

**MINNESOTA SPORTS FACILITIES AUTHORITY
REQUEST FOR PROPOSALS
BOWL SEATING AIR QUALITY MONITORING EQUIPMENT
AT U.S. BANK STADIUM**

Location: U.S. Bank Stadium
Project Name: Bowl Seating Air Quality Monitoring Equipment
Quotes Due: 5 p.m., Tuesday, March 29, 2022

Notice to Contractors: Proposals for the project listed above will be received by the Minnesota Sports Facilities Authority (MSFA) at the office thereof located at 1005 South 4th Street, Minneapolis, Minnesota 55415, until the date and hour indicated. This project is to remove, install, and calibrate 30 Greystone Energy Systems CMD5B5000 Carbon Monoxide Sensors at U.S. Bank Stadium, which includes the following:

- Provide complete documentation of installation and calibration of carbon dioxide sensors for accurate record keeping.
- Provide information regarding future calibration requirements including equipment, pricing, and frequency.
- Provide specification information if submitting alternate products for consideration.

Note: Documents for the RFP are available for review on the MSFA's website at <https://www.msfa.com/project-opportunities.php>

Affirmative Action: All proposers, applicants, prime contractors, and prospective subcontractors will be subject to a pre-award compliance review to ensure the employment of minorities, women, and disabled person.

Questions: Questions concerning this Solicitation should be directed to Ed Kroics at ASM Global. Phone Number: 612-777-8700. Email: ekroics@usbankstadium.com

The Minnesota Sports Facilities Authority reserves the right to reject any and all proposals and to waive any informalities in any proposals received without explanation.

Michael Vekich, Chair
Minnesota Sports Facilities Authority
