1972-2015*

(Minneapolis, MN) – Calling all alumni player and coaches who participated in the Minnesota State High School League playoff or Prep Bowl. With the tradition of high school football semi-finals and championships now moving to U.S. Bank Stadium, this inaugural event will honor all players and coaches who have participated in the football playoff or Prep Bowl from 1972-2015. This will be an opportunity to reunite with teammates and coaches while sharing memories of why we play high school sports in Minnesota. Alumni players will receive a special commemorative credential and record holders will be recognized at half time of the 6-A championship game. Former players, along with their guests will be seated together in Section 121.
