Question and Answers (Part 2)

Q: Will the fryers require gas hoses?

A: Yes

Q: Are they natural or LP gas?

A: Natural

Q: Do the fryers require legs or casters?

A: Casters

Q: Will the Impinger ovens require a stand or sit on a counter? If they require a stand, which model stand will be required?

A: No. They sit on the counter.

Q: Which direction will the conveyor belts go on the conveyor ovens go.

A: Right to left

Q: What voltage and phase are the Wells Ventless Fryers

A: 208v/30amp/3phase

Q: Is the equipment being delivered to one area of the arena or several different locations?

A: Multiple locations

Q: Are there any pieces of existing equipment that will need to be relocated or removed and disposed? If so, can you identify the pieces and how many?

A: Nothing to be disposed of, just relocated to storage area on site. Wok, (2) flat tops

Q: Scope states: "Ideally, the proposers will complete the install of the equipment." Will you accept bids that offer deliver, set in place, final connections by others?

A: Yes, please specify in your quote

Q: Will alternates be considered?

A: Yes as long as better or comparable
