

**MINNESOTA SPORTS FACILITIES AUTHORITY
REQUEST FOR PROPOSALS
DOCK & SOUTH PARKING AIR QUALITY MONITORING
EQUIPMENT AT U.S. BANK STADIUM**

Location: U.S. Bank Stadium
Project Name: Dock & South Parking Air Quality Monitoring Equipment
Quotes Due: 5 p.m., Tuesday, March 29, 2022

Notice to Contractors: Proposals for the project listed above will be received by the Minnesota Sports Facilities Authority (MSFA) at the office thereof located at 1005 South 4th Street, Minneapolis, Minnesota 55415, until the date and hour indicated. This project is to remove, install, and calibrate 11 Dwyer GSTA Nitrogen Dioxide Sensors and 11 Kele KCOP-A-S Carbon Monoxide Sensors according to manufacturer's specifications, at U.S. Bank Stadium, which includes the following:

- Remove, install, and calibrate according to manufacturer's specifications. Alternate sensors with similar performance may be considered.
- Provide complete documentation of installation and calibration of sensors for accurate record keeping.
- Provide information regarding future calibration requirements including equipment, pricing, and frequency.
- Provide specification information if submitting alternate products for consideration.

Note: Documents for the RFP are available for review on the MSFA's website at <https://www.msfa.com/project-opportunities.php>

Affirmative Action: All proposers, applicants, prime contractors, and prospective subcontractors will be subject to a pre-award compliance review to ensure the employment of minorities, women, and disabled person.

Questions: Questions concerning this Solicitation should be directed to Ed Kroics at ASM Global. Phone Number: 612-777-8700. Email: ekroics@usbankstadium.com

The Minnesota Sports Facilities Authority reserves the right to reject any and all proposals and to waive any informalities in any proposals received without explanation.

Michael Vekich, Chair
Minnesota Sports Facilities Authority
