made and in a manner consistent with the disbursing process set forth in the CFTA.

ARTICLE 5.
SHIP PROJECT CONSTRUCTION BY THE AUTHORITY

SECTION 5.1. Authority Ship Project Construction. The scope of work that is to be completed by the Authority for the Ship Project includes the purchase and installation of the Commemorative Bricks, the costs and expenses of which will be paid solely from proceeds of the sale of the Commemorative Bricks, as contemplated by Section 5.1(q) of the **Development Agreement** (the "**Commemorative Bricks**"). The Authority scope of work for the Stadium Plaza Improvements may include Plaza flooring, Commemorative Brick flooring, Plaza seating that is not located on the Viking Legacy Ship, the Plaza stairs and handrails for such stairs, and columns on the Plaza, all of which shall be the responsibility of the Authority (the "**Authority Scope of Work**"). Notwithstanding anything to the contrary in this Agreement, the Authority Scope of Work is governed by the Development Agreement; including, specifically, Section 5.1(p) (Stadium Plaza Design). The Authority Scope of Work is intended to describe the areas depicted that are Commemorative Bricks and other improvements within, surrounding, and associated with the Viking Legacy Ship. The Authority Scope of Work will be funded in accordance with the Development Agreement. The Vikings have no additional financial obligations with respect to the Authority Scope of Work beyond those specified in the Development Agreement.

SECTION 5.2. Design and Installation of Commemorative Bricks. The preliminary Authority Scope of Work for the Commemorative Brick design is set forth as Exhibit F-1. The depiction of design intent for the Commemorative Bricks is set forth on Exhibit F-2. The Commemorative Bricks within the Ship Project will be designed and installed by a contractor selected and paid by the Authority pursuant to provisions of Section 5.1(q) of the **Development Agreement**. The Authority will provide a final depiction of design for the Commemorative Bricks to be attached hereto as Exhibit F-3 promptly upon receipt of such final design from its contractor/design vendor.

SECTION 5.3. Coordination of the Ship Scope of Work and the Authority Scope of Work. The Authority acknowledges and agrees that its failure to coordinate and complete the Authority Scope of Work in relation to the Ship Scope of Work of the Ship Project may impact the timely completion of the Ship Project within the Ship Project Construction Schedule and the Ship Project Budget.

ARTICLE 6.
POST-CONSTRUCTION OPERATION AND MAINTENANCE AND CAPITAL COST RESPONSIBILITIES AND COST ALLOCATION

SECTION 6.1. Post-Construction Operating and Maintenance Costs.

(a) Vikings Post-Construction Operating and Maintenance Costs.

- (i) General Vikings Responsibility. The Vikings will be responsible for the post-construction operation and maintenance costs for the Viking Legacy Ship components included in the Ship Scope of Work (other than the mast and video board (*i.e.* Marquee)) described in **Section 6.1(b)**.
- (ii) Performance and Payment of Operation and Maintenance Costs. The Authority will perform, or cause an agent to perform, the operation and maintenance required under this **Section 6.1(a)** with costs of such operation and maintenance to be reimbursed by the Vikings to the Authority (other than the mast and video board described in **Section 6.1(b)**). The Authority is authorized to contract for such services and bill the Vikings for its portion of such services.
- (iii) Determination of Operation and Maintenance Costs. The Authority will reasonably determine operation and maintenance costs to be charged to the Vikings by the Authority, either by proration of expense or by a single direct charge for a specific component of the Viking Legacy Ship. The preceding sentence anticipates that the Authority will incur the operation and maintenance costs for the Viking Legacy Ship components for which the Vikings are responsible and charge the Vikings for that prorated portion of the operation and maintenance costs or the direct charge that the Authority incurs in connection with operation and maintenance agreement(s) for the Stadium.
- (iv) Operable Water Feature Operation and Maintenance. If the Ship Scope of Work will include an operable water feature, the operation and maintenance costs for the operable water feature will be determined in the manner as described above.
- (v) Mast and Marquee Material Incremental Operation and Maintenance Costs. The Vikings will be responsible for certain material incremental operation and maintenance costs associated with the Viking Legacy Ship mast and video board (*i.e.*, Marquee) as set forth in **Section 6.3** below.

(b) Authority Post-Construction Operating and Maintenance Costs. The Authority will be responsible for post-construction operation and maintenance costs (i) for the Commemorative Bricks, the routine cleaning of walking surfaces, and garbage and snow removal in and around the Viking Legacy Ship space on the Plaza, and (ii) and utilities that will be separately metered arising from, in connection with, and incident to the Viking Legacy Ship mast and video board (*i.e.*, the Marquee), subject to the incremental cost allocation to the Vikings set forth in **Section 6.3** below. Nothing herein will limit or diminish the Authority's other stated operating and maintenance obligations under the Use Agreement.

(c) Vikings Norseman or Other Logo – Reverse Side of Marquee. The Parties acknowledge that the reverse side of the Marquee will contain a fixed-image Norseman or other Vikings-designated scrim that is approved as part of the Final Signage Plan, **provided, however,** that the scrim design shall not be used for sponsorship purposes or otherwise contain commercial Advertising (as defined in the Use Agreement). The Parties agree, however, that the Authority, at its sole cost and expense, may remove such scrim on the reverse side of the Marquee for any Authority Event (as defined in the Use Agreement) and the Authority may install a temporary scrim related to an Authority Event. Promptly following any Authority Event in which such scrim is removed, the Authority shall, at its sole cost and expense, reinstate such scrim to its original place on the reverse side of the Marquee. Any damage to the scrim in the process of removal or reinstatement will be charged to and paid by the Authority.

SECTION 6.2. Post-Construction Capital Repair and Replacement Costs

(a) Vikings Post-Construction Capital Repair and Replacement Costs.

- (i) General Vikings Responsibility. The Vikings will be responsible for the post-construction capital repair and replacement costs for the Viking Legacy Ship components included in the Ship Scope of Work (other than the mast and video board (*i.e.*, Marquee)) described in **Section 6.2(b)**.
- (ii) Performance and Payment of Capital Repair and Replacement Costs. The Authority will perform, or cause an agent to perform, the capital repair and replacement required under this **Section 6.2(a)** with costs of such capital repair and replacement to be reimbursed by the Vikings to the Authority (other than the mast and video board described in **Section 6.2(b)**). The Authority is authorized to contract for such services and bill the Vikings for its portion of such services. By way of clarification, the Vikings have no responsibility for capital repair and maintenance of the Commemorative Bricks.
- (iii) Determination of Capital Repair and Replacement Costs. If the Authority determines that it will perform or cause an agent to perform the capital repair and replacement required of the Vikings under this **Section 6.2(a)**, the Authority will reasonably determine capital repair and replacement costs to be charged to the Vikings by the Authority, either by proration of expense or by a single direct charge for a specific component of the Viking Legacy Ship. The preceding sentence anticipates that the

Authority will incur the capital repair and replacement costs for the Viking Legacy Ship components for which the Vikings are responsible and charge the Vikings for that prorated portion of the capital repair and replacement costs or the direct charge that the Authority incurs in connection with capital repair and replacement agreement(s) for the Stadium.

- (iv) Operable Water Feature Capital Repair and Replacement. If the Ship Scope of Work will include an operable water feature, the capital repair and replacement costs for the operable water feature will be determined in the manner as described above.
- (v) Mast and Marquee Material Incremental Capital Repair and Replacement Costs. The Vikings will be responsible for certain material incremental capital repair and replacement costs associated with the Viking Legacy Ship mast and video board (*i.e.*, Marquee) as set forth in **Section 6.3** below.

(b) Authority Post-Construction Capital Repair Costs. The Authority will be responsible for the post-construction capital repair and replacement costs for the mast and video board (*i.e.*, Marquee) that is included in the Viking Legacy Ship. The foregoing will not include (i) the incremental capital repair and maintenance costs described in **Section 6.3** below, or (ii) replacement by the Vikings of the scrim Norseman or other Vikings design on the reverse side of the Marquee.

SECTION 6.3. Material Incremental Operating Costs to be Paid by Vikings. The Vikings will be responsible for any material incremental operating, maintenance, and utility cost increases caused by the unique design of (i) the mast, and (ii) the video board (*i.e.*, Marquee) within the Viking Legacy Ship as different from the same size video board being placed in a traditional marquee design anticipated for the Plaza as set forth on **Exhibit G-1**. For comparison purposes, the depiction of design intent for the mast and the Marquee is set forth on **Exhibit G-2**, which will be supplemented by the final depiction of design for the mast and Marquee provided by the applicable Trade Contractor, which will be set forth on **Exhibit G-3**. The Parties agree that the LED video board provider will be requested to separately identify any material incremental costs that would be incurred based on the difference between the traditional marquee design set forth on **Exhibit G-1** and the Marquee that is set forth on **Exhibit G-2** when providing its service contract proposal.

ARTICLE 7.

VIKINGS AND TEAM AND AUTHORITY ADVERTISING RIGHTS

SECTION 7.1. Vikings and Team Advertising Rights. Notwithstanding any provision to the contrary in this Agreement or the Use Agreement, the Vikings will have Advertising Rights (as defined in the Use Agreement) on and adjacent to the Viking Legacy Ship, including the right to Advertise (as defined in the Use Agreement) (i) on the inside and outside walls of the bow of the Viking Legacy Ship, and (ii) Naming Rights (as defined in the Use Agreement) signage for the wall in front of the Ship Project (as anticipated by the VLS Design Intent Depictions and VLS Design Intent Schematics set forth on **Exhibit B-1-1** and **Exhibit B-1-2**). The Parties

acknowledge and agree that the Final Signage Plan to be completed in accordance with the Use Agreement in its present form includes “Naming Rights” identifiers for two (2) positions and “Founding Sponsor” identifiers for twelve (12) positions as set forth as of the date hereof in numbers 7 and 8 of the “Minnesota Multi-Use Stadium Sponsorship Manifest.” The Vikings’ authorized use of the Marquee will be governed by the provisions of **Section 18.8** of the **Use Agreement**.

SECTION 7.2. Authority Advertising Rights. Notwithstanding any provision to the contrary in this Agreement or the Use Agreement, the Authority will (i) have Advertising Rights for the Marquee as governed by the provisions of **Section 18.8** of the **Use Agreement**; and (ii) the Authority is authorized to place the Commemorative Bricks on the site of and adjacent to the Viking Legacy Ship as contemplated by **Section 5.1** and **Section 5.3** hereof.

ARTICLE 8. INSURANCE

SECTION 8.1. Design Services – OPPI Policy. The design services for the Viking Legacy Ship will be scheduled on the owner’s protective professional indemnity (OPPI) policy for Stadium design. The Vikings will be responsible for the funding of any increased premium cost for the OPPI policy arising from the construction of the Viking Legacy Ship within its Ship Scope of Work for design services. The Authority will promptly notify the Vikings of any proposed premium increase that it anticipates will be charged to the Vikings.

SECTION 8.2. Construction Services – Trade Contractor Enrollment in OCIP Program. The Trade Contractors that provide construction services for the Ship Project will be enrolled in the Authority’s owner controlled insurance program (OCIP) to cover the liability and any Loss arising from the Viking Legacy Ship construction and Ship Project. The Vikings will be responsible for (i) any deductibles in the event of a Loss and (ii) a reduction in the OCIP return premium, in the case of each of (i) and (ii) above, that is attributable to the Ship Project, if any, if and only to the extent that either or both (A) the deductible Loss is attributable to the Ship Project, and (B) a reduction of the OCIP return premium is attributable to a claim or claims arising out of or related to the Trade Contracts.

SECTION 8.3. Stadium Ship Project Builders Risk Policy. The Ship Project, including the Ship Scope of Work and Authority Scope of Work will be scheduled on the Stadium project builders risk policy. The Vikings will be responsible for funding any increased premium cost for the builders risk policy arising from the construction of the Viking Legacy Ship within its Ship Scope of Work for construction services.

SECTION 8.4. Post-Construction Insurance. The Authority will be responsible all insurance premium costs and deductibles for any future insurance claim, if any, related to an occurrence on that portion of the Viking Legacy Ship that is at the same grade as the Plaza, which includes the area intended for the installation of the Commemorative Bricks and the mast and Marquee. The Vikings will be responsible for insurance premium costs and deductibles for future insurance claims, if any, related to occurrence-based claims specific to the Viking Legacy Ship components that are at a different grade than the Plaza, or are otherwise located above or below the Plaza. In order to determine the insurance cost allocations between the Authority and

the Vikings for post-construction insurance, the Parties have created **Exhibit H-1** to this Agreement to preliminarily depict the grades of the Plaza for insurance premium pricing. **Exhibit H-1** will be finalized by a final depiction of the Plaza grades upon completion of the Ship Project by creation of **Exhibit H-2**. **Exhibit H-2** will be prepared and attached hereto promptly following completion of the Ship Project.

SECTION 8.5. Additional Insurance Covenants of the Authority and the Vikings.

(a) Insurance Covenants for the Ship Project. The Authority and the Vikings further agree that:

- (i) for purposes of this provision, the insurance coverage required hereunder may be procured and maintained as follows: (x) on a stand-alone basis under which the footprint of the Viking Legacy Ship and its adjacent area will be separately defined and excluded from the Authority's master insurance program for the Stadium Site, or (y) enrolled in the Authority's master insurance program for the Stadium Site. The Vikings may elect in its sole discretion between option "x" or option "y" described in the foregoing sentence and, in the event the Vikings elect option "y" the Authority will cooperate with the Vikings to obtain a reduction in the deductible amount at the Vikings' expense (i.e., a buy-down of deductible) applicable to the Loss or claims related to the Viking Legacy Ship for which the Vikings would be responsible.
- (ii) the Parties will mutually evaluate a third option of enrolling the Viking Legacy Ship in the Vikings' insurance program. If mutually agreed, the Parties may jointly select this third option in lieu of option "x" or option "y" described above; the Authority's agreement of this Vikings insurance program option will not be unreasonably withheld, delayed, or conditioned.
- (iii) regardless of the option selected to insure the Ship Project, the provisions set forth in **Section 30.3** of the **Use Agreement** entitled "General Insurance Requirements" which includes the standard of insurance policy, blanket waiver provisions, notice of cancellation requirements, additional insured and loss payee provisions, the provision of evidence of insurance, and periodic review of coverage are hereby incorporated by reference herein as essential terms of this Agreement. The Party that is the named insured on the insurance policies will fully cooperate in the defense of any claims and prosecution of coverage for any Loss involving the other Party. By way of clarification, any Authority or Vikings insurance policy option described above will name the other Party (and the other insured parties as set forth in the Use Agreement) as an additional insured(s) and loss payees under such policies shall be as a Party's interests appear.

(b) Required Insurance Coverage Under Option "x". If option "x" described above is elected by the Vikings, the Authority will maintain property, casualty, and liability insurance on

stand-alone basis (over and above the insurance required under the Use Agreement) for the Ship Project as follows:

- (i) Commercial General Liability insurance, Broad Form, including premises, operations, and completed operations and contractual liability, personal injury and advertising liability coverage, in the amount of One Million Dollars (\$1,000,000) per occurrence and Two Million Dollars (\$2,000,000) annual aggregate for bodily injury, personal injury and property damage covering the obligations and liabilities under this Agreement. Such policy will be written on an occurrence basis.

If the Vikings fail to make any payment of any sums payable by the Vikings to the Authority Indemnified Persons on the date due, which failure will continue for thirty (30) days, then such payment will bear interest at a rate of interest equal to the lesser of the “Wall Street Journal Prime Rate” published in the *Wall Street Journal*, (the “**Prime Rate**”) or

the highest rate permitted by Applicable Law, payable from the date such payment was due to the date of payment thereof.

SECTION 11.2. Indemnification and Payment of Losses by Authority. (b) Liens. To the extent allowed under Applicable Law, the Vikings will have the right to file a lien on, and the right to enforce any lien against, any accounts of the Authority, including operating or reserve accounts and the Capital Reserve Fund (as defined in the Use Agreement), for any obligations of the Authority under this Agreement which are paid by the Vikings upon an uncured material breach or material default by the Authority of this Agreement; and

CLOUD GARDENS FOUNTAIN - TORONTO, CANADA, 1994
This five-story water wall incorporates moving heated water and specialty lighting and operates year round.

FORT MCMURRAY FOUNTAIN/SCULPTURE - ALBERTA, CANADA, 2015
This mist sculpture incorporates jets that spray cool water in the summer. In the winter heated water is used to create a mist that forms icicles of various densities on the sculptural structure.

YORKVILLE PARK - TORONTO, CANADA, 1994
This fountain incorporates heated drip lines that feed stainless steel cables to form a rain curtain in the summer and an icicle sculpture in the winter.

BLACKBURN FOUNTAIN - ONTARIO, CANADA, 2007
This sculpture utilizes jets to shoot heated water out onto the river forming stalagmites below the water and ice jetties above the water during the winter months.

FOUNTAIN DESIGN

Warm weather fountains are to be expected. The fountain at the base of the Viking Legacy Ship can be designed to operate throughout the winter using heated water. Steam rising from the heated water on cold days will create a dramatic and truly memorable effect. Similar cold weather fountains have been designed to create unique winter effects in London Ontario, Fort McMurray Alberta, and Toronto.

To understand the feasibility of operating the Legacy Ship Fountain in the winter, RipBang consulted experts at Dan Euser Waterarchitecture, Inc. of Toronto, Minnesota Fountains, and Pentair. It was determined that the fountain can be operated continuously, operated intermittently for games and special events, or shut down entirely for the winter season as dictated by operational costs.
