REQUEST FOR QUOTATIONS

Design and Buildout of a Nursing Mother’s Suite and a Video Production Work Surface
FOR CAPITAL IMPROVEMENT TO U.S. BANK STADIUM
IN MINNEAPOLIS, MINNESOTA

May 9, 2018

A. Project Background and Objectives

In 2012, the State of Minnesota enacted 2012 Minnesota Laws, Chapter 299 (the “Act”), to establish the Minnesota Sports Facilities Authority (“Authority”) and to provide for the construction, financing, and long-term use of a new stadium now known as U.S. Bank Stadium (the “Stadium”) and related stadium infrastructure (the “Stadium Infrastructure”) as a venue for professional football and a broad range of other civic, community, athletic, educational, cultural and commercial activities.

As set forth in the Act, the Authority may make capital improvements to design, development and construction of the Stadium and the Stadium Infrastructure, and the certain capital improvements that that Authority is soliciting in this Request for Quotations (“RFQ”) shall be referred to in this RFQ as the “Project”. To that end, the Authority has prepared this RFQ for the design and buildout of the mother’s nursing suite and the video production work surface. Those who respond to this RFQ shall be referred to as “Proposers”.

The Project is located at the Stadium [and other additional adjacent land that has been acquired by the Authority in Minneapolis, Minnesota]. The Specification Documents identifying and indicating the scope of the Project are also incorporated within this RFQ as Exhibit 1. The Specifications Documents meet the standards required for a National Football League (“NFL”) franchise, as well as additional standards established by the Authority. The Project must be completed by July 31, 2018 (the “Required Completion Date”).

B. Intent and Process of the Request for Quotations

This RFQ is focused on the selection of a Proposer who will provide the best value to the Authority in the design and buildout.

Proposers should have experience in projects similar to those that are the subject of this RFQ. It is the desire of the Authority to consider as part of its selection criteria the commitment of the Proposer to exert good faith efforts to comply with the plan of the Authority to ensure equitable opportunities for Minority Owned Business Enterprises (“MBE”) and Women Owned Business Enterprises (“WBE”) to participate in the Project. The successful Proposer or Proposers must also demonstrate the ability to exert good faith efforts to comply with workforce goals and targeted zip code hiring goals, and work with organizations to develop effective MBE, WBE and workforce recruitment efforts during the
preconstruction, design, construction management, and the construction of the design and buildout of
the mother’s nursing suite and the video production work surface for the Project. The Authority has
developed an Equity Plan and each Proposer should provide a plan describing how they will encourage
the participation and utilization of appropriate workforce, MBEs and WBEs in the Proposers’
performance of their services. MBEs and WBEs that are interested in acting as the Proposers for the
Project are encouraged to respond to the RFQ.

C. **Scope of the Project Requirements**

Please see Exhibit 1 for project requirements.

D. **Requested Qualifications**

The Authority reserves the right and discretion to determine the qualifications and
responsibility of the Proposers to perform the work and services that are the subject of the
RFQ. It is the request and intent of the Authority that Proposers responding to the RFQ have the
following qualifications.

- Experience history with projects similar to the Project that is the subject of this RFQ.

- Ability to provide ongoing services to the mother’s suite and video production work
  surface.
